#### **About Ecofibre**

Ecofibre is a provider of hemp products in the United States and Australia.

In the United States, the Company produces nutraceutical products for human and pet consumption, as well as topical creams and salves. See [www.anandaprofessional.com](http://www.anandaprofessional.com). The Company also supplies its leading Ananda Hemp CBD products to Australians via the SAS B program. See [www.anandahemp.com.au](http://www.anandahemp.com.au).

In Australia, the Company grows and produces hemp food products including protein powders, de-hulled hemp seed and hemp oil. See [www.anandafood.com](http://www.anandafood.com).

The Company also develops and sells innovative hemp-based textile and other products in the United States. See [www.hempblack.com](http://www.hempblack.com).

The Company owns or controls key parts of the value chain in each business, from breeding, growing and production to sales and marketing. Our value proposition to customers is built on strong brands and quality products.
