MAFM increases proposal to \$1.24

Early on 23 April 2021, VTH RE received a further revised proposal from MAFM for \$1.24 per unit or \$344.4m in the asset sale alternative (**Sixth MAFM Proposal**). MAFM has indicated that the Sixth MAFM Proposal is on the same terms other than to reflect the pricing as the previous proposal from MAFM.

This followed receipt late on 22 April 2021 of a further modified offer from Roc for \$1.23 per unit or \$342.55 million for the assets in the asset sale alternative (**Fifth Roc Offer**). The Fifth Roc Offer also proposes some changes to the scheme implementation deed to accommodate the fact that implementation of the Fifth Roc Offer would likely be after 30 June 2021.

Both the Fifth Roc Offer and Sixth MAFM Proposal permit the payment of the 2.5c per VTH unit interim distribution from rent received to 31 December 2020, which will be paid to VTH unitholders as soon as possible.

VTH RE is considering both the Sixth MAFM Proposal and the Fifth Roc Offer and will update the market as soon as possible. VTH unitholders do not need to take any action at this time.
