Dear Dale

### Request for trading halt

EQT Holdings Limited (ASX:EQT) (EQT) requests that its securities be placed in a trading halt from the commencement of trading today pursuant to ASX Listing Rule 17.1.

The trading halt is requested pending an announcement by EQT in connection with a proposed material acquisition and a proposed equity raising to be undertaken by way of a pro rata accelerated non-renounceable entitlement offer (**Entitlement Offer**) and institutional placement (**Placement**).

EQT requests that the trading halt remains in place until the earlier of:

- a) an announcement being made about the completion of the institutional component of the Entitlement Offer and Placement; or
- b) the commencement of trading on Tuesday, 23 August 2022.

EQT is not aware of any reason why the trading halt should not be granted or any other information necessary to inform the market about the trading halt.

Please contact me if you require any additional information.

Yours sincerely
