

Full Year Results Presentation FY2021

31 August 2021

Disclaimer

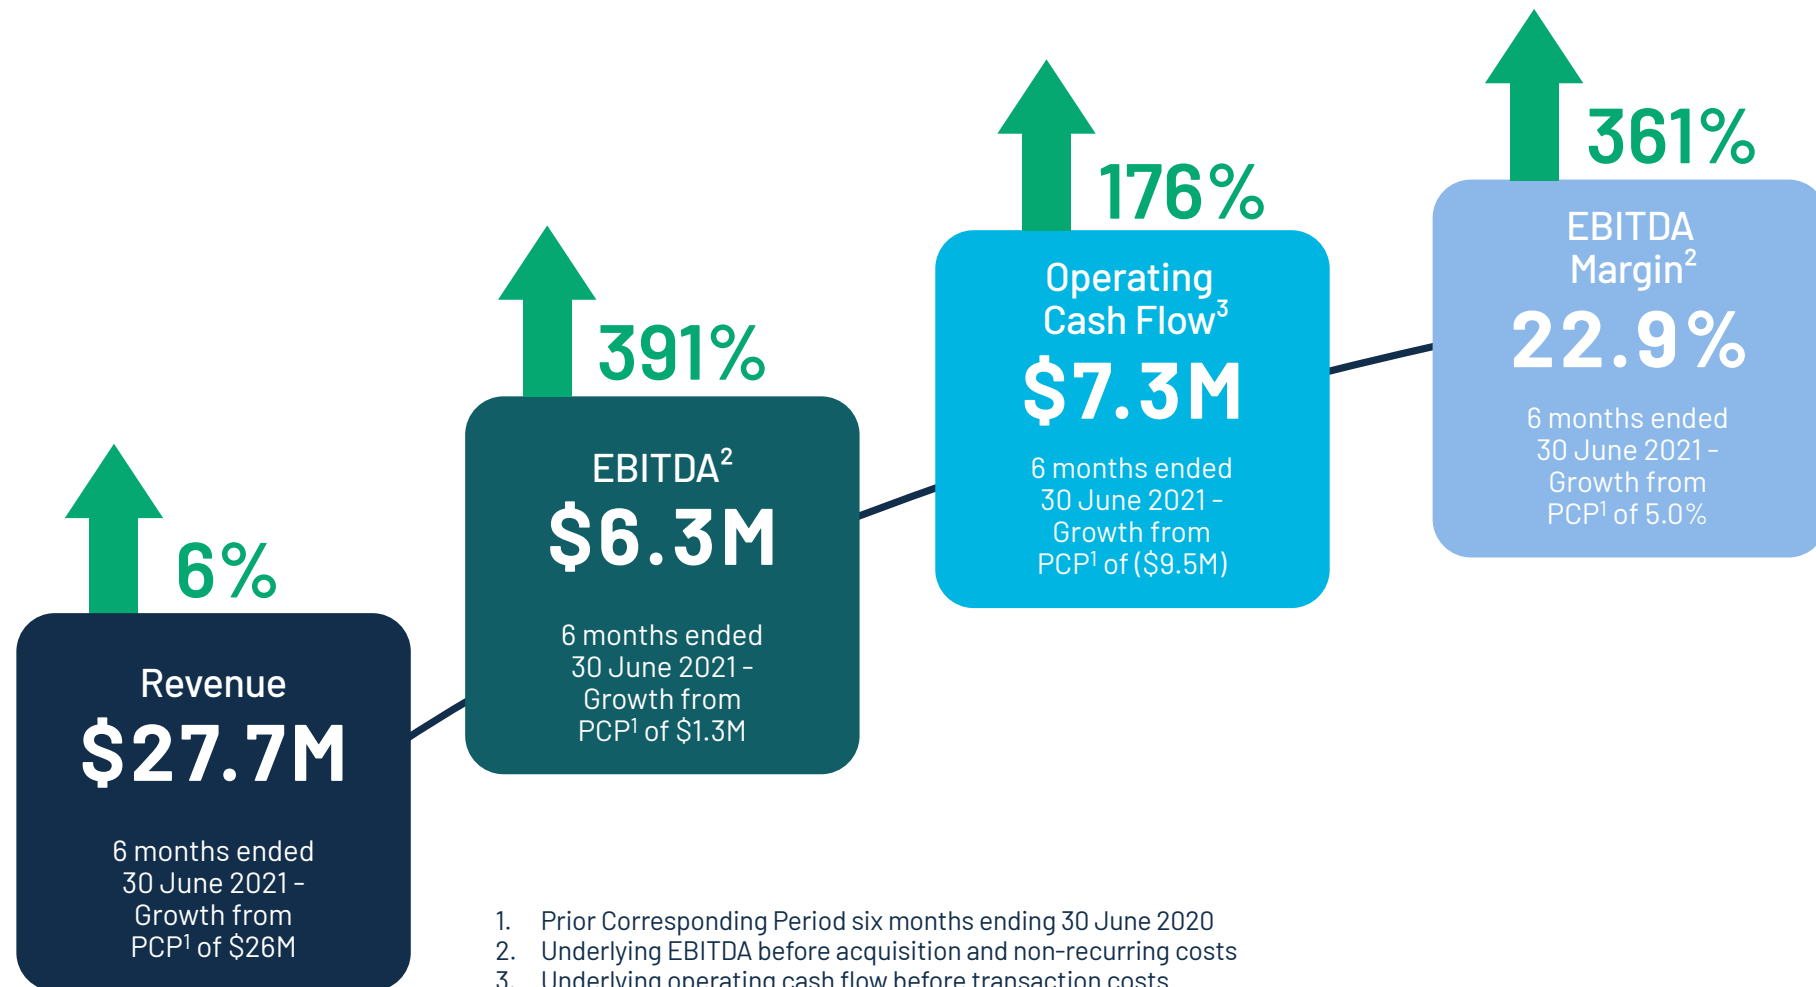

This presentation contains certain statements that may constitute forward-looking information under applicable securities laws. All statements, other than those of historical fact, which address activities, events, outcomes, results, developments, performance or achievements that Webcentral Group anticipates or expects may or will occur in the future (in whole or in part) should be considered forward-looking information. In some cases, forward-looking information is identified by the use of terms and phrases such as “anticipate”, “believe”, “could”, “estimate”, “expect”, “intend”, “may”, “plan”, “predict”, “project”, “will”, “would”, and similar terms and phrases, including references to assumptions. Such information may involve, but is not limited to, comments with respect to expectations, planned operations or future actions. These forward-looking statements are based on currently available information as of the date of this presentation but are subject to known and unknown risks, uncertainties and other factors that may cause actual results, performance or achievements to be materially different from those expressed or implied by such forward-looking information. The forward-looking information contained in this presentation is expressly qualified by this cautionary statement.

A number of risks, uncertainties and other factors could cause actual results to differ materially from the results discussed in the forward- looking information, including, but not limited to, the following: risks associated with reliance on key personnel; financial health of Webcentral Group and its related cash flows; general industry and market conditions and growth rates; legislative and regulatory developments; general economic conditions and levels of economic activity; global financial conditions; financing risks; degree of competition in the industry; risks associated with the development of projects; changes in employee relations; and control of costs and expenses.

Forward-looking information reflects Webcentral Group’s current beliefs and is based on information currently available to Webcentral Group and on assumptions it believes to be reasonable. The forward-looking information is made as of the date of this presentation and Webcentral Group assumes no obligation to update or revise such information to reflect new events or circumstances, except as may be required by applicable law. Prospective investors should not read forward-looking information as guarantees of future performance or results and should not place undue reliance on forward-looking information. Nothing in this presentation is, or should be relied upon as, a promise or representation as to the future.

The results presented for the year ended 30 June 2021 are unaudited and subject to change following completion of the audit for the year ended 30 June 2021 by the company’s auditors.

EBITDA %	-30%	14%	23%
Underlying EBITDA	1.3	4.3	6.3

1. \$9.1m customer revenue was reversed in the 6 months to June 20 following settlement of a customer dispute.

The financial year for Webcentral Group Limited changed to June from December, therefore the Group's FY21 financial statements are for the 18 month period ended 30 June 2021.

- WCG board change and 5GN Executive control from Nov 20

