

Brisbane Floods Class Action (Wivenhoe) – Update

Omni Bridgeway Limited (**Omni Bridgeway**) announces that, in relation to the Brisbane Floods class action, the application to the High Court of Australia for leave to appeal (**Leave Application**) is scheduled to be heard on 12 April 2022.

The Leave Application is seeking leave to appeal against the decision of the Supreme Court of New South Wales Court of Appeal in favour of Seqwater, a state-owned enterprise of Queensland. The Court of Appeal decision reversed the first instance finding of liability against Seqwater in relation to the operation of the Wivenhoe and Somerset Dams in 2011. If the Leave Application is granted, then the High Court will determine the appeal in a separate hearing which is likely to be heard in FY23.

This announcement is authorised for release to the market by the Disclosure Committee.
