MONADELPHOUS CONTRACTS UPDATE

Engineering company Monadelphous Group Limited (ASX: MND) (“Monadelphous” or “the Company”) today announced it has secured new contracts and contract extensions in the resources and infrastructure sectors totalling approximately \$220 million.

The Company has secured a number of contracts for work in the Pilbara region of Western Australia, including:

- A five-year contract to provide maintenance, repairs, general shutdown services and minor projects across Fortescue Metals Group’s Pilbara operations;
- A multi-disciplinary contract with Rio Tinto for the construction of a new conveyor at the Tom Price iron ore mine, which is expected to be completed in the first half of 2023; and
- A contract associated with the construction of a pipeline and access road at the Roy Hill Mine site. The work is expected to be completed towards the end of 2022.

Also in Western Australia, Monadelphous has been appointed to a panel to provide coating and concrete repair services at various Water Corporation sites and locations for a term of five years.

Finally, in Queensland, Monadelphous has secured a 12-month extension to its existing contract with BHP Mitsubishi Alliance for the provision of dragline shutdown and maintenance services to its operations in the Bowen Basin.
