ASX ANNOUNCEMENT

24 November 2021

Financing Agreement With ALTI LLC

Pacific Current Group Limited (ASX:PAC, Pacific Current), a global multi-boutique asset management firm, has entered into an agreement that will allow PAC to make an investment of up to US\$3m into ALTI LLC (ALTI) to support its growth.

ALTI, founded in 2019, is a US-based investment manager whose mission is to broaden access to institutional private equity investments for individual investors. The firm focuses on creating registered investment vehicles and allocating capital to direct private equity co-investments alongside institutional private equity firms.

PAC Vice President, Curtis Yasutake stated that, "PAC is excited to partner with ALTI. There is substantial unmet demand for institutional-quality private equity investments among individual investors. We expect ALTI's products to cater to this demand and believe the firm's approach to private equity investing is differentiated compared to other retail offerings."
