QUARTERLY CASH FLOW AND ACTIVITY REPORTING

Academies Australasia Group Limited (ASX: AKG) today released the Quarterly Cash Flow Report for the period 1 January to 31 March 2022, which is attached.

The information is not audited.

During the quarter under review, AKG continued the specific activities mentioned in the report of the Chairman and the Group MD and CEO in the FY21 Annual Report – such as continuing with streamlining of operations, other cost savings measures and expanding course offerings. There has been no significant change in the activities of the AKG group since the FY21 Annual Report.

This is AKG's third Quarterly Cash Flow and Activity Report. For every one of the three quarters, AKG reported positive net cash from operating activities. Net cash from operating activities for the period 1 January to 31 March 2022 was \$5 million.

It would also be relevant to note that AKG has:

- no bank borrowings,
- cash of \$14 million, and
- its full Listing Rule 7.1 placement capacity available to it and can conduct a rights issue or other form of offering on an urgent basis, should it require additional equity capital.
