#### **ACTIVITY STATEMENT**

### **Activity Report:**

In connection with the Appendix 4C; Quarterly Cash Flow Report entities subject to listing rule 4.7B, the Directors are pleased to give the following report on the activities undertaken during the past quarter ending 31<sup>st</sup> March 2021.

During this period, the Company has continued to implement all of the necessary and suggested recommendations of national and local regional level governments in all areas where it is working in relation to the ongoing COVID-19 Coronavirus Pandemic.

There have been no material changes to our business operations and activities continue as set out in the Appendix 4D released on 26<sup>th</sup> February 2021. Expenses incurred during the quarter includes PT Energi Sengkang payment for gas purchases, power plant operation and maintenance costs (for Indonesia), staff costs, business administration, site security costs, and where possible, preservation of assets on project development sites, in Philippines and Indonesia.

On 23 March 2021, the Company announced a successfully underwritten, non-renounceable 1 for 2.21 entitlement offer to raise from existing shareholders and other sophisticated investors AUD65 million, the offer was completed on 21 April 2021.

### Australia:

The work on the reactivation of the Eromanga and Gilmore Gasfields in continuing and ongoing in line with the relevant government guidelines including environmental, safety and governmental clearances. Staff have been recruited to implement and perform the required technical and commercial disciplines associated with these tasks.

We have submitted additional information to the Department of Natural Resources Mineral and Energy (DRME) on the issues raised in association with the application for PL1030-PL1033 approvals and we have now received agreement from DRME to now submit our applications under the 1923 Act. We have formally received the approvals from the DRME for a further 7 year renewal of the licenses for PL115, PL116 and PL117 from 29 September 2019 until 28 September 2026.

### **Indonesia:**

Notwithstanding COVID-19 we have been able to ensure that our Sengkang Power Station and Associated Gasfields continue to operate normally and within their contracted parameters. Within

the Appendix 4C (item 6.1), we disclosed payment to related parties of USD4.215M. This relates to payments to PT. CEPA for the O&M Contract for the Sengkang Power Plant.

On 8 February 2021, PT. South Sulawesi (PTSSLNG) received confirmation from the Ministry of Forestry that it has formally completed the review of the historical land documentation and the remapping of the land area which was incorrectly claimed to be forestry land in June 2017. PTSSLNG have now been advised that the land upon which we have constructed the mid-scale modular LNG facility has been re-confirmed by all the relevant authroities as industrial land and after 4 year delay, we have now been encouraged to recommence our project construction and the related commercial discussions associated with eh project financing and the offtake of LNG. PTSSLNG has requested its contractors to start the re-mobilisation work at the site.

### **Philippines:**

The ongoing lockdown of Luzon has affected our ability to carry out normal site operations at our Pagbilao LNG Hub Terminal and Power Plant, however our land acquisition programme for the Right of Way (ROW) has continued and video conferencing meetings have been possible with the Department of Energy (DOE) on both the Pagbilao LNG Hub and Power Projects. We have been advised by DOE the new Pagbilao sub-station being constructed by NGCP is targeted for completion between March and June 2022.

Yours faithfully, For and on behalf of ENERGY WORLD CORPORATION LTD.

### Notes

- 1. This quarterly cash flow report and the accompanying activity report provide a basis for informing the market about the entity's activities for the past quarter, how they have been financed and the effect this has had on its cash position. An entity that wishes to disclose additional information over and above the minimum required under the Listing Rules is encouraged to do so.
- If this quarterly cash flow report has been prepared in accordance with Australian Accounting Standards, the definitions in, and provisions of, AASB 107: Statement of Cash Flows apply to this report. If this quarterly cash flow report has been prepared in accordance with other accounting standards agreed by ASX pursuant to Listing Rule 19.11A, the corresponding equivalent standard applies to this report.
- 3. Dividends received may be classified either as cash flows from operating activities or cash flows from investing activities, depending on the accounting policy of the entity.
- 4. If this report has been authorised for release to the market by your board of directors, you can insert here: "By the board". If it has been authorised for release to the market by a committee of your board of directors, you can insert here: "By the [name of board committee eg Audit and Risk Committee]". If it has been authorised for release to the market by a disclosure committee, you can insert here: "By the Disclosure Committee".
- If this report has been authorised for release to the market by your board of directors and you wish to hold yourself out as complying with recommendation 4.2 of the ASX Corporate Governance Council's *Corporate Governance Principles and Recommendations*, the board should have received a declaration from its CEO and CFO that, in their opinion, the financial records of the entity have been properly maintained, that this report complies with the appropriate accounting standards and gives a true and fair view of the cash flows of the entity, and that their opinion has been formed on the basis of a sound system of risk management and internal control which is operating effectively.
