19.1 Bonus issues

- (a) If Securities are issued by way of a 'bonus issue' (as that term is defined in the ASX Listing Rules) to the holders of Shares, a Participant is entitled, upon vesting of an Option or a Performance Right, to receive in addition to the Plan Share in respect of which the Option or Performance Right vests and without the payment of any further consideration, the number of Securities that the Participant would have received if the Option or Performance Right had vested before the record date for the bonus issue.
- (b) Any additional Securities to which a Participant becomes entitled under clause 19.1 will, until those additional Securities are issued, transferred or allocated to the Participant, be regarded as additional Securities into which the Options and/or Performance Rights may vest for the purposes of any subsequent application of clause 19.1.

19.2 Rights issue

If there is a 'pro rata issue' (as that term is defined in the ASX Listing Rules, except a bonus issue) to the holders of Shares, the exercise price of each Option shall be reduced according to the formula set out in Rule 6.22.2 of the Listing Rules.

19.3 Reorganisation

In the event of any reorganisation (including consolidation, sub-division, reduction, return or cancellation) of the Issued Capital of the Company, the number of Options and/or Performance Rights to which each Participant is entitled, and/or the Exercise Price of the Options (if any), will be changed in accordance with the Listing Rules.

19.4 Notification of adjustments

Upon any adjustment being made pursuant to this clause 19, the Board will notify each Participant (or his or her legal personal representative where applicable) in writing,

informing them of the number of Options and/or Performance Rights (and issuing new Certificate(s) in those circumstances) and/or Plan Shares held by the relevant Participant.

19.5 Limited right to participate in new issues

Subject to clauses 19.1, 19.2 and 19.4, during the currency of any Options and/or Performance Rights and prior to their vesting, Participants are not entitled to participate in any new issue of Securities of the Company as a result of their holding Options and/or Performance Rights.

19.6 Fairness in application

In the application of this clause 19, the Board may (as far as possible) make whatever adjustments it deems necessary or desirable to ensure that the consequences of that application are fair as between the Participants and the holders of other securities in the Company subject to the Listing Rules.

20. Contravention of Applicable Laws

No act will be done or determination made in accordance with these Rules where to do so would be a breach of any Applicable Laws, and where any such act is done or determination made it will be considered void and to the extent possible be unwound and of no effect in respect of Options, Performance Rights and/or Plan Shares.

21. Administration of the Plan

21.1 Regulations

The Board may make such regulations for the operation of the Plan as it considers necessary, provided such regulations are consistent with these Rules.

21.2 Delegation

- (a) The Board may delegate any of its powers or discretions conferred on it by these Rules to a committee of the Board or to any one or more persons selected by it, including but not limited to the company secretary.
- (b) Any delegation will be for such period and upon such terms and conditions as determined by the Board from time to time.

21.3 Decisions final

Every exercise of a discretion by the Board (or its delegates) and any decision by the Board (or its delegates) regarding the interpretation, effect or application of these Rules will be final, conclusive and binding.

21.4 Notice

- (a) Address for service:
 - (i) any notice required to be given to the Participants under the Plan or the terms of the Options or Performance Rights granted will be sent to the address of the Participant as entered in the register unless delivered in person; and

- (ii) any notice required to be given to the Company under the Plan or the terms of the Options or Performance Rights granted will be sent to the registered office of the Company or such other address as is notified to Participants from time to time.
- (b) Delivery of notices:
 - (i) any notice to be given to Participants may be delivered by hand to the Participant;
 - (ii) any notice to be given to the Company may be delivered by hand or by prepaid post. Notices may also be given to the Company by means of facsimile, email or other mode of electronic delivery to such address as is notified by the Company to the Participant; and
 - (iii) notices delivered to Participants in accordance with the Constitution will be taken to be delivered in accordance with the Constitution. Notices delivered to the Company by pre-paid post will be taken to be delivered if properly addressed and stamped, 48 hours after mailing in Australia and seven days after mailing outside Australia. Notices delivered by facsimile, email or other mode of electronic delivery will be taken to be delivered on receipt of a successful transmission notice, return receipt or such other confirmation by which the sender can reasonably verify delivery.

