Letter to Unitholders

21 July 2022

Dear fellow Unitholder,

Takeover Offer for AIMS Property Securities Fund

Cash Offer of A\$1.25 cash per Unit traded on the ASX and SGX-ST.

As the Director of AIMS Investment Group Holdings Pty Ltd (the **Bidder**), I am pleased to present to you this all-cash offer to acquire some or all of your Units in AIMS Property Securities Fund (**APW**).

The Offer provides investors with an opportunity to divest as much of their unit holding in APW as deemed appropriate, in an orderly manner and without the need to pay brokerage fees, and with the opportunity to receive certain value.

After the end of the Offer Period, we intend to recommend to the Board to remove APW's listing on the official list of SGX-ST.

The Bidder remains committed to maintaining APW's listing on the official list of the ASX, and would encourage investors with a longer term perspective to remain on the ASX register.

On 7 July 2022, AIMS Fund Management Limited, the responsible entity of APW, received a request to call and arrange a meeting of unitholders to consider and vote on a proposed wind up of APW.

The Bidder intends to **VOTE AGAINST** the proposed resolution to wind up APW.

I have advised the Board of AIMS Fund Management Limited which is responsible entity for the AIMS Property Securities Fund (APW) of my Conflict of Interest in respect of the Offer. I have absented myself from all considerations relating to the Offer including but not limited to board meetings and committee meetings, other than those that all directors are required by law to attend to determine a particular matter, and will continue to do so for the duration of the Offer.

About the Offer

The Offer will remain open until 12 September 2022, unless extended or withdrawn.

The offer price is A\$1.25 per Unit traded on the ASX and SGX-ST (**Offer Price**).

For SGX-ST Unitholders:- If you are a CDP Securities Account holder with CDP's Direct Crediting Service, the Currency Conversion Service of the CDP (**CCY**) is automatically provided. If you have not unsubscribed from the CCY, payments to you will be in S\$ based on the currency exchange rate as may be determined by CDP's partner bank in accordance with the CCY. If you wish to receive the Offer Price in A\$, you must unsubscribe from the CCY at least 3 Business Days (SG) before the payment date of the Offer Price.

The Offer is being made by the Bidder, which is wholly owned by the Great World Financial Group Holdings Pty Ltd ATF AIMS Discretionary Trust.

The Offer Price delivers a premium relative to recent trading prices in APW Units. Specifically, the A\$1.25 cash for each Unit listed on the ASX represents:

- 22.55% premium to the last recorded sale price of A\$1.02 with 2,000 Units traded on the ASX on 20 June 2022.

- 17.59% premium to the APW one-month VWAP to the Trading Day prior to the Announcement Date, being A\$1.063 per Unit;
- 11.30% premium to the APW three-month VWAP to the Trading Day prior to the Announcement Date, being A\$1.123 per Unit;
- 7.82% premium to the APW six-month VWAP to the Trading Day prior to the Announcement Date, being A\$1.159 per Unit.

For SGX-ST Unitholders:-

SGX-ST Unitholders represent a small component of the APW register being 6.40% of total Units issued (2,847,073 Units); with only 26,700 Units traded in the six months prior to the Announcement Date.

Please be aware that the calculation of premium/discount to VWAPs below are based on the exchange rate of AUD to SGD stated below.

If there is a significant change in the Singapore dollar compared to the Australian dollar, this will impact on the calculation of premium/discount to VWAPs in terms of Singapore dollar.

The A\$1.25 cash (which is approximately S\$1.20 based on an exchange rate of A\$1.00 : S\$0.9606 for the purposes of the comparison below) for each Unit listed on the SGX-ST represents:

- APW did not trade on the SGX-ST on 20 June 2022.
- 3.94% discount to the last recorded sale price of S\$1.25 with 1,000 Units traded on the SGX-ST was on 30 May 2022.
- 3.94% discount to the APW one-month VWAP to the Trading Day prior to the Announcement Date, being S\$1.250 per Unit;
- 3.94% discount to the APW three-month VWAP to the Trading Day prior to the Announcement Date, being S\$1.250 per Unit;
- 6.35% premium to the APW six-month VWAP to the Trading Day prior to the Announcement Date, being S\$1.129 per Unit.

Importantly, as at the date of this Bidder's Statement, the Offer is **the only offer capable of being accepted by APW unitholders.**

If you accept the Offer for your securities, then you will be paid the earlier of 1 month after the date that the Offer becomes unconditional; and 21 calendar days after the end of the Offer Period.

