

Appendix 2A

Application for quotation of +securities

Information or documents not available now must be given to ASX as soon as available. Information and documents given to ASX become ASX's property and may be made public.

If you are an entity incorporated outside Australia and you are seeking quotation of a new class of +securities other than CDIs, you will need to obtain and provide an International Securities Identification Number (ISIN) for that class. Further information on the requirement for the notification of an ISIN is available from the Create Online Forms page. ASX is unable to create the new ISIN for non-Australian issuers.

*Denotes minimum information required for first lodgement of this form, with exceptions provided in specific notes for certain questions. The balance of the information, where applicable, must be provided as soon as reasonably practicable by the entity.

If the securities to be quoted have been issued by way of a pro rata offer, to give this warranty, you will generally need to have lodged a cleansing notice with ASX under section 708AA(2)(f) or 1012DAA(2)(f) of the Corporations Act within 24 hours before the securities are offered (see ASIC Regulatory Guide 189 *Disclosure relief for rights issues*). Part 6 – Other Listing Rule requirements – not applicable

Appendix A – Summary of terms of the Loan Funded Share Plan

Eligibility

Full-time and part-time employees and executives of the Company or any of its subsidiaries (**Participants**), who are selected by the Board, will be eligible to participate in the Smartgroup Limited Loan Funded Share Plan (**Plan**). For the avoidance of doubt this does not extend to associates.

Invitation

Participants may purchase a specified number of Shares which are subject to restrictions to be determined by the Board. An invitation may only be made if approved by the Board. It must be in writing and must be made in accordance with the Plan rules. Offers of Shares under the Plan are economically equivalent to an award of options.

Transaction costs

The Company may, but is not required to, bear all brokerage, commission or other transaction costs payable by a Participant in relation to acquisition of Shares under the Plan.

Conditions

The Board may determine that Shares to be granted to Participants will be subject to:

- Vesting Conditions; and
- Forfeiture Conditions,

which must be detailed in the invitations made to Participants.

The nature and content of the Vesting Conditions are determined by the Board and may include conditions relating to any or all of:

- continuing employment;
- performance of the Participant;
- performance of the Company; or
- the occurrence of specific events.

Unless determined otherwise by the Board, while Shares are held by a Participant under the Plan, they are subject to forfeiture if any of the following Forfeiture Conditions are satisfied:

- if the Participant breaches any term of the loan agreement between the Participant and the Company;
- if the Participant ceases employment, but only in certain circumstances set out in the rules of the Plan; or
- if, in the opinion of the Board, any of the Vesting Conditions have not been or cannot be satisfied for any reason.

If the applicable Vesting Conditions are satisfied, the Participant will be permitted to retain those Shares which have vested provided they repay the loan owing on those Shares. The Board may waive any or all of the Forfeiture Conditions.

On cessation of employment, the Board will have absolute discretion to determine whether the Participant is a Bad Leaver, a Good Leaver or Leaver. Together with the Vesting

Conditions and Forfeiture Conditions, each of these classifications will have differing implications on whether, for example, a Participant retains any unvested Plan Shares or vested Plan Shares and the terms of the Loan which applies to the Plan Shares.

Loan terms

Participants will be invited to purchase Shares using loan funds under the loan agreement with the Company (**Loan**).

The Board may determine the value of the Loan that will be provided to Participant to facilitate the acquisition of the Plan Shares, or the means by which that value will be calculated and shall state the value or means of calculation of the Loan value in the invitation from the Board.

A Participant who accepts a Loan irrevocably authorises the Company to apply the Loan funds on behalf of the Participant in payment of the total cost of the Plan Shares to be acquired.

The Loan must always be repaid if the Participant wishes to benefit from the Shares. Participants only benefit from growth in share price.

The Loans to be made under the Plan will be:

- limited recourse in nature, meaning that if the market value of the Shares is less than the loan value at the end of the term of the Loan, the Participant cannot be forced to repay the remaining Loan balance out of their own funds;
- interest-free and fee free; and
- repayable in full on the earlier of the termination date of the Loan (5 years from the date it is made) or the date on which the Shares are sold in accordance with the terms of the rules of the Plan.

In the event that the Vesting Conditions are not met, or Shares do not vest for any other reason, the Shares may be bought back by the Company and the proceeds used to repay the Loan, such that the Participant receives no gain from the Plan.

Dividends and voting rights

A Participant is entitled to any rights which accrue (including voting rights and dividends) to Plan Shares held by the Participant and may deal with those rights in accordance with the terms of the Plan rules and the invitation from the Board in relation to those Plan Shares.

If the Company pays dividends or make capital distributions, the after-tax value of any dividends paid or distributions made to a Participant will be applied to repay the Loan. The balance (ie the estimated value of the tax payable by the Participant on the dividend or distribution) is paid to the Participant to allow them to fund their tax liability on the dividend or distribution.

Transferability and dealings

A Participant must not sell, transfer, encumber or otherwise deal with a Plan Shares unless otherwise permitted under the Plan or determined by the Board.

At the end of the vesting period and subject to continuous employment, Participants can dispose of their Shares on repayment of any outstanding Loan balance.

Capital reconstruction

In the event of a capital reconstruction, subject to any provisions in the Listing Rules, the Board may adjust the number of Plan Shares held by a Participant.

The Board may determine that Plan Shares held by a Participant may be bought-back (in accordance with the requirements of the Constitution and the Corporations Act) in certain circumstances.

Administration and Board discretion

The Board administers the Plan, and it may delegate some or all of its powers and functions under the Plan to a person or to a committee of two or more persons.

The Board may add to, repeal, amend, alter or vary any or all of the provisions of the Plan rules (including with retrospective effect) in writing in any respect whatsoever, including the rights or obligations of the Participant, provided that no addition, repeal, amendment, alteration or variation of the Plan terms will:

- without the Participant's consent in writing, materially reduce the Participant's accrued benefits or entitlements as they existed before the date of the amendment;
- without the Participant's consent in writing, impose additional obligations on the Participant in respect of his or her Plan Shares;
- repeal, amend, alter or vary these protections,

unless the addition, repeal, amendment, alteration or variation is introduced primarily:

- for the purpose of complying with or conforming to present or future laws or regulating the maintenance or operation of the Plan or like plans, including any relevant tax legislation;
- to correct any manifest error or mistake; or
- to enable the Plan or the Company to comply with the Corporations Act, the Listing Rules or its Constitution.
