### **About Splitit**

Splitit is a global payment solution provider that enables shoppers to use the credit they’ve earned by breaking up purchases into monthly interest-free instalments using their existing credit card. Splitit enables merchants to improve conversion rates and increase average order value by giving customers an easy and fast way to pay for purchases over time without requiring additional approvals. Splitit serves many of Internet Retailer’s top 500 merchants and is accepted by more than 2,000 e-commerce merchants in over 30 countries and shoppers in over 100 countries. Headquartered in New York, Splitit has an R&D center in Israel and offices in London and Australia. The company is listed on the Australian Securities Exchange (ASX) under ticker code SPT.
