

MARKET RELEASE

Data#3 expects to report strong 1H FY22 earnings growth**Estimated first half earnings growth of approximately 30%**

BRISBANE, Tuesday 18 January 2022: Australia's leading IT services and solutions provider, Data#3 Limited (ASX: DTL) has advised that its consolidated net profit before tax (NPBT) for the first half of FY22 is expected to be slightly ahead of the top end of the \$15 to \$18 million guidance range provided at the AGM in October 2021.

Subject to finalising the interim accounts and the audit review, 1H FY22 NPBT and earnings per share are expected to be approximately 30% higher than the record 1H FY21 results.

The Board intends to announce the detailed audited results and interim dividend on 17 February 2022.

The company will present a market briefing on the results starting at 11:30am (AEDT) on 17 February 2022. The following URL will provide access to the live event, and to an archived webcast following the event: <https://webcast.openbriefing.com/8302/>

Approved for distribution by Mr Richard Anderson, Chairman.
