

## FY21 results update and earnings release date

**02 February 2022:** Genworth Mortgage Insurance Australia Limited (Genworth or the Company) (ASX:GMA) provides the following update in relation to its forthcoming FY21 results.

Genworth confirms that 4Q21 saw a continuation of the claims environment experienced in 3Q21, leading to favourable net claims incurred. This included high growth in dwelling prices, falling delinquencies, low numbers of mortgages in possession and low numbers of paid claims.

Given this environment, the Company expects FY21 net claims incurred to be between \$5 million and (\$15) million<sup>1</sup>, with the final amount being subject to a full review of claims reserving by the appointed actuary.

Genworth also confirms that unaudited total investment income was a loss of (\$10.6) million for FY21, including a loss of (\$11.6) million in 2H21. The investment portfolio in 2H21 was negatively impacted by higher unrealised mark to market investment losses due to a rise in Government bond rates.

The financial results are subject to the completion of the external audit and Board approval of the FY21 financial statements.

Genworth expects to announce its financial results for the full year ending 31 December 2021 to the Australian Securities Exchange (ASX) on Friday, 25 February 2022.
