In addition, Listing Rule 14.5 states that an entity which has directors must hold an election of directors each year.

Mr Chee Kuan Tat, Ken will retire from office and, being eligible, will seek re-election as a Director.

The biographical details for Mr Chee Kuan Tat, Ken are as follows:

Resolution 1 is an ordinary resolution.

The Board (excluding Mr Chee) supports the election of Mr Chee and recommends that Shareholders vote in favour of Resolution 1.

5. Resolution 2 – Approval of Appointment of Auditor

The current auditors, KLP LLP (previously known as Kong, Lim & Partners LLP), Certified Public Accountants were appointed as auditors of the Company. Section 205(2) of the Companies Act states:

"A company shall at each annual general meeting of the company appoint a person or persons to be the auditor or auditors of the company, and any auditor or auditors so appointed shall, subject to this section, hold office until the conclusion of the next annual general meeting of the company."

Resolution 2 therefore seeks to appoint of KLP LLP as auditors of the Company until the conclusion of the next annual general meeting of the Company.

Resolution 2 is an ordinary resolution.

The Board supports the appointment of KLP LLP as auditors of the Company and recommends that Shareholders vote in favour of Resolution 2.

6. Resolution 3 – Approval of Directors' Fees

Section 169 of the Companies Act requires that Directors' fees in respect of their office as such be approved by Shareholders.

Resolution 3 therefore seeks approval for the proposed maximum aggregate non-executive Directors' fees of S\$200,000 for financial year ending 31 March 2022. This amount is the same as the aggregate Director's fees approved for the financial year ended 31 March 2021.

The Remuneration Committee reviews and approves the Company's remuneration policy in order to ensure that the Company is able to attract and retain executives and Directors who will create value for Shareholders, having regard to the amount considered to be commensurate for an entity of the Company's size and level of activity as well as the relevant Directors' time, commitment and responsibility.

The proposed level of permitted fees does not mean that the Company must pay the entire amount approved as fees in each year. However, the Board considers that it is reasonable and appropriate to establish this amount as this will provide the Company with the flexibility to attract appropriately qualified Directors and to act quickly if the circumstances require it.

Resolution 3 is an ordinary resolution.

7. Resolution 4 – Approval to issue Shares and Instruments

Section 161 of the Companies Act requires that the issue of any new Shares or other securities in the Company be approved by Shareholders.

Resolution 4 therefore seeks approval for the Directors to be empowered to issue Shares or convertible securities in the Company from the date of the Meeting to the conclusion of the next annual general meeting of the Company or the date by which next annual general meeting for the Company is required by law to be held, whichever is the earlier.

This authority will, unless revoked or varied at a general meeting of the Company, expire at the conclusion of the next annual general meeting of the Company.

Resolution 4 is not seeking approval for:

- (a) the issue of securities in the Company pursuant to the requirements of ASX Listing Rule 7.1 or Listing Rule 7.1A; or
- (b) the issue of securities to related parties, pursuant to the requirements of ASX Listing Rule 10.11.

Resolution 4 will therefore be subject to the Listing Rules, in particular:

- (a) Listing Rule 7.1, which provides that the Company must not, subject to specified exceptions, issue or agree to issue more securities during any 12 month period than that amount which represents 15% of the number of fully paid ordinary securities on issue at the commencement of that 12 month period;
- (b) Listing Rule 10.11, which provides that the Company must not issue new securities to a related party without Shareholder approval; and
- (c) Listing Rule 10.14 which provides that the Company must not issue new securities under an employee share plan to a Director or an associate of a Director without Shareholder approval.

Resolution 4 is an ordinary resolution.

The Board recommends that Shareholders vote in favour of Resolution 4.

8. Resolution 5 – Approval of On-Market Share Buy-Back Mandate

8.1 General

The Company is incorporated in Singapore and, pursuant to the Articles and the Companies Act, has the ability to buy-back its Shares. Accordingly, the Company seeks Shareholder approval in accordance with section 76E of the Companies Act to buy-back and cancel or hold as treasury shares 64,504,078 Shares (being up to a maximum of 18% of the total number of Shares on issue) through an on-market buy-back.

ASX has previously confirmed that (with respect to last year's buy back), pursuant to ASX Listing Rule 7.36, the Company is required to undertake the on-market buy back in accordance with the ASX Listing Rules and the applicable provisions of the Corporations Act, as if it were an entity subject to the requirements of the Corporations Act.

