Santos dividends are determined and declared in US dollars. However, shareholders will receive their dividend in Australian dollars unless they have elected to receive their dividend in a US bank account, in which case they will receive their dividend in USD. Shareholders can elect to receive their dividend in USD and need to elect a US financial institution account to do so.

Conversion of the USD declared amount to Australian dollars will be based on the foreign exchange rate determined by Santos on the record date of Monday 23 August 2021.

Shareholders with a bank account located outside of the United States and Australia may elect to receive their dividend electronically in their local currency using the share registry's International Payments Service. For a list of currencies offered and how to subscribe to the service, shareholders should contact Boardroom on 1300 096 259 (within Australia) or + 61 2 8016 2832 (outside Australia), or by accessing their shareholding online via www.investorserve.com.au.

Shareholders must make an election to alter their dividend currency on or before the record date of Monday 23 August 2021 by contacting Santos' share registry, Boardroom, via the methods stated above, or by accessing their shareholding online via www.investorserve.com.au.
