Dear Justin

Cooper Energy Limited – Request for trading halt extension

Cooper Energy Limited (“**Cooper Energy**”) (ASX: COE) requests that the trading halt granted by ASX on today’s date be extended.

The extension is requested in connection with Cooper Energy’s equity raising comprising a fully underwritten institutional placement (“**Placement**”) and a fully underwritten accelerated non-renounceable entitlement offer (“**Entitlement Offer**”) announced today.

Cooper Energy requests that the trading halt remains in place until the earlier of an announcement by Cooper Energy regarding the completion of the Placement and the institutional component of the Entitlement Offer and the commencement of trading on Thursday, 23 June 2022.

Cooper Energy confirms it is not aware of any reason why the extension to the trading halt should not be granted. If you have any further questions, please do not hesitate to contact me.

This request has been authorised for release to the ASX by Mr David Maxwell, the Company's Managing Director.

Yours sincerely,
Cooper Energy Limited
