## **Viva Energy completes acquisition of LyondellBasell Australia**

Viva Energy Group Limited (the Company) announced today that it has completed the acquisition of LyondellBasell Australia (LBA), a Geelong-based national polymer manufacturer and distributor which has its production facility located inside the footprint of Geelong Refinery.

LBA is the country's only polypropylene manufacturer, supplying the Australian and New Zealand market with raw material for the production of diverse plastic products ranging from food packaging and medical equipment to polymer bank notes, and serving more than 60 customers across Australia, New Zealand, Asia, India, the Middle East and North America. The business is strongly complementary to Viva Energy's refining operations, with Geelong Refinery's propylene production utilised as the feedstock in LBA's manufacturing operations.

For more information about the LBA business and investment, refer to the ASX release dated 13 April 2022.