- Domains, Email and Hosting revenue decline due to TPP Wholesale business separation and expected to move to growth with improvement in customer support and back-end systems and migration of hosting to 5GN cloud infrastructure

- Digital income impacted by COVID-19
- Other income declining due to completion of TSA agreements

1. Before transaction costs of \$2.6 million

Strategic Plan Focussed on Acquisitions and Organic Growth

1. Unaudited

Compelling Strategic Rationale for 5GN Merger

Increased ASX Market Capitalisation	<ul style="list-style-type: none">• The merger of Webcentral and 5GN will create a larger entity with a single shareholder base propelling the company towards ASX300 status• Significant increase in Market Capitalisation to approximately \$300M¹• Potential inclusion in ASX Market Indices
Improved Ability to Acquire and Grow	<ul style="list-style-type: none">• Strengthened and expanded balance sheet to facilitate acquisitions of public or private enterprises• Expanded offering and numerous cross selling opportunities across a broad range of products & services• New product releases into 5GN's 330,000+ strong customer base: OX Mail, C Panel, VPS, Wordpress and VBO, NBN, Streaming
Simpler Capital Structure	<ul style="list-style-type: none">• Simpler capital structure with one shareholder base and one debt provider• Removal of the 5GN loan to Webcentral (current balance \$26 million)
Simpler Sales Delivery	<ul style="list-style-type: none">• Simplification of our sales delivery to 330,000+ customers across Government, enterprise, wholesale and small/medium businesses through a combined online portal.
Cost Synergies	<ul style="list-style-type: none">• Further cost synergies estimated at \$2M from:<ul style="list-style-type: none">• the consolidation of operating platforms;• corporate cost rationalisation from the elimination of one listed company and duplicated costs;• labour synergies from the elimination of duplicated roles and functions.

1. Based on Proforma post-merger shares of 314M, Proforma EBITDA of \$20M and an assumed EBITDA valuation multiple of 15 times

Summary of the Merger with 5GN

Merger transaction	<ul style="list-style-type: none">• 100% Scrip Offer with Webcentral to acquire 100% of the share capital of 5GN by way of a 5GN Recommended Scheme of Arrangement (the Merger)• 5GN shareholders to receive 2 Webcentral shares for each 5GN share held
Financial Profile	<ul style="list-style-type: none">• Proforma Revenue of \$110M¹• Proforma EBITDA Margin 20%+²• Conservative leverage profile maintained with proforma leverage of approximately 0.4 times 3
Unanimous 5GN Independent Board Recommendation	<ul style="list-style-type: none">• 5GN Independent Board unanimously recommend that its Shareholders vote in favour of the Merger, and all 5GN Directors intend to cause any 5GN Shares in which they have a relevant interest to be voted in favour of the Merger, subject to an Independent Expert concluding that the proposed transaction is in the best interests of 5GN Shareholders and in the absence of a Superior Proposal
Timing	<ul style="list-style-type: none">• 5GN expected to issue Scheme Booklet to 5GN Shareholders in September 2021• The 5GN Shareholders' Meeting is expected to be held in October 2021• Completion of the Merger is expected by October/early November 2021
