## Ingenia successfully completes institutional component of \$475 million Equity Raising

### Highlights

- Significant institutional support for 1 for 4.24 accelerated non-renounceable pro rata entitlement offer to raise approximately \$475 million (Equity Raising) - institutional component raising approximately \$370 million
- Equity Raising will be used to partially fund approximately \$552 million<sup>1</sup> of strategic acquisitions
- Offer Booklet for retail component of entitlement offer to be dispatched on 8 November 2021

Ingenia Communities Group (ASX:INA) (Ingenia or the Group) today announced the successful completion of the institutional component of the Equity Raising at an issue price of \$6.12 per security (Institutional Entitlement Offer). There was a strong demand from the Group's institutional investors, both domestic and international, with new investors supplementing this demand. Approximately 92% of eligible entitlements in the Institutional Entitlement Offer were taken up by existing Ingenia securityholders.

Securities issued under the Institutional Entitlement Offer will rank equally with existing fully paid ordinary securities. Trading in the new securities issued under the Institutional Entitlement Offer is expected to occur on 15 November 2021.

The Group's largest securityholder, Sun Communities, has fully participated in the Institutional Entitlement Offer.

Ingenia's Chief Executive Officer, Simon Owen, said he was very pleased to see such strong participation from the institutional component of the register with both domestic and international investors well represented.

"The success of the institutional component of the entitlement offer indicates ongoing support from our investors and the market for our strategy. This capital raising allows us to continue to grow in key markets - through the acquisition of additional communities and development sites concentrated in our key Victorian and South-Eastern Queensland markets," Mr Owen said.

<sup>1</sup> Excluding transaction costs. Acquisitions include \$404 million of contracted assets and a further circa \$148 million under offer or due diligence.

The funds raised from the Equity Raising will be deployed to partially fund approximately \$552 million of strategic acquisitions (Acquisitions), including the contracted acquisitions of Seachange Group, Caravan Parks of Australia, and a lifestyle greenfield development site in metropolitan Brisbane. Additional acquisitions, comprising five mature assets (three lifestyle communities and two holiday parks) in NSW and VIC and a partially completed lifestyle community in QLD, are currently under exclusive offer or due diligence. A summary of the Acquisitions can be found in Ingenia's ASX announcement lodged on 1 November 2021 in respect of the Acquisitions and Equity Raising.

The Acquisitions will consolidate Ingenia's position as a leader in the lifestyle and holiday communities sector.

"In an increasingly competitive market we have continued to demonstrate the value of our team in delivering ongoing deal flow and investment opportunities for the Group. In addition to expanding our rental base, the transaction enhances our development capacity, allowing us to accelerate development as a key driver of future growth," Mr Owen said.

Documentation for the retail component of the Equity Raising (Retail Entitlement Offer), is expected to be dispatched to eligible retail securityholders on 8 November 2021. Eligible retail securityholders are those with a registered address in Australia or New Zealand on the record date of 3 November 2021 at 7:00pm (AEDT). Ingenia will separately release copies of the Offer Booklet and Letter to Ineligible Securityholders.

Jarden Australia Pty Limited, Goldman Sachs Australia Pty Ltd and UBS AG, Australia Branch were Joint Lead Managers and Underwriters in relation to the Equity Raising. HWL Ebsworth Lawyers acted as legal adviser and Rimôn Law acted as international counsel to Ingenia.
