Total passenger traffic in April 2021 was 1,542,000 passengers, down 58.1% on the corresponding period in 2019.

Domestic passenger traffic totalled 1,489,000 in April 2021, down 34.8% on the corresponding period in 2019.

53,000 international passengers passed through Sydney Airport in April 2021. This is a 21.7% increase on the prior corresponding period in 2020, primarily driven by the commencement of two-way quarantine-free Trans-Tasman travel from 19 April 2021. International passenger traffic remains 96.2% down on the corresponding period in 2019.

The downturn in all other international passenger traffic is expected to persist until government travel restrictions are eased.

¹ Due to data availability, all international passenger numbers (including prior corresponding period comparisons) are based on Confirmed Airline Passenger (CAP) data. As per previous information releases, these figures may contain estimates with any adjustments to preliminary statistics included in the year-to-date results in future months
