About Ecofibre

Ecofibre is a diversified industrial hemp company located in the United States and Australia.

We operate three vertically integrated businesses focused on growth in natural health care, plant based foods and sustainable product solutions.

Ananda Food owns one of the world's largest collections of hemp seed genetics and is a leading, low cost manufacturer of high quality hemp food products in Australia, including oil, seed and proteins. See www.anandafood.com.

Ananda Health is a leading US manufacturer of hemp-based nutraceuticals for the professional market. We produce CBD products for human and pet consumption, as well as topical health and beauty products. Our focus on high quality, efficacious and safe products is supported by a commitment to clinical research in Australia and the USA, focused on conditions including sleep, pain, anxiety, endometriosis and women's cancers. See www.anandaprofessional.com.

Hemp Black is an industrial business focused on textiles and bioplastics, with specialist capabilities in yarn extrusion, knitting and polymer compounding. We are using innovative hemp-based composite technology to help de-carbonise consumer products and the supply chains for a range of industries. See www.hempblack.com.