Details of the Offer, including its terms, are set out in this Bidder's Statement. I strongly encourage APW unitholders to read all of this Bidder's Statement carefully, and then to accept the Offer as soon as possible.

To accept the Offer, you should follow the instructions on the enclosed Acceptance Form. If you require any assistance, please contact the Bidder on 1800 899 888 (within Australia) or +61 2 9217 2796 (outside Australia) or at bidder@aims.com.au.

We look forward to your timely acceptance.

Yours sincerely,

George Wang Director - AIMS Investment Group Holdings Pty Ltd

However, the supplemental deed of APW's constitution removed the payment of performance fees to AIMS Fund Management Limited and as such the Deferred Units will no longer be converted to ordinary Units. A Deferred Unit carries no voting rights and no rights to participate in any distribution from APW.

If APW is to be delisted from ASX and SGX-ST, the Bidder will consider, subject to any approvals and modifications required by the Corporations Act and the ASX Listing Rules being obtained, the Bidder intends to recommend to the Board to cancel the Deferred Units for nil consideration.

Due to amendments noted above in the constitution, the performance fees in relation to deferred units are no longer payable.

5 Sources of consideration

5.1 Total cash consideration

The consideration for the acquisition of the Units to which the Offer relates will be satisfied by the payment of cash in Australian dollars, subject to the CCY detailed at Section 10.9 for SGX-ST Unitholders.

For SGX-ST Unitholders: If you have not unsubscribed from the CCY, payments to you will be in S\$ based on the currency exchange rate as may be determined by CDP's partner bank in accordance with the CCY. If you wish to receive the Offer Price in A\$, you must unsubscribe from the CCY at least 3 Business Days (SG) before the payment date of the Offer Price.

As at the close of trading on 22 June 2022, being the Trading Day prior to the Announcement Date, according to documents provided by APW to the ASX, APW had 44,519,083 Units on issue.

In the event that acceptances are received for all Units on issue (other than those Units owned by the Bidder, being 6,109,845 Units) or the Bidder becomes entitled to and exercises the right of compulsory acquisition under the Corporations Act, the aggregate amount of cash consideration that the Bidder would be required to pay for all APW Units traded on ASX and SGX-ST that are the subject of the Offer would be A\$48,011,547.50 (the **Offer Amount**) plus all associated transaction costs.

5.2 Bidder's funding arrangements

Funds will be provided through any combination of cash contribution, equity subscription, loan arrangement or other debt financial arrangements from Great World Financial Group Pty Ltd.

The Bidder and Great World Financial Group Pty Ltd have entered a funding arrangement dated 22 June 2022. The total amount available to the Bidder under this agreement is sufficient to meet the obligations under the Offer insofar as they relate to the Bidder's payment obligations. The funds can be drawn down on demand and in tranches at the Bidder's discretion. There are no preconditions. Great World Financial Group Pty Ltd has no rights to cancel the funding agreement. The funds are repayable 6 months after the end of the bid period or such other time as the parties agree.

Great World Financial Group Pty Ltd has sufficient cash reserves to fund the Bidder the entire amount the Bidder is required to pay under the Offer (and costs associated with the Offer).

Please note that the Bidder is 100% owned by Great World Financial Group Pty Ltd. Great World Financial Group Pty Ltd is 100% owned by Great World Financial Holdings Pty Ltd ATF AIMS Discretionary Trust.

5.3 Provision of consideration

On the basis of the arrangements described in this section 5, the Bidder believes that it has reasonable grounds for holding the view, and does hold the view, that it will be able to provide the Offer Amount plus all associated transaction costs.

6 Bidder's intentions in relation to APW

6.1 Introduction

In that circumstance, the Bidder's current intentions are as follows:

Corporate matters

The Bidder does not intend to proceed with compulsory acquisition of the outstanding Units in accordance with the provisions of Part 6A.1 of the Corporations Act

The Bidder intends to recommend to the Board to remove APW's listing on the official list of the SGX-ST.

The Bidder remains committed to maintaining APW's listing on the official list of the ASX.

APW's business, assets, and employees

The Bidder has no intention to change APW's current investments, business, structure and operations, and employees.

