Quarterly activity report – for the quarter ended 31 March 2021

FUM Update

Contango Asset Management Limited (**Contango** or the **Company**) is pleased to advise that the Company's Funds Under Management (**FUM**) continued to grow strongly in the third quarter of the 2021 financial year. As at 31 March 2021, the Company's FUM totalled approximately \$999 million, representing an increase of \$78 million or 9% above the total of \$921 million in FUM as at 31 December 2020.

The increase in FUM during the March 2021 quarter was driven by strong net inflows across the suite of funds managed by WCM Investment Management (**WCM**). This included a further \$18 million mandate awarded to the WCM Global Growth Managed Fund from the ASX listed Future Generation Global Investment Company Limited.

The chart below shows the strong growth in retail FUM from January 2017 to 27 April 2021:

Global Equities

Funds

- WCM International Small Cap Growth Fund (Managed Fund)
- WCM Quality Global Growth Fund (Managed Fund) - Class B (Hedged)

The Board is pleased to advise that Contango has recorded further growth in FUM since 31 March 2021, with the Company's FUM totalling approximately \$1.056 billion as at 27 April 2021. This includes further FUM inflows and increases from investment performance.

WCM Strategies Outperform Over the Year to 31 March 2021

The WCM large cap and small cap strategies have both continued to outperform their respective benchmarks for the 12-month period to 31 March 2021.

WCM's large cap strategy, the WCM Quality Global Growth Equity Strategy Composite, delivered a return of 30.5% for the 12-month period to 31 March 2021, outperforming its benchmark by 5.7%. The WCM International Small Cap Growth Strategy Composite delivered a return of 58.8% over the same period outperforming its benchmark by 21.8%. WCM is a top quartile global and international equities specialist with total FUM of over A\$114 billion¹.

Based in Laguna Beach, California, WCM's investment process is based on the belief that corporate culture is the biggest influence on a company's ability to grow its competitive advantage or 'moat'. This investment process has resulted in the WCM Quality Global Growth Equity Strategy Composite outperforming the MSCI All Country World Index by 5.4% per annum over more than a decade².

Contango has an exclusive retail distribution arrangement to distribute WCM's strategies in Australia.

Large Cap Track Record

Annualised returns of the WCM Quality Global Growth Equity Strategy Composite² versus its benchmark are shown below:

¹ As at 31 March 2021 in AUD.

² Data as at 31 March 2021 in AUD. Performance presented is net of fees and includes the reinvestment of all dividends and income. Past performance is not indicative of future results. Inception date of the WCM Quality Global Growth Equity Strategy Composite is 31 March 2008. The WCM Quality Global Growth Equity Strategy (ex-Australia) is accessible to Australian retail investors through Contango's three investment products, being: a listed investment company, an exchange-traded managed fund and an unlisted managed fund which offers both unhedged and hedged units.

Small Cap Track Record

Annualised returns of the WCM International Small Cap Growth Strategy Composite³ versus its benchmark are shown below:

Growth in Retail Investor Base

As at 31 March 2021, Contango had 13,972 unitholders and shareholders across its product suite. This is an increase of 6% since 31 December 2020.

WCM Global Growth Limited (ASX: WQG)

In July 2020, WCM Global Growth Limited (**WQG**) announced the commencement of partial franking of dividends, together with the implementation of a Dividend Reinvestment Plan (**DRP**) in relation to its final dividend for the 2020 financial year.

The Company has further enhanced its dividend policy and announced on 17 February 2021, the commencement of fully franked dividends, where possible and declared an interim dividend for the 2021 financial year of 2.0 cents per share which was fully franked. The interim dividend was paid on 31 March 2021.

It is expected that any final dividend for the 2021 financial year will also be fully franked.

The strong support from WQG's shareholders for the DRP has continued, with a participation rate of 30.3% for the recent interim dividend being one of the highest DRP participation rates for any listed investment company.

On 17 February 2021, the Company also announced the issue of bonus options (**Options**) to reward the loyalty and ongoing support of its existing shareholders. These Options were issued on a **one (1)**

³ Data as at 31 March 2021 in AUD. Performance presented is net of fees and includes the reinvestment of all dividends and income. Past performance is not indicative of future results. Inception date of the WCM International Small Cap Growth Strategy Composite is 31 December 2014. The WCM International Small Cap Growth Strategy is accessible to Australian wholesale investors through the WCM International Small Cap Growth Fund (Managed Fund) which is an unlisted managed fund.

for **three (3)** basis and allow holders to subscribe for new shares in the company at a fixed price of \$1.50 per share. The Options are listed on the ASX under the code “WQGOA” and normal trading commenced on 14 April 2021. The Options can be exercised at any time up to and including 31 August 2022.

Contango Income Generator Limited (ASX: CIE) (to be renamed WCM Global Long Short Limited)

On 18 September 2020, shareholders of Contango Income Generator Limited (CIE) approved the resolution to adopt a new strategy for CIE’s investment portfolio, moving to a global long short strategy managed by WCM.

The WCM Quality Global Growth Long Short Equity Strategy has, since its inception on 30 June 2014, generated a return of 22.5% per annum, outperforming its benchmark, the MSCI All Country World Index by an annualised 9.6% per annum⁴.

As announced to the ASX on 15 January 2021, the Board of CIE entered into a binding term sheet with WAM Capital Limited (WAM) and its investment manager in relation to a selective buy-back of WAM’s 69.6% holding of ordinary shares in CIE following the close of WAM’s takeover offer for CIE on 13 November 2020.

The selective buy-back is subject to a number of conditions, including shareholder approval at an upcoming Extraordinary General Meeting (EGM) of CIE.

