

## CLARIFICATION ANNOUNCEMENT

**27 August 2021:** 3D Metalforge (ASX: 3MF) (“3D Metalforge” or the “Company”), would like to clarify the announcement dated 26 August 2021 titled ‘3MF Partners with Par Pacific to Capture the Benefits of AM’. The Company would like to clarify that the partnership is non-binding. The initial phase, being field testing, is expected to be completed within 3-6 months after which and subject to successful field testing, the Company intends to enter into a binding contract to introduce 3D manufactured parts into Par Pacific’s regular supply chain. The Company will continue to update the ASX as further information becomes available.

- ENDS -

This announcement has been approved for release by the Managing Director of 3D Metalforge Limited.
