COURT DISMISSES CHALLENGES TO ENVIRONMENTAL APPROVALS

The Supreme Court of Western Australia today dismissed the two proceedings brought against the Chairman of the Environmental Protection Authority challenging the Pluto LNG and Karratha Gas Plant environmental approvals made in 2019. The proceedings were commenced by the Conservation Council of Western Australia (CCWA).

Woodside welcomes the Court's decisions and continues to progress the Scarborough and Pluto Train 2 projects and the start-up of the Pluto-KGP Interconnector.

Woodside announced on 30 November 2021 that CCWA had commenced separate Supreme Court proceedings challenging the Pluto Train 2 project works approval. A hearing date is yet to be set.
