Hansen Technologies Capital Markets Day 18 May 2021

Hansen Technologies Limited (ASX: HSN) (“Hansen”), a leading global provider of software and services to the energy, water and communications industries, will hold its virtual Capital Markets Day on Tuesday 18 May 2021 from 8am – 10am (AEST).

The event will include three sessions:

1. History and strategy: presented by CEO, Andrew Hansen and CFO, Graeme Taylor.
2. Technology: presented by CTO, Guy Tennant.
3. Acquisition growth: presented by COO, Cameron Hunter.

Each session will include time for Q&A, with a selection of equity research analysts in attendance helping facilitate the Q&A process.

In accordance with market disclosure practices, presentation materials will be released to the ASX before the commencement of the Capital Markets Day. Additional details in relation to the Capital Markets Day will be provided at <https://www.hansencx.com/investor-relations/> in due course.

You will be required to pre-register for the Capital Markets Day. Please click on the link below to pre-register; you will be sent an invitation and dial in details acknowledging your attendance.