The CIE Board has also announced that it will propose a special resolution at the upcoming EGM to change the name of CIE to WCM Global Long Short Limited. This initiative will align CIE with the new investment strategy, increasing its relevance in the marketplace under the WCM brand, and introduce a new strategy to the WCM product suite in the Australian market.

⁴ Data as at 31 March 2021 in AUD. Performance presented is net of fees and includes the reinvestment of all dividends and income. Past performance is not indicative of future results. Inception date of the WCM Quality Global Growth Long Short Equity Strategy is 30 June 2014.

Switzer Dividend Growth Fund (Quoted Managed Fund) (ASX: SWTZ)

On 21 April 2021, Contango announced the appointment of Blackmore Capital Pty Limited (**Blackmore**) to manage the Switzer Dividend Growth Fund (Quoted Managed Fund) (**SWTZ**).

SWTZ aims to provide investors with tax effective income and long-term capital growth by investing in a core portfolio of blue-chip Australian shares.

The appointment of Blackmore as the investment manager of SWTZ completes Contango's transition from a product manufacturer to a marketing and distribution platform offering high quality fund managers access to the self-directed and Independent Financial Adviser (IFA) channels of the \$2.9 trillion Australian superannuation industry⁵.

Switzer Higher Yield Fund (Managed Fund) (CXA-SHYF)

On 2 December 2020, Contango announced that it appointed Coolabah Capital Institutional Investments, a leading active credit manager, to manage the Switzer Higher Yield Fund (Managed Fund) (**SHYF**).

SHYF is a zero-duration bond fund that seeks to provide investors with an attractive cash yield with low capital volatility by investing in a portfolio of high quality and liquid fixed income securities.

The existing \$23 million fund was relaunched as a quoted managed fund with its units quoted on the Chi-X Australia Exchange (**Chi-X**) on 23 December 2020. Investors are now able to purchase and redeem units in SHYF via their broker or directly with Switzer Asset Management Limited, the responsible entity.

The re-launch was well supported by retail investors, with SHYF raising over \$14 million in additional capital through a short offer period. Since the close of the offer period the Fund has delivered a return of 0.98% net of fees, which exceeds the 0.45% for the benchmark RBA Cash Rate + 1.5%.

Cash Position

Contango's cash inflows remained strong during the quarter, assisted by an increase in management fees on the Company's higher FUM base and the receipt of performance fees for the funds managed under the WCM Quality Global Growth Equity Strategy (ex-Australia) and the WCM International Small Cap Growth Strategy, both relating to the 31 December 2020 half year period. Excluding performance fees, receipts from customers totalled \$1.7 million in the March 2021 quarter.

Over the same period, operating costs were well controlled, and the Company's underlying cash generation continued to improve. Payments this quarter included: the Company's first instalments of corporate audit fees for the 2021 financial year (included in administration and corporate expenses); costs associated with the relaunch of SHYF (included in corporate activity); the first instalments of audit fees associated with the Company's suite of products for the 2021 financial year (included in operating costs); and the first quarter of rebates paid in relation to the mandate awarded to WCM

⁵ As at September 2020. Source: The Australian of Superannuation Funds of Australia Limited.

Quality Global Growth Fund (Managed Fund) in October 2020 from Future Generation Global Investment Company Limited (included in operating costs).

Contango has a receivable relating to the assignment of an investment mandate to NAOS Asset Management Limited. A total amount of \$3.3 million remains payable to the Company in relation to this transaction, in two annual instalments in June 2021 and 2022.

The Company's cash balance was \$3.5 million as at 31 March 2021. Including the receivable noted above, the Company had cash and receivables of \$6.8 million and debt of \$1.25 million as at 31 March 2021.

Contango's strong financial position provides it with the capacity to continue to execute its growth strategy successfully and achieve further FUM growth.

Payments to Related Parties of the Entity and Their Associates

The Company has an existing marketing and distribution agreement with Switzer Financial Group Pty Ltd and paid \$55,000 for this service during the period. In addition, the Company made total payments of \$156,733 for Directors' fees and the Managing Director's salary.

Yours faithfully,

Marty Switzer
CEO and Managing Director

Notes

1. This quarterly cash flow report and the accompanying activity report provide a basis for informing the market about the entity's activities for the past quarter, how they have been financed and the effect this has had on its cash position. An entity that wishes to disclose additional information over and above the minimum required under the Listing Rules is encouraged to do so.
2. If this quarterly cash flow report has been prepared in accordance with Australian Accounting Standards, the definitions in, and provisions of, *AASB 107: Statement of Cash Flows* apply to this report. If this quarterly cash flow report has been prepared in accordance with other accounting standards agreed by ASX pursuant to Listing Rule 19.11A, the corresponding equivalent standard applies to this report.
3. Dividends received may be classified either as cash flows from operating activities or cash flows from investing activities, depending on the accounting policy of the entity.
4. If this report has been authorised for release to the market by your board of directors, you can insert here: "By the board". If it has been authorised for release to the market by a committee of your board of directors, you can insert here: "By the [name of board committee – eg Audit and Risk Committee]". If it has been authorised for release to the market by a disclosure committee, you can insert here: "By the Disclosure Committee".
5. If this report has been authorised for release to the market by your board of directors and you wish to hold yourself out as complying with recommendation 4.2 of the ASX Corporate Governance Council's *Corporate Governance Principles and Recommendations*, the board should have received a declaration from its CEO and CFO that, in their opinion, the financial records of the entity have been properly maintained, that this report complies with the appropriate accounting standards and gives a true and fair view of the cash flows of the entity, and that their opinion has been formed on the basis of a sound system of risk management and internal control which is operating effectively.
