## **ABOUT HARMONEY**

Harmony is an online direct personal lender that operates across Australia and New Zealand providing customers with unsecured personal loans that are easy to access, competitively priced (using risk-adjusted interest rates) and accessed 100% online.

Harmony's purpose is to help people achieve their goals through financial products that are fair, friendly, and simple to use.

Harmony's proprietary digital lending platform, Stellare®, facilitates its personalised loan product with applications processed and loans typically funded within 24 hours of acceptance by the customer. Stellare® applies a customer's individual circumstance to its data-driven, machine learning credit scorecard to deliver automated credit decisioning and accurate risk-based pricing.

### **Business fundamentals**

- Harmony provides risk based priced unsecured personal loans of up to \$70,000 for three or five year periods to customers across Australia and NZ
- Its direct-to-consumer and automated loan approval system is underpinned by Harmony's scalable Stellare® proprietary technology platform
- A large percentage of Harmony's originations come from 3R™ (repeat) customers
- Harmony is comprised of a team of ~80 full-time employees predominantly based in NZ, half of whom comprise engineering, data science and product professionals
- Harmony is funded by a number of sources including two "Big-4" bank warehouse programs across Australia and New Zealand and a further warehouse facility from M&G Investments.