The Company notes that, in complying with section 76E of the Companies Act, the Company will comply with section 257C(1) of the Corporations Act for on-market buy-backs, which states that shareholder approval is required for a buy-back if a company proposes to buy-back more than 10% of the smallest number of shares on issue during the last 12 months.

In addition, the Company also intends to comply with all applicable provisions under the ASX Listing Rules, including but not limited to, ASX Listing Rule 7.33 and ASX Listing Rule 3.8A.

This Explanatory Memorandum sets out information that is material to the Shareholders' decision on how to vote on the buy-back resolution, including the reasons for the buy-back, the applicable terms, the financial implications and the possible advantages and disadvantages of the on-market buy-back.

8.2 Reasons for buy-back

The Company's goal is to manage its capital so as to achieve the most efficient capital structure and optimise returns to Shareholders. On 31 May 2021, the Company reported consolidated cash and cash equivalents of S\$26,819,650 in its financial year ended 31 March 2021.

The Board is of the view that the allocation of part or all of the Company's surplus funds into an on-market buyback of Shares will be more value accretive to Shareholders than having the funds remain in situ.

The Board believes that an on-market buy-back of Shares at an appropriate value is an appropriate course for the Company and its Shareholders.

An on-market buy-back gives Shareholders the choice whether to hold or sell their Shares over the buy-back period, whereas under other alternatives (such as an equal capital reduction or off-market equal access buy-back) Shareholders may not be given such flexibility. Further the on-market Share buy-back is simpler to implement than other forms of capital return.

The Company has decided, as part of its capital management program, that an on-market buy-back is an expedient, effective and cost efficient way for the Company to enhance shareholder value.

8.3 Advantages and disadvantages of the buy-back

The general advantages of an on-market buy-back include the following:

- (a) purchases on-market can be tailored to changing market conditions;
- (b) the Company has complete flexibility to adjust the volume of Shares bought and can stop buying at any time; and
- (c) implementation of an on-market buy-back is simple and cost effective.

Shareholders should also be aware that, among other things, some of the disadvantages of the buy-back include:

- (a) the Company's net assets will be reduced by the amount expended on the buy-backs; and
- (b) the buy-backs may provide some liquidity in the Shares in the short term however may result in reducing the liquidity in the Shares in the long term due to a smaller number of Shares on issue for trading.

8.4 Regulatory requirements

Article 53 of the Articles and Sections 76B and 76E of the Companies Act, allow the Company to buy-back its own shares through on-market Share buy-backs.

Section 76E of the Companies Act, which relates specifically to on-market Share buy-backs, provides as follows:

“Authority for market acquisition

76E.—(1) *A company shall not make a purchase or acquisition of its own shares on a securities exchange (referred to in this section as a market purchase) unless the purchase or acquisition has been authorised in advance by the company in general meeting.*

- (2) *The notice specifying the intention to propose the resolution to authorise a market purchase must -*
 - (a) *specify the maximum number of shares or the maximum percentage of ordinary shares authorised to be purchased or acquired;*
 - (b) *determine the maximum price which may be paid for the shares;*
 - (c) *specify a date on which the authority is to expire, being a date that must not be later than the date on which the next annual general meeting of the company is or is required by law to be held, whichever is the earlier; and*
 - (d) *specify the sources of funds to be used for the purchase or acquisition including the amount of financing and its impact on the company's financial position.*
- (3) *The authority for a market purchase may be unconditional or subject to conditions and must state the particulars referred to in subsection (2)(a), (b) and (c).*
- (4) *The authority for a market purchase may, from time to time, be varied or revoked by the company in general meeting but the variation must comply with subsections (2) and (3).*
- (5) *A resolution to confer or vary authority for a market purchase under this section may determine the maximum price for purchase or acquisition by —*
 - (a) *specifying a particular sum; or*
 - (b) *providing a basis or formula for calculating the amount of the price in question without reference to any person's discretion or opinion.”*

Under the Singapore Code on Take-overs and Mergers ("**Take-over Code**"), there may be take-over implications and obligations arising from Share buy-backs as follows:

8.4.1 Obligation to make a Take-over offer

When the Company purchases or acquires its shares, any resulting increase in the percentage of voting rights held by a Shareholder and persons acting in concert with him (as defined in the Take-over Code) will be treated as an acquisition for the purposes of Rule 14 of the Take-over Code ("**TC Rule 14**"). Consequently, a Shareholder or group of Shareholders acting in concert may obtain or consolidate effective control of the Company and become obliged to make an offer under TC Rule 14.

