About Ai-Media

Founded in Australia in 2003, technology company Ai-Media has become a global leader in the provision of high-quality live and recorded captioning, transcription and translation services. Its technology platform combines artificial intelligence and human expertise to deliver speech-to-text accuracy in three price points: automated (Lexi), semi-automated (Smart Lexi), and premium (Ai-Live). The company is the biggest captioning provider in the Australian market, with clients including major free-to-air and pay television networks, and has a growing international footprint, with offices in Australia, the US, UK and Canada. Globally, Ai-Media technology delivers 7 million minutes of live and recorded media content, and online events and web streams every month. Ai-Media (ASX: AIM) commenced trading on the ASX on 15 September 2020.