6.3 Intentions for APW as a part-owned controlled entity

Context

This section describes the Bidder's intentions if the Bidder and its associates acquire a Relevant Interest in more than 50% but less than 90% of APW Units on issue, i.e. APW becomes a controlled entity of the Bidder, but the Bidder is not entitled to proceed to compulsory acquisition in accordance with Part 6A.1 of the Corporations Act.

In that circumstance, the Bidder's current intentions are as follows:

Corporate matters

After the end of the Offer Period, the Bidder intends to recommend to the Board to remove APW's listing on the official list of SGX-ST.

The Bidder remains committed to maintaining APW's listing on the official list of the ASX.

The Bidder has no intention to change APW's investments, business, structure and operations, employees and responsible entity.

6.4 Intentions for APW if not controlled by the Bidder

This section describes the Bidder's intentions if the Bidder and its associates acquire a Relevant Interest in 50% or less of APW Units.

In that circumstance, the Bidder's current intentions are as follows:

Corporate matters

After the end of the Offer Period, the Bidder intends to recommend to the Board to remove APW's listing on the official list of SGX-ST.

The Bidder remains committed to maintaining APW's listing on the official list of the ASX.

The Bidder has no intention to change APW's investments, business, structure and operations, employees and responsible entity.

As at the date of this Replacement Bidder's Statement, ACME Co No 2 Pty Ltd <Long Term Capital Growth Plus Income Fund A/C> and AIMS Real Estate Funds Limited ATF AIMS Total Return Fund have indicated to the Bidder that currently they do not intend to accept into the Bid.

6.6 Bidder's intentions to buy on-market

If permitted by Item 2 of section 611 of the Corporations Act, the Bidder intends to purchase units on-market during the bid period at a price no more than the Offer Price. As the bid is currently subject to a condition, other than as set out in section 652C(1)(2) of the Corporations Act, the Bidder is not currently permitted to purchase units on market.

6.7 Other intentions

Subject to the matters described above in this section and elsewhere in this Bidder's Statement and, in particular, the completion of a review of APW's operations and structure and other opportunities, it is the intention of the Bidder, on the basis of the facts and information concerning APW that are known to it and the existing circumstances affecting the assets and operations of APW at the date of this Bidder's Statement, that the existing business of APW will continue to be conducted in a similar manner as at the date of this Bidder's Statement.

6.8 Limitations on intentions

The intentions and statements of future conduct set out in this section 6 must be read as being subject to:

given that if the Bidder obtains control of APW but does not acquire all of the APW Units, it will be treated as a related party of APW for these purposes;

- (b) the legal obligation of the directors of APW at the time, including any nominees of the Bidder, to act in good faith and in the best interests of the Bidder for proper purposes and to have regard to the interests of all APW Unitholders; and
- (c) the outcome of the reviews referred to in this section 6.

7 Australian tax considerations

7.1 Introduction

The following is a general description of the potential Australian income tax and Goods and Services Tax consequences for APW Unitholders who accept the Offer and who hold their Units on capital account and not as trading stock or otherwise on revenue account.

The taxation consequences for a particular APW Unitholder may vary depending on their own specific circumstances. Accordingly, the following comments, being of a general nature only, does not constitute taxation advice and cannot be relied upon as such.

APW Unitholders should seek appropriate independent professional taxation advice that considers the taxation implications of the Offer to their own specific circumstances.

APW Unitholders who are tax residents of a country other than Australia (whether or not they are also residents, or are temporary residents, of Australia for tax purposes) should take into account the tax consequences under the laws of their country of residence, as well as under Australian law, of acceptance of the Offer.

The following description is based upon the Australian law and administrative practice in effect at the date of this Bidder's Statement. Australian law may be amended at any time and therefore the taxation consequences discussed in this Bidder's Statement may alter if there is a change in the taxation law after the date of this Bidder's Statement.

7.2 Australian resident Unitholders

Unitholders who accept the Offer

Acceptance of the Offer will involve the disposal by APW Unitholders of their Units by way of transfer to the Bidder. This change in the ownership of the Units will constitute a CGT event for Australian CGT purposes.

The date of disposal for CGT purposes will be the date the contract to dispose of the Units is formed. The date the contract to dispose of the Units is formed will be the date that the Offer is accepted.

Compulsory acquisition

If a APW Unitholder does not dispose of their Units under the Offer and their Units are compulsorily acquired in accordance with Part 6A.1 of the Corporations Act, those Unitholders will also be treated as having disposed of their Units for CGT purposes.