8.4.2 Effect of TC Rule 14 and Appendix 2 of the Take-over Code ("**TC Appendix 2**")

In general terms and in relation to the proposed Share Buy-Back Mandate in Resolution 5, the effect of TC Rule 14 and TC Appendix 2 are as follows:

8.4.2.1 Unless exempted, Directors and persons acting in concert with them will incur an obligation to make a take-over offer under TC Rule 14 if, as a result of the Company purchasing or acquiring Shares, (i) the voting rights of such Directors and their concert parties would increase to 30% or more, or (ii) in the event that such Directors and their concert parties hold between 30% and 50% of the Company's voting rights, the voting rights of such Directors and their concert parties would increase by more than 1% in any period of six months. In calculating the percentages of voting rights of such Directors and their concert parties, treasury shares shall be excluded.

8.4.2.2 Under TC Appendix 2, a Shareholder not acting in concert with the Directors will not be required to make a takeover offer under TC Rule 14 if, as a result of the Company purchasing or acquiring its Shares, the voting rights of such Shareholder would increase to 30% or more, or, if such Shareholder holds between 30% and 50% of the Company's voting rights, the voting rights of such Shareholder would increase by more than 1% in any period of six months. Such Shareholder need not abstain from voting in respect of the resolution authorising the Share Buy-Back Mandate.

Based on the interests of substantial Shareholders as at 29 June 2021 ("**Latest Practicable Date**"), the substantial Shareholders would not become obliged to make a take-over offer for the Company under TC Rule 14 as a result of the purchase or acquisition by the Company of the maximum limit of 18% of its issued Shares (excluding Shares held in treasury) as at the Latest Practicable Date.

Shareholders are reminded that those who are in doubt as to their obligations, if any, to make an offer under the Take-over Code as a result of the purchases or acquisitions by the Company of Shares pursuant to the proposed Share buy-back mandate, should consult their professional advisers.

Resolution 5 seeks approval of the Shareholders for the proposed Share buy-back mandate.

Resolution 5 will be approved if more than 50% of votes cast at the Meeting on the Resolution are in favour of the Resolution.

8.5 Number of Shares subject to buy-back

As at 29 June 2021, the Company has 358,355,994 Shares on issue and seeks to buy-back up to 64,504,078 Shares, representing 18% of the total issued share capital as at the date of this notice. If the buy-back is fully completed, the Company will have 293,851,916 Shares on issue (excluding treasury shares).

The Company will offer to buy-back Shares on-market through transactions on the ASX.

Since an on-market buy-back involves shares being acquired at the market price of shares at that time, it is not possible to anticipate the value (and therefore the number) of shares that may actually be bought back and cancelled or held as treasury shares. As a result, the Company is not required to buy-back a specific number of Shares or a minimum specified value of Shares over any period.

The Company reserves the right not to buy-back any Shares at all.

8.6 Buy-back Price

The Shares will be bought back at the quoted selling price of the Shares on the ASX. In accordance with ASX Listing Rule 7.33, the price payable by the Company to buy-back Shares cannot be more than 5% above the volume weighted average market price per share for the last 5 days on which trades were recorded before the day of the buy-back.

It should be noted that the Company cannot give any assurance as to the likely average price per share to be paid by the Company under the on-market buy-back.

It will be a matter for Shareholders to determine with reference to their own individual circumstances (after taking independent advice, if appropriate) whether they want to sell their Shares on the ASX and, if so, the price at which they are prepared to sell their Shares.

8.7 Timing

If Resolution 5 is approved, it is intended that the on-market buy-backs (if any) will be undertaken at such time(s) as the Directors in their discretion may decide within the period set out in paragraph (b) of Resolution 5.

If Resolution 5 is not passed, the Company will not undertake any buy-back.

8.8 Financial implications of the buy-back

The buy-back will be funded from the Company's available cash reserves.

The Directors have determined that the buy-back will not materially prejudice the Company's ability to pay its creditors.

As at 31 March 2021, the Company had consolidated net assets of S\$37,697,554, including S\$26,819,650 of consolidated cash reserves available as a source of funding the buy-back. The actual amount of the buy-back to be funded will not be determined until the completion of the buy-back program.

