**About Judo Bank:** Judo Bank is Australia’s first purpose-built challenger bank for small and medium-sized businesses (SMEs) and the first fully licensed Australian bank to IPO in 25 years. Judo was founded by a small group of experienced lending professionals and its purpose is to be the most trusted SME business bank in Australia. The company’s relationship-led lending model, which brings back the craft of relationship banking, is enabled by its legacy free, digital, cloud-based technology architecture. Lending products are originated and distributed through direct and third-party channels and are funded by deposits, wholesale debt and regulatory capital.