The date of disposal for CGT purposes will be the date when the Bidder becomes the owner of the Units.

Calculation of capital gain or capital loss

APW Unitholders may make a capital gain or capital loss on the transfer of Units, to the extent that the capital proceeds from the disposal of the Units are more than the cost base (or in some cases indexed cost base) of those Units. Conversely, APW Unitholders will make a

capital loss to the extent that the capital proceeds are less than their reduced cost base of those Units.

The cost base of the Units generally includes the cost of acquisition and any incidental costs of acquisition and disposal that are not deductible to the Unitholder, and is reduced by any non-assessable distributions.

The aggregate capital proceeds of the capital gains tax event in respect of the Units will include the consideration price of A\$1.25 cash per Unit received by the APW Unitholder in respect of the disposal of the Units.

Individuals, complying superannuation entities or trustees that have for the purposes of the capital gains tax provisions held Units for at least 12 months should be entitled to discount the amount of any capital gain (after application of capital losses) from the disposal of Units by 50% in the case of individuals and trusts or by 33 1/3 % for complying superannuation entities. For trusts, the ultimate availability of the discount may depend on a beneficiary's entitlement to the discount.

Capital gains and capital losses (current and carried forward) of a taxpayer are aggregated to determine whether there is a net capital gain. Capital losses may be applied against non-discounted capital gains first followed by the grossed-up discounted capital gains (i.e. discounted capital gains before the application of the CGT discount). The utilisation of carried forward capital losses may be subject to loss recoupment tests. Any net capital gain is included in assessable income and is subject to income tax. Capital losses may not be deducted against other income for income tax purposes, but may be carried forward to offset against future capital gains.

7.3 Non-resident Unitholders

For an APW Unitholder who:

- is not a resident of Australia for Australian tax purposes; and
- does not hold their Units in carrying on a business through a permanent establishment in Australia,

the disposal of Units will generally only result in Australian CGT implications if the Units are 'indirect Australian real property interests' as that term is defined in section 855-25 of the *Income Tax Assessment Act 1997* (Cth). In this respect, Units of a Unitholder will qualify as 'indirect Australian real property interests' if:

- that Unitholder together with its associates, holds, or has held, 10% or more of the Units at the time of disposal or for any continuous 12-month period within 2 years preceding the disposal; and
- more than 50% of APW's market value is due to direct or indirect interests in Australian real property, which is defined to include a lease of land situated in Australia, and Australian mining and exploration leases and licences.

A Unitholder whose Units qualify as indirect Australian real property interests should obtain independent advice as to the tax implications of sale, and whether any protection will be available under a relevant double tax treaty.

A non-resident APW Unitholder who has previously been a resident of Australia and chose to disregard a capital gain or loss on ceasing to be a resident may be subject to Australian CGT consequences on disposal of the Units as set out in section 7.2.

If as a consequence of the Offer being accepted, APW ceases to qualify as a Managed Investment Trust for tax purposes, foreign resident Unitholders may be subject to higher

withholding tax rates on distributions made from the start of the income year APW ceases to be a managed investment trust.

7.4 Non-resident CGT withholding rules

The Bidder does not expect to withhold any amount from the Offer Price on account of foreign resident capital gains withholding on the basis that the acquisition of each APW Unit will occur through acceptance of the Offer which will result in the acquisition occurring on an approved stock exchange (being, the ASX). The acquisition should therefore be an 'excluded transaction' for the purposes of the foreign resident withholding tax regime.

7.5 Goods and services tax

There should be no GST payable in respect of the sale of APW Units other than any GST payable to your Broker in respect of brokerage charged to you.

7.6 Stamp Duty

No stamp duty should be payable by APW Unitholders on the disposal of APW Units.

8 Singapore tax considerations

8.1 Introduction

The following is a general description of the potential Singapore tax consequences for APW Unitholders who accept the Offer and who hold their Units on capital account and not as trading stock or otherwise on revenue account.

The taxation consequences for a particular APW Unitholder may vary depending on their own specific circumstances. Accordingly, the following comments, being of a general nature only, does not constitute taxation advice and cannot be relied upon as such. The statements made herein do not purport to be a comprehensive or exhaustive description of all of the tax considerations that may be relevant to a decision to accept the Offer.

APW Unitholders should seek appropriate independent professional taxation advice that considers the taxation implications of the Offer to their own specific circumstances.