The exact impact on earnings per Share of any buy-back cannot be determined until the buy-back is completed and will depend on the number of Shares bought back, the volume-weighted average buy-back price and the source of funds used to fund the buy-back program.

A buy-back may decrease the ASX trading volumes and liquidity in the Shares. It is not however possible to determine the extent of any potential decrease in liquidity at this time.

Whilst it is not possible to anticipate the total actual amount that the Company will expend on paying for the Shares, the buy-back is not expected to adversely affect net assets of the Company.

8.9 Effect on control of the Company

It is not expected that there will be any effect on control of the Company following the buy-back.

8.10 Tax implications

Approval of Resolution 5 will not result in any tax implications for Shareholders if they do not sell their Shares. However, if a Shareholder chooses to participate in the buy-back by selling their Shares then that Shareholder should obtain specific tax advice on the treatment of the sale of their Shares taking into account their particular circumstances.

8.11 Directors' holdings

The Company is in an important stage of development with significant opportunities and challenges in both the near and long-term, and the proposed issue seeks to align the efforts of the Directors in seeking to achieve growth of the Share price and in the creation of Shareholder value. In addition, the Board also believes that incentivising with Performance Rights is a prudent means of conserving the Company's available cash reserves. The Board believes it is important to offer these Performance Rights to continue to attract and maintain highly experienced and qualified Board members in a competitive market.

The actual dilution will depend on the extent that additional Shares are issued by the Company.

- (h) Chee Kuan Tat, Ken and Clive Tan Che Koon are executive directors of the Company and therefore the Board believes that the grant of the Performance Rights is in line with Recommendation 8.2 of the 3rd and 4th editions of the ASX Corporate Governance Council's Corporate Governance Principles and Recommendations.

The Board acknowledges the grant of the Performance Rights to the non-executive Directors, Chay Yiowmin and Charles Mac is contrary to Recommendation 8.2 of the 3rd and 4th editions of the ASX Corporate Governance Council's Corporate Governance Principles and Recommendations. However, the Board

considers the grant of Performance Rights to the non-executive Directors reasonable in the circumstances for the reasons set out in Section 9.4(j).

 - (i) through the leadership of the Directors, they have overseen the development of the Company throughout a period of growth and advancement over the last 12 months;
 - (ii) accordingly, the grant of the Performance Rights is a reasonable benefit to recognise the past performance by the Directors;
 - (iii) the grant of the Performance Rights will further align the interests of the Directors with those of Shareholders to increase shareholder value;
 - (iv) the issue of the Performance Rights provides the Directors with incentives to focus on superior performance in creating shareholder value;
 - (v) the grant of the Performance Rights is a reasonable and appropriate method to provide cost effective remuneration as the non-cash form of this benefit will allow the Company to spend a greater proportion of its cash reserves on its operations than it would if alternative cash forms of remuneration were given to the Directors; and
 - (vi) it is not considered that there are any significant opportunity costs to the Company or benefits foregone by the Company in granting the Performance Rights upon the terms proposed.
- (k) Clive Tan Che Koon declines to make a recommendation to Shareholders in relation to Resolution 7 due to his material personal interest in the outcome of Resolution 7. However in respect of Resolutions 6, 8 and 9, Clive Tan Che Koon recommends that Shareholders vote in favour of those Resolutions for the reasons set out in paragraph 9.4(j).

- (m) Charles Mac declines to make a recommendation to Shareholders in relation to Resolution 9 due to his material personal interest in the outcome of Resolution 9. However in respect of Resolutions 6, 7 and 8, Charles Mac recommends that Shareholders vote in favour of those Resolutions for the reasons set out in paragraph 9.4(j).

Accounting Standards:

Australian Accounting Standard 2 Share-based Payment ('AASB 2') states in paragraph 19 that vesting conditions, other than market conditions, shall not be taken into account when estimating the fair value of the shares or share options at the measurement date. Instead, vesting conditions shall be taken into account by adjusting the number of equity instruments included in the measurement of the transaction amount so that, ultimately, the amount recognised for goods or services received as consideration for the equity instruments granted shall be based on the number of equity instruments that eventually vest.

On the other hand, paragraph 21 states that market conditions, such as a target share price upon which vesting (or exercisability) is conditioned, shall be taken into account when estimating the fair value of the equity instruments granted.

All the conditions attached to the performance rights are market vesting conditions.

