DECMIL WINS \$18M CONTRACT FOR PORT HEDLAND COMMUNITY CENTRE PROJECT

- Decmil secures works with the Town of Port Hedland for the Port Hedland Community Centre
- Contract leverages track record in the construction of non-process infrastructure (buildings) in regional areas.

Decmil Group Limited (ASX: DCG) (“Decmil” or “the Company”) is pleased to announce that it has secured a \$18.1 million contract from the Town of Port Hedland to construct a new Port Hedland Community Centre building complex.

The contract is scheduled to be completed in March 2023, with the works to be carried out in staged portions to ensure the uninterrupted running of the 2022 and 2023 horse racing seasons in Port Hedland.

The scope of works under the contract includes the demolition of existing turf club buildings and surrounding structures.

Decmil will then construct a new community building and associated car park, as well as landscaping upgrades, internal road construction and horse stables refurbishment.

Decmil CEO Dickie Dique said “securing this contract was a testament to Decmil’s proven track record of successfully delivering building construction contracts in regional areas”

“We look forward to working closely with the Town of Port Hedland and strengthening our relationship with them and the community through the delivery of the project, and beyond”

This ASX release was authorised by the Decmil Group Limited Board.

About Decmil:

Decmil Group Limited (DGL) offers a diversified range of services to the Australian resources and infrastructure industries. Companies within the group specialise in engineering and construction; accommodation services; and maintenance.