The statements made herein regarding taxation are general in nature and based on certain aspects of current tax laws of Singapore and administrative guidelines issued by the relevant authorities in force as at the date of this Bidder's Statement and are subject to any changes in such laws or administrative guidelines, or in the interpretation of these laws or guidelines, occurring after such date, which changes could be made on a retrospective basis.

8.2 Singapore resident Unitholders

An individual is a tax resident in Singapore in a year of assessment if, in the preceding year, he was physically present in Singapore or exercised an employment in Singapore (other than as a director of a company) for 183 days or more, or if he resides in Singapore.

Individual taxpayers who are Singapore tax residents are subject to Singapore income tax on income accruing in or derived from Singapore. All foreign-sourced income received in Singapore on or after 1 January 2004 by a Singapore tax resident individual (except for income received through a partnership in Singapore) is exempt from Singapore income tax if the Comptroller of Income Tax in Singapore (the **Comptroller**) is satisfied that the tax exemption would be beneficial to the individual.

A Singapore tax resident individual is taxed at progressive rates ranging from 0.0% to 22.0%. Non-resident individuals, subject to certain exceptions and conditions, are subject to Singapore income tax on income accruing in or derived from Singapore at the rate of 22.0% currently (which is proposed to be increased to 24.0% from the year of assessment (**YA**) 2024 pursuant to the Singapore Budget Statement 2022).

Non-resident individuals, subject to certain exceptions and conditions, are subject to Singapore income tax on income accruing in or derived from Singapore at the rate of 22.0% currently (which is proposed to be increased to 24.0% from YA 2024 pursuant to the Singapore Budget Statement 2022).

A corporate taxpayer is regarded as resident in Singapore for Singapore tax purposes if the control and management of its business is exercised in Singapore.

Corporate taxpayers who are Singapore tax residents are subject to Singapore income tax on income accruing in or derived from Singapore and, subject to certain exceptions, on foreign-sourced income received or deemed to be received in Singapore. Foreign-sourced income in the form of dividends, branch profits and service income received or deemed to be

received in Singapore by Singapore tax resident companies on or after 1 June 2003 are exempt from tax if certain prescribed conditions are met, including the following:

- (a) such income is subject to tax of a similar character to income tax under the law of the jurisdiction from which such income is received; and
- (b) at the time the income is received in Singapore, the highest rate of tax of a similar character to income tax (by whatever name called) levied under the law of the territory from which the income is received on any gains or profits from any trade or business carried on by any company in that territory at that time is not less than 15.0%.

Certain concessions and clarifications have also been announced by the Inland Revenue Authority of Singapore (the **IRAS**) with respect to such conditions.

A non-resident corporate taxpayer is subject to income tax on income that is accrued in or derived from Singapore, and on foreign-sourced income received or deemed received in Singapore, subject to certain exceptions.

The corporate tax rate in Singapore is currently 17.0%. In addition, three-quarters of up to the first S\$10,000 of a company's annual normal chargeable income, and one-half of up to the next S\$190,000, is exempt from corporate tax from YA 2020 onwards. The remaining chargeable income (after the tax exemption) will be fully taxable at the prevailing corporate tax rate.

New companies will also, subject to certain conditions and exceptions, be eligible for tax exemption on three-quarters of up to the first S\$100,000 of a company's annual normal chargeable income, and one-half of up to the next S\$100,000, a year for each of the company's first three YAs from YA 2020 onwards. The remaining chargeable income (after the tax exemption) will be taxed at the applicable corporate tax rate.

8.3 Gains on the Offer

Singapore does not impose tax on capital gains. There are no specific laws or regulations which deal with the characterisation of whether a gain is income or capital in nature. Gains arising from the APW Unitholder's disposal of the Units pursuant to the Offer may be construed to be of an income nature and subject to Singapore income tax, especially if they arise from activities which IRAS regards as the carrying on of a trade or business in Singapore.

APW Unitholders who apply, or who are required to apply, Singapore Financial Reporting Standard (**FRS**) 39, FRS 109 or Singapore Financial Reporting Standards (International) (**SFRS(I)**) 9 (as the case may be) may for the purposes of Singapore income tax be required to recognise gains or losses (not being gains or losses in the nature of capital) in accordance with the provisions of FRS 39, FRS 109 or SFRS(I) 9 (as the case may be) (as modified by the applicable provisions of Singapore income tax law) even though no sale or disposal of the Units is made.