Schedule 4 – Summary of Employee Securities Incentive Plan

The Board of the Company has adopted an employee securities incentive plan, a summary of which is set out below. The full terms of the Plan may be inspected at the registered office of the Company during normal business hours.

(a) Eligible Participant

"Eligible Participant" means a person that:

- (i) is at least 18 years old who is not an undischarged bankrupt, is an employee or director (whether executive or non-executive) of a member of the Group; and
- (ii) has been determined by the Board to be eligible to participate in the Plan from time to time.

(b) Purpose

The purpose of the Plan is to:

- (i) assist in the reward, retention and motivation of Eligible Participants;
- (ii) link the reward of Eligible Participants to Shareholder value creation; and
- (iii) align the interests of Eligible Participants with shareholders of the Group (being the Company and each of its Associated Bodies Corporate), by providing an opportunity to Eligible Participants to receive an equity interest in the Company in the form of Securities.

(c) Plan administration

The Plan will be administered by the Board. The Board may exercise any power or discretion conferred on it by the Plan rules in its sole and absolute discretion. The Board may delegate its powers and discretion.

(d) Eligibility, invitation and application

The Board may from time to time determine that an Eligible Participant may participate in the Plan and make an invitation to that Eligible Participant to apply for Securities on such terms and conditions as the Board decides.

On receipt of an Invitation, an Eligible Participant may apply for the Securities the subject of the invitation by sending a completed application form to the Company. The Board may accept an application from an Eligible Participant in whole or in part.

If an Eligible Participant is permitted in the invitation, the Eligible Participant may, by notice in writing to the Board, nominate a party in whose favour the Eligible Participant wishes to renounce the invitation.

(e) Grant of Securities

The Company will, to the extent that it has accepted a duly completed application, grant the Participant the relevant number of Securities, subject to the terms and conditions set out in the invitation, the Plan rules and any ancillary documentation required.

(f) Terms of Convertible Securities

Each Convertible Security represents a right to acquire one or more Shares, subject to the terms and conditions of the Plan.

Prior to a Convertible Security being exercised a Participant does not have any interest (legal, equitable or otherwise) in any Share the subject of the Convertible Security by virtue of holding the Convertible Security. A Participant may not sell, assign, transfer, grant a security interest over, collateralise a margin loan against, utilise for the purposes of short selling, enter into a Derivative with reference to, or otherwise deal with a Convertible Security that has been granted to them. A Participant must not enter into any arrangement for the purpose of hedging their economic exposure to a Convertible Security that has been granted to them.

(g) Vesting

Any vesting conditions applicable to the grant of Convertible Securities will be described in the invitation. If all the vesting conditions are satisfied and/or otherwise waived by the Board, a vesting notice will be sent to the Participant by the Company informing them that the relevant Convertible Securities have vested. Unless and until the vesting notice is issued by the Company, the Convertible Securities will not be considered to have vested. For the avoidance of doubt, if the vesting conditions relevant to a Convertible Security are not satisfied and/or otherwise waived by the Board, that Convertible Security will lapse.

(h) Exercise of Options and cashless exercise

To exercise a Convertible Security, the Participant must deliver a signed notice of exercise and, subject to a cashless exercise of Convertible Securities (see below), pay the exercise price (if any) to or as directed by the Company, at any time prior to the earlier of any date specified in the vesting notice and the expiry date as set out in the invitation.

An invitation may specify that at the time of exercise of the Convertible Securities, the Participant may elect not to be required to provide payment of the Convertible Security exercise price for the number of Convertible Securities specified in a notice of exercise, but that on exercise of those Convertible Securities the Company will transfer or issue to the Participant that number of Shares equal in value to the positive difference between the Market Value of the Shares at the time of exercise and the exercise price that would otherwise be payable to exercise those Convertible Securities.

"Market Value" means, at any given date, the volume weighted average price per Share traded on the ASX over the 5 trading days immediately preceding that given date, unless otherwise specified in an invitation.

A Convertible Security may not be exercised unless and until that Convertible Security has vested in accordance with the Plan rules, or such earlier date as set out in the Plan rules.

(i) Delivery of Shares on exercise of Convertible Securities

As soon as practicable after the valid exercise of a Convertible Security by a Participant, the Company will issue or cause to be transferred to that Participant the number of Shares to which the Participant is entitled under the Plan rules and issue a substitute certificate for any remaining unexercised Convertible Securities held by that Participant.

