Under the ALL a2 Plan 2019, an eligible employee may make annual or monthly contributions of up to AUD 2,000 (or foreign currency equivalent) to fund the acquisition of fully paid ordinary shares. For each acquired share, a participant will receive a matching right, i.e. a right to one additional share (subject to customary adjustments). Each matching right is conditional on the participant continuing to hold the beneficial interest in the acquired share up to 30 September 2021 and remaining an eligible employee throughout the holding period of 1 October 2019 to 30 September 2021. As soon as practicable after the end of the holding period, the entity must satisfy a vested matching right by issuing a share to the participant, causing an existing share to be transferred to the participant or paying the cash equivalent of the then prevailing market value of a share (as determined by the entity).
