<sup>1</sup> "Corporate governance statement" is defined in Listing Rule 19.12 to mean the statement referred to in Listing Rule 4.10.3 which discloses the extent to which an entity has followed the recommendations set by the ASX Corporate Governance Council during a particular reporting period.

Listing Rule 4.10.3 requires an entity that is included in the official list as an ASX Listing to include in its annual report either a corporate governance statement that meets the requirements of that rule or the URL of the page on its website where such a statement is located. The corporate governance statement must disclose the extent to which the entity has followed the recommendations set by the ASX Corporate Governance Council during the reporting period. If the entity has not followed a recommendation for any part of the reporting period, its corporate governance statement must separately identify that recommendation and the period during which it was not followed and state its reasons for not following the recommendation and what (if any) alternative governance practices it adopted in lieu of the recommendation during that period.

Under Listing Rule 4.7.4, if an entity chooses to include its corporate governance statement on its website rather than in its annual report, it must lodge a copy of the corporate governance statement with ASX at the same time as it lodges its annual report with ASX. The corporate governance statement must be current as at the effective date specified in that statement for the purposes of Listing Rule 4.10.3.

Under Listing Rule 4.7.3, an entity must also lodge with ASX a completed Appendix 4G at the same time as it lodges its annual report with ASX. The Appendix 4G serves a dual purpose. It acts as a key designed to assist readers to locate the governance disclosures made by a listed entity under Listing Rule 4.10.3 and under the ASX Corporate Governance Council's recommendations. It also acts as a verification tool for listed entities to confirm that they have met the disclosure requirements of Listing Rule 4.10.3.

The Appendix 4G is not a substitute for, and is not to be confused with, the entity's corporate governance statement. They serve different purposes and an entity must produce each of them separately.

<sup>2</sup> Tick whichever option is correct and then complete the page number(s) of the annual report, or the URL of the web page, where your corporate governance statement can be found. You can, if you wish, delete the option which is not applicable.

<sup>3</sup> Throughout this form, where you are given two or more options to select, you can, if you wish, delete any option which is not applicable and just retain the option that is applicable. If you select an option that includes "OR" at the end of the selection and you delete the other options, you can also, if you wish, delete the "OR" at the end of the selection.

See notes 4 and 5 below for further instructions on how to complete this form.

The Board has established policies and procedures that apply to the appointment of new Directors, which include checks as to the person’s character, experience, education and appropriate background checks. At any AGM the Company provides shareholders with all material information in its possession relevant to a decision on whether or not to elect or re-elect a director.

### **1.3 Companies should have a written agreement with each director and executive setting out the terms of their appointment**

Non-executive Directors are provided a formal letter of appointment which sets out their duties and responsibilities, rights and remuneration entitlements. Executives Directors are employed under executive service agreements which set out their terms of employment including details of their duties, responsibilities, rights and remuneration entitlements.

### **1.4 The company secretary of a listed entity should be accountable directly to the Chair of the Board for matters relevant to the Board**

The appointment and removal of a Company Secretary is a matter reserved for decision by the Board.

The company secretary has a direct line of communication with all directors and is responsible for supporting the proper functioning of the Board which includes providing advice on governance and procedural issues, the preparation of Board papers and minutes, attendance at Board meetings and maintaining policies and procedures.

### **1.5 Companies should have a policy concerning diversity and disclose that policy, together with measurable objectives for achieving gender diversity and its progress towards achieving those objectives**

The Company has not established a formal policy in relation to diversity. The board believes that given the size and nature of the Company’s activities, and the existing diversity profile of the organisation, that an informal approach is appropriate at this time. Senior management roles and positions are filled by the best candidates available without discrimination. The Company aims to increase diversity in senior appointments as positions and appropriate candidates become available.

The Company is committed to a workplace environment that promotes diversity and recognises the key competitive benefits of recruiting, developing and retaining a talented, diverse and motivated workforce. The board recognises the benefits of diversity at board level, senior management level and within the organisation generally and recognises the organisational strengths, deeper problem solving ability and opportunity for innovation that diversity may bring.

The Company will review this position annually and, as activities expand, plans to establish a formal diversity policy and set measurable objectives for achieving diversity in relation to gender.

The proportion of women employees in the organisation as of 30 June 2021 is:

#### 1.6 Companies should disclose the process for evaluating the performance of the Board, its committees and individual Directors

The performance of all Directors is reviewed by the Chairman on an ongoing basis and any director whose performance is considered unsatisfactory is asked to retire. The Chairman's performance is reviewed by the other board members. The Company has established guidelines to identify the measurable and qualitative indicators of the Director's performance during the course of the year. Those guidelines include:

- Attendance at all board meetings. Missing more than three consecutive meetings without reasonable excuse will result in that Director's position being reviewed; and
- Attendance at the Company's Shareholder Meetings. Non-attendance without reasonable excuse will result in that Director's position being reviewed.

The performance review for the year was conducted on an informal basis

The Remuneration Committee is chaired by independent director Richard Monti, with Wayne Trumble also a member. The Company secretary Daniel Davis is the third member and as a result the Remuneration Committee doesn't fully comply with Recommendation 8.1.