APW Unitholders who may be subject to this tax treatment should consult their accounting and tax advisers regarding the Singapore income tax consequences of the disposal of their Units pursuant to the Offer.

8.4 Stamp Duty

Stamp duty is not applicable to electronic transfers of the Units through the scripless trading system operated by CDP.

8.5 Singapore Goods and Services Tax (GST)

The sale of APW Units by a GST-registered investor belonging in Singapore for GST purposes to another person belonging in Singapore is an exempt supply not subject to GST. Any input GST incurred by the GST-registered investor in making an exempt supply is generally not recoverable from the Singapore Comptroller of GST.

Where the APW Units are sold by a GST-registered investor in the course of or furtherance of a business carried on by such investor contractually to and for the direct benefit of a person belonging outside Singapore, the sale should generally, subject to satisfaction of certain conditions, be considered a taxable supply subject to GST at 0.0%. Any input GST incurred by the GST-registered investor in making such a supply in the course of or furtherance of a business may be fully recoverable from the Singapore Comptroller of GST.

Services consisting of arranging, brokering, underwriting or advising on the issue, allotment or transfer of ownership of the APW Units rendered by a GST-registered person to an investor belonging in Singapore for GST purposes in connection with the investor's purchase, sale or holding of the APW Units will be subject to GST at the standard rate of 7.0%. Similar services rendered by a GST-registered person contractually to and for the direct benefit of an investor belonging outside Singapore should generally, subject to the satisfaction of certain conditions, be subject to GST at 0.0%.

9 Other material information

9.1 Governance protocols to address conflicts of interest

George Wang has recused himself in his role as Executive Chairman of AIMS Fund Management Limited which is responsible entity for the AIMS Property Securities Fund (APW) in respect of all meetings pertaining to this Offer and will continue to do so for the duration of the Offer period.

9.2 For SGX-ST Unitholders:- Discussion of currency exchange rates

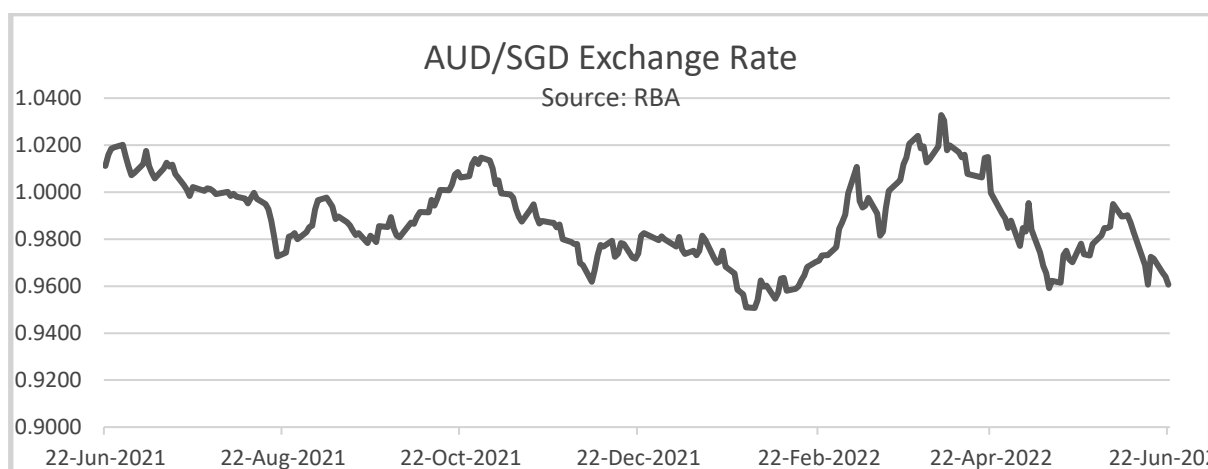

If you are a CDP Securities Account holder with DCS, the CCY is automatically provided. If you have not unsubscribed from the CCY, payments to you will be in S\$ based on the currency exchange rate as may be determined by CDP's partner bank in accordance with the CCY, although the Offer is priced in Australian dollars.

The exchange rates in the CCY are sourced and provided by CDP's partner bank, which are competitively priced. The exchange rate and converted amount for each cash distribution will be reflected online via CDP Internet and account holders' monthly CDP Account Statements.