(j) Forfeiture of Convertible Securities

Where a Participant who holds Convertible Securities ceases to be an Eligible Participant or becomes insolvent, all unvested Convertible Securities will automatically be forfeited by the Participant, unless the Board otherwise determines in its discretion to permit some or all of the Convertible Securities to vest.

Where the Board determines that a Participant has acted fraudulently or dishonestly, acted negligently, acted in contravention of a certain Group policy or wilfully breached his or her duties to the Group (including but not limited to breaching a material term of an employment, executive services or consultancy agreement), the Board may in its discretion deem all unvested Convertible Securities held by that Participant to have been forfeited.

Unless the Board otherwise determines, or as otherwise set out in the Plan rules:

- (i) any Convertible Securities which have not yet vested will be forfeited immediately on the date that the Board determines (acting reasonably and in good faith) that any applicable vesting conditions have not been met or cannot be met by the relevant date; and
- (ii) any Convertible Securities which have not yet vested will be automatically forfeited on the expiry date specified in the invitation.

(k) Change of control

If a change of control event occurs in relation to the Company, or the Board determines that such an event is likely to occur, the Board may in its discretion determine the manner in which any or all of the Participant's Convertible Securities will be dealt with, including, without limitation, in a manner that allows the Participant to participate in and/or benefit from any transaction arising from or in connection with the change of control event.

(l) Rights attaching to Plan Shares

All Shares issued or transferred to a Participant upon the valid exercise of a Convertible Security (**Plan Shares**) will rank pari passu in all respects with the Shares of the same class. A Participant will be entitled to any dividends declared and distributed by the Company on the Plan Shares and may participate in any dividend reinvestment plan operated by the Company in respect of Plan Shares. A Participant may exercise any voting rights attaching to Plan Shares.

(m) Disposal restrictions on Plan Shares

If the invitation provides that any Plan Shares are subject to any restrictions as to the disposal or other dealing by a Participant for a period, the Board may implement any procedure it deems appropriate to ensure the compliance by the Participant with this restriction.

For so long as a Plan Share is subject to any disposal restrictions under the Plan, the Participant will not:

- (i) transfer, encumber or otherwise dispose of, or have a security interest granted over that Plan Share; or
- (ii) take any action or permit another person to take any action to remove or circumvent the disposal restrictions without the express written consent of the Company.

(n) Adjustment of Convertible Securities

If there is a reorganisation of the issued share capital of the Company (including any subdivision, consolidation, reduction, return or cancellation of such issued capital of the Company), the rights of each Participant holding Convertible Securities will be changed to the extent necessary to comply with the Listing Rules applicable to a reorganisation of capital at the time of the reorganisation.

If Shares are issued by the Company by way of bonus issue (other than an issue in lieu of dividends or by way of dividend reinvestment), the holder of Convertible Securities is entitled, upon exercise of the Convertible Securities, to receive an allotment of as many additional Shares as would have been issued to the holder if the holder held Shares equal in number to the Shares in respect of which the Convertible Securities are exercised.

Unless otherwise determined by the Board, a holder of Convertible Securities does not have the right to participate in a pro rata issue of Shares made by the Company or sell renounceable rights.

(o) Participation in new issues

There are no participation rights or entitlements inherent in the Convertible Securities and holders are not entitled to participate in any new issue of Shares of the Company during the currency of the Convertible Securities without exercising the Convertible Securities.

(p) Amendment of Plan

Subject to the following paragraph, the Board may at any time amend any provisions of the Plan rules, including (without limitation) the terms and conditions upon which any Securities have been granted under the Plan and determine that any amendments to the Plan rules be given retrospective effect, immediate effect or future effect.

No amendment to any provision of the Plan rules may be made if the amendment materially reduces the rights of any Participant as they existed before the date of the amendment, other than an amendment introduced primarily for the purpose of complying with legislation or to correct manifest error or mistake, amongst other things, or is agreed to in writing by all Participants.

(q) Plan duration

The Plan continues in operation until the Board decides to end it. The Board may from time to time suspend the operation of the Plan for a fixed period or indefinitely, and may end any suspension. If the Plan is terminated or suspended for any reason, that termination or suspension must not prejudice the accrued rights of the Participants.

If a Participant and the Company (acting by the Board) agree in writing that some or all of the Securities granted to that Participant are to be cancelled on a specified date or on the occurrence of a particular event, then those Securities may be cancelled in the manner agreed between the Company and the Participant.