22. Plan amendment

22.1 Amendment of Plan

- (a) Subject to clause 22.2, the Listing Rules and the Constitution, the Board may at any time amend these Rules or the terms and conditions upon which any Options and/or Performance Rights have been issued under the Plan.
- (b) No amendment to these Rules or to Options and/or Performance Rights granted under the Plan may be made if the amendment materially reduces the rights of any Participant in respect of Options or Performance Rights granted to them prior to the date of the amendment, other than:
 - (i) an amendment introduced primarily:
 - (A) for the purposes of complying with or conforming to present or future legislation governing or regulating the Plan or like plans;
 - (B) to correct any manifest error or mistake;
 - (C) to allow the implementation of a trust arrangement in relation to the holding of Plan Shares granted under the Plan;
 - (D) for the purpose of complying with the Applicable Laws; and/or
 - (E) to take into consideration possible adverse taxation implications in respect of the Plan including changes to applicable taxation legislation or the interpretation of that legislation by a court of competent jurisdiction or any rulings from taxation authorities administering such legislation; or
 - (ii) an amendment agreed to in writing by the Participant(s).

- (c) Subject to the Listing Rules, the Board may determine that any amendment to these Rules or the terms of Options and/or Performance Rights granted under the Plan be given retrospective effect.
- (d) Amendment of these Rules or the terms and conditions upon which Options and/or Performance Rights are granted under the Plan by the Board will be of immediate effect unless otherwise determined by the Board.
- (e) As soon as reasonably practicable after making any amendment to these Rules or the terms and conditions of Options and/or Performance Rights granted under the Plan, the Board will give notice of the amendment to any Participant affected by the amendment. Failure by the Board to notify a Participant of any amendment will not invalidate the amendment as it applies to that Participant.

22.2 Amendment by addendum

Subject to any other provision of these Rules, the Board may from time to time amend the terms of this Plan as they will apply to Participants in particular jurisdictions or circumstances by means of an addendum to these Rules.

23. Termination or suspension

23.1 Termination or suspension

Subject to clause 23.2, the Board may at any time terminate the Plan or suspend the operation of the Plan for such period or periods as it thinks fit.

23.2 Resolution to terminate, suspend, supplement or amend

In passing a resolution to terminate or suspend the operation of the Plan, the Board must consider and endeavour to ensure that there is fair and equitable treatment of all Participants.

24. No employment contract

Nothing in these Rules or the terms of any Option or Performance Right:

- (b) confers on an Eligible Employee or a Participant the right to continue as an employee or officer of a member of the Group (as the case may be);
- (c) affects the rights of a company in the Group to terminate the employment or office of an Eligible Employee or a Participant (as the case may be);

- (e) confers any legal or equitable right on an Eligible Employee or a Participant whatsoever to take action against any member of the Group in respect of their office or employment; or
- (f) confers on an Eligible Employee or a Participant any rights to compensation or damages in consequence of the termination of their employment or office by a

member of the Group for any reason whatsoever including ceasing to have rights under the Plan as a result of such termination.

25. Regulatory relief

Notwithstanding any other provisions of the Plan, every covenant or other provisions set out in an exemption or modification granted from time to time by ASIC in respect of the Plan or which applies to the Plan pursuant to their power to exempt and modify the Corporations Act, and required to be included in the Plan in order for that exemption or modification to have full effect, is deemed to be contained in the Plan. To the extent that any covenant or other provision deemed by this clause 25 to be contained in the Plan is inconsistent with any other provision in the Plan, the deemed covenant or other provision will prevail.

26. Non-exclusivity

26.1 Non-exclusivity

This Plan will not be deemed to be the exclusive method of providing incentive compensation to Eligible Employees, nor will it preclude any member of the Group from authorising or approving other forms of incentive compensation for employees of any member of the Group.

26.2 Relationship to other equity plans

Participation in this Plan will not affect or be affected by any participation in any other employee equity plan operated by any member of the Group, except as specifically provided in the terms of that other plan.