While CDP strives to provide competitively priced exchange rates to Depositors, there could be instances where the exchange rates are not as expected by you and the exchange rate may be different to the rate that was available on the date you accepted the Offer. **However, a refund will not be granted once a payment is being processed.**

To receive the Offer Price in Australian Dollars, Depositors will have to unsubscribe from the CCY at least 3 Business Days (SG) before the payment date of the Offer Price. Please refer to section 10.9 below for further details.

The chart below shows the movements which have occurred in the Reserve Bank Mid-Point rate 12 months prior to the Announcement Date. You should note that the table reflects historical rates only and is not intended to imply the future direction of Australian to Singapore dollar exchange rates.

If there was a significant change in the value of the Australian dollar compared to the Singapore dollar, this may impact on the value of the Offer price to you. If the Australian dollar appreciated against the Singapore dollar, the value of the Offer price may be higher in Singapore dollar terms, If, instead, the Australian dollar depreciated against the Singapore dollar, the value of the Offer price may be lower in Singapore dollar terms.

The despatch of payment in accordance with the above shall discharge the Bidder and CDP from any liability in respect of those payments.

5. Rights

If Bidder becomes entitled to any Rights as a result of your acceptance of this Offer, it may require you to give to Bidder all documents necessary to vest title to those Rights in Bidder, or otherwise to give Bidder the benefit or value of those Rights. If you do not do so, or if you have received or are entitled to receive (or any previous holder of your Accepted Units has received or is entitled to receive) the benefit of those Rights, Bidder will be entitled to deduct the amount (or an amount equal to the value, as reasonably) assessed by Bidder) of those Rights from any consideration otherwise payable to you under this Offer. If Bidder does not, or cannot, make such a deduction, you must pay that amount to Bidder, except to the extent that Bidder elects to waive its entitlement to those Rights.

10.9 Currency Conversion Service

The Currency Conversion Service (**CCY**) is a conversion and payment service that converts foreign currency cash distributions to S\$ and credit them directly into the CDP direct account holder's active DCS bank account. If you are a CDP Securities Account holder with DCS, the CCY is automatically provided. No action is required from you. You will also have the option to unsubscribe from the CCY at any time.

The consideration under this Offer is priced in A\$. However, for Depositors who have not unsubscribed from the CCY, payments to you will be in S\$ based on the currency exchange rate as may be determined by CDP's partner bank in accordance with the CCY.

If you wish to receive the Offer Price in A\$, you must **UNSUBSCRIBE** from the CCY at least 3 Business Days (SG) before the payment date of the Offer Price. As noted at 10.8 until conditions are fulfilled or waived, the payment date is uncertain. The Bidder will announce the Payment Date as soon as it is determined.

Therefore, for as long as you have not unsubscribed from the CCY, payments to you will be in S\$ based on the currency exchange rate as may be determined by CDP's partner bank in accordance with the CCY. For Depositors who have unsubscribed from the CCY previously but who wish to receive the Offer Price in S\$, you must re-subscribe to the CCY 3 Business Days (SG) before the payment date.

You will be able to unsubscribe or re-subscribe to the CCY via CDP Internet. For details on the DCS and CCY, please visit <https://investors.sgx.com>. For more information on CDP Internet, please visit <https://www.sgx.com/securities/getting-started-with-cdp-internet>.

The Bidder may vary this Offer in accordance with the Corporations Act. If an APW Unitholder has sold its APW Units prior to any such variation, that APW Unitholder will not receive any benefit from the variation.

DIRECTORS' REPORT

FOR THE HALF-YEAR ENDED 31 DECEMBER 2021

Results and Review of Operations (cont.)

The distribution return is calculated on the basis of the gross distribution to Unitholders before deducting any withholding tax which may be applicable. The growth return relates to the movement between closing trade prices on the respective ASX and SGX as at 31 December 2021 and the closing trade prices on 30 June 2021. The market price of the Fund's Units (as represented by the closing trade price) on the ASX as at 31 December 2021 was \$1.22 (30 June 2021: \$1.225). The market price of the Fund's units on the SGX as at 31 December 2021 was SGD\$1.00 (30 June 2021: SGD\$1.02).

Returns have been calculated after fees and assuming reinvestment of distributions within Australia, in accordance with IFSA Standard 6.00 *Product Performance - calculation and presentation of returns*. Reinvestment of distributions is not available to Singaporean Unitholders whose registered address with The Central Depository (Pte) Limited is outside Australia.

Value of the Fund's assets

The Fund's total assets were valued at \$123,990,000 as at 31 December 2021 (30 June 2021: \$122,245,000) in accordance with the accounting policies set out in Note 2 of the interim Financial Report. The net tangible asset value was \$2.78 per ordinary unit (30 June 2021: \$2.74 per unit). The net tangible asset calculation excludes the Deferred Units on issue.

Distributions Paid or Recommended

In May 2020, the Fund announced that due to the uncertainty of the current market conditions as a result of the COVID-19 pandemic, in the best interests of the Fund's Unitholders, the prudent course of action is to cease distributions from the June 2020 quarter onwards.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE HALF-YEAR ENDED 31 DECEMBER 2021

5. Net assets attributable to unitholders (cont.)

All Ordinary Units in the Fund carry equal rights and each unit represents a right to the underlying assets of the Fund. Deferred Units in the Fund carry no right to participate in any distribution of the Fund. Deferred Units, issued with no proceeds, are convertible to ordinary units on the terms set out in the Fund's constitution. At 31 December 2021, 1,752,605 (December 2020: 1,752,605) Deferred Units were on issue. These are included in the totals above. Deferred units were issued to the Responsible Entity and will be converted to Ordinary Units to settle performance fees if the performance hurdles were met. However, the supplemental deed of the Fund's constitution removed the payment of performance fees to the Responsible Entity (see Note 9) and as such the Deferred Units will no longer be converted to Ordinary Units.

6. Financial Instruments – Fair value measurement (cont.)

The different levels have been defined as follows:

- Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities
- Level 2: inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices)
- Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

Valuation technique and significant unobservable inputs

The following table shows the valuation techniques used in measuring Level 2 and 3 fair values, as well as the significant unobservable inputs used.

There are no changes in valuation technique compared to 30 June 2021.

Type	Valuation technique	Significant unobservable inputs	Inter-relationship between key unobservable inputs and fair value measurement
Unlisted property securities – Level 3	<ul style="list-style-type: none"> • Net Tangible Asset: Investments in unlisted managed investment schemes are recorded at the Net Tangible Asset (NTA) price as reported by the managers of such schemes at the reporting date • Exit unit price provided by the fund managers 	<ul style="list-style-type: none"> • As the underlying funds are unlisted and frozen for redemptions, it is uncertain that the investments can be realised at NTA 	<ul style="list-style-type: none"> • The estimated fair value would increase/ (decrease) if the NTA of the underlying funds increases/(decreases)

Report on the Half-year Financial Report

Conclusion

We have reviewed the accompanying half-year financial report of AIMS Property Securities Fund (the Fund), which comprises the statement of financial position as at 31 December 2021, the statement of profit or loss and other comprehensive income, the statement of changes in equity and the statement of cash flows for the half-year ended on that date, notes to the financial statements including a summary of significant accounting policies, other explanatory information, and the directors' declaration.

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the half-year financial report of AIMS Property Securities Fund does not comply with the *Corporations Act 2001*, including:

- (i) giving a true and fair view of AIMS Property Security Fund 's financial position as at 31 December 2021 and of its performance for the half-year ended on that date; and
- (ii) complying with Accounting Standard AASB 134: *Interim Financial Reporting* and the *Corporations Regulations 2001*.

Basis for Conclusion

We conducted our review in accordance with ASRE 2410: *Review of a Financial Report Performed by the Independent Auditor of the Entity*. Our responsibilities are further described in the *Auditor's Responsibilities for the Review of the Financial Report* section of our report. We are independent of the Fund in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110: *Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to our audit of the annual financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We confirm that the independence declaration required by the *Corporations Act 2001* which has been given to the directors of the Company, would be in the same terms if given to the directors as at the time of this auditor's review report.

Directors' Responsibility for the Half-Year Financial Report

The directors of AIMS Fund Management Limited, the Responsible Entity of AIMS Property Securities Fund, are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the half-year financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express a conclusion on the half-year financial report based on our review. ASRE 2410 requires us to conclude whether we have become aware of any matter that makes us believe that the half-year financial report is not in accordance with the *Corporations Act 2001* including: giving a true and fair view of the Company's financial position as at 31 December 2021 and its performance for the half-year ended on that date; and complying with Accounting Standard AASB 134: *Interim Financial Reporting* and the *Corporations Regulations 2001*.

**INDEPENDENT AUDITOR'S REVIEW REPORT TO THE MEMBERS OF
AIMS PROPERTY SECURITIES FUND**

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
