- (ii) determine the effective date of such adjustments; or

b) if the Calculation Agent determines acting reasonably and in good faith that no adjustment it could make under paragraph (a) above would produce a commercially reasonable result (a "Liquidity Termination Event"), it may give the parties at least two Scheduled Trading Days' notice that the relevant consequence will be the termination of the Transaction specifying the date of such termination, in which case the Transaction shall be terminated as of the date so specified and the Determining Party shall determine the Cancellation Amount payable by one party to the other which shall be paid in accordance with Section 12.9(b)(ix).

Liquidity Event:

The Calculation Agent determines acting reasonably and in good faith that, in relation to a Scheduled Trading Day, the ADTV for the period of 60 Scheduled Trading Days ending on that Scheduled Trading Day is less than 3,000,000 Shares.

For this purpose, "ADTV" means the average daily trading volume of the Shares on the Exchange as determined by the Calculation Agent by reference to Bloomberg page DEG AU or, if such information is not available for any reason or is manifestly incorrect, such information published by Thomson Reuters or any other equivalent international financial data provider (but, in each case, excluding any trading volume that would otherwise have been included in such determination that may be attributable to any off-Exchange transaction).

Party B may request the early termination of all or a portion of the Number of Call Options and Number of Put Options (the "OET Options") in accordance with these provisions by delivering a written request to Party A specifying the number of OET Options to be terminated (the "Number of OET Options" and such request an "OET Request").

Party A shall, by no later than 5:00 p.m. (Sydney time) on the Scheduled Trading Day following receipt of a valid OET Request, notify Party B whether its OET Request is accepted or not. If the OET Request is accepted by Party A, Party A will by way of written notification to Party B provide an unwind pricing indication (the "**Pricing Indication**") for the Number of OET Options in respect of such OET Request. The Pricing Indication must be determined by Party A acting in good faith and a commercially reasonable manner.

Party B may, by irrevocable written notice (such notice, an "OET Instruction") to Party A delivered no later than 5:00 p.m. (Sydney time) on the Scheduled Trading Day immediately following the receipt of Party A's Pricing Indication (the "OET Instruction Date"), elect to proceed with the requested termination of the Number of OET Options. If Party B does not deliver a valid OET Instruction on or prior to the OET Instruction Date, Party B shall be deemed to have withdrawn its OET Request.

Upon the receipt of a valid OET Instruction, Party A shall attempt to unwind its Applicable Hedge Positions in respect of the Number of OET Options on a reasonable efforts basis. Following the unwind of its Applicable Hedge Positions in respect of the Number of OET Options or Party A making an OET Determination (as defined below) (collectively the "OET Unwind"), Party A shall notify Party B within one Currency Business Day (the "OET Date") of:

- (i) the Number of Options actually terminated pursuant to the OET Unwind (the "**Terminated OET Options**");

- (iii) the OET Reference Price;
- (iv) the OET Unwind Price;
- (v) the Total OET Unwind Cost and the party owing such amount (the "OET Amount Payee");
- (vi) the remaining Number of Put Options, Number of Put Options per Tranche, Number of Call Options, Number of Call Options Per Tranche and the Total Number of Shares, in each case, following the OET Unwind; and
- (vii) the Tranche Notional Amount applicable to each Tranche and Notional Amount as a result of the OET Unwind,

provided that if for any reason Party A (acting in good faith and in a commercially reasonable manner) determines that it is unable to unwind its Applicable Hedge Positions in respect of some or all of the Number of OET Options (such a determination an "OET Determination"), Party A shall promptly notify Party B in writing and the OET Instruction in respect of the Unliquidated OET Options (which may be equal to the Number of OET Options) shall be deemed to have lapsed and have no effect.

Within one Currency Business Day following such OET Date, the OET Amount Payee shall pay to the other party the Total OET Unwind Cost. For the avoidance of doubt, the OET Unwind Price and Total OET Unwind Cost may differ from the Pricing Indication, depending on market conditions and certain market parameters during the period in which Party A unwinds its Applicable Hedge Positions in relation to the Terminated OET Options, and the determination of the OET Unwind Price and the Total OET Unwind Cost shall be binding on the parties and shall prevail over the Pricing Indication provided for such OET Request.

For these purposes:

"Number of Options" means the Number of Put Options (as reduced pursuant to any previous Optional Early Termination and by the aggregate of the Number of Put Options per Tranche in respect of which an Expiration Date has occurred).

"OET Reference Price" means in respect of any Terminated OET Options, the volume weighted average price per Share that is realised by Party A and/or any of its Affiliate(s) in terminating or liquidating any Applicable Hedge Positions with respect to such Terminated OET Options (taking into account any expenses, fees, exchange fees, costs, Taxes, Stamp Taxes, levies, charges, commissions and trading fees that would be incurred by Party A and/or any of its Affiliate(s)), as determined by Party A acting reasonably and in good faith.

"OET Unwind Price" means the value of an Option as determined by Party A as of the OET Date and based on the OET Reference Price.

In the event of any inconsistency between the provisions (if any) of Schedule 3 and the other provisions of this Agreement (including Schedule 1), Schedule 3 will prevail. In the event of any inconsistency between the provisions of any Confirmation and this Agreement (including Schedules 1 and 3), such Confirmation will prevail for the purpose of the relevant transaction.
- 1.3 [Single agreement] All transactions are entered into in reliance on the fact that this Agreement and all Confirmations form a single agreement between the Parties (collectively referred to as this "Agreement"), and the Parties would not otherwise enter into any transactions.
- 1.4 [Interpretation] In this Agreement:
 - (a) Unless the context otherwise requires:
 - (i) The singular includes the plural and vice
 - versa. (ii) A person includes a corporation.
 - (iii) A corporation includes anybody corporate and any statutory authority.
 - (iv) A reference to a statute, ordinance, code or other law or the Rules includes regulations or other instruments under it or them and consolidations, amendments, re-enactments or replacements of any of them.
 - (b) Notwithstanding the use of expressions such as "borrow", "lend", "Collateral", "Margin", "redeliver" etc., which are used to reflect terminology used in the market for transactions of the kind provided for in this Agreement, all right, title and interest in and to Securities "borrowed" or "lent" and "Collateral" which one Party Transfers to the other in accordance with this Agreement ("title") shall pass from one Party to the other free and clear of any liens, claims, charges or encumbrances or any other interest of the Transferring Party or of any third party (other than a lien routinely imposed on all securities in a relevant clearance system), the Party obtaining such title being obliged to redeliver Equivalent Securities or Equivalent Collateral, as the case may be. Each Transfer under this Agreement will be made so as to constitute or result in a valid and legally effective transfer of the Transferring Party's legal and beneficial title to the recipient.

- (c) Where, in respect of any transaction, any distribution is made, or Income or fee is paid, other than in cash, the provisions of this agreement (other than clause 4.2(b)) shall apply, with necessary modifications, to the same extent as if the distribution, Income or fee had been made or paid in cash, and terms such as "pay" and "amount" shall be construed accordingly.
- 1.5 [Headings] All headings appear for convenience only and shall not affect the interpretation of this Agreement.
- 1.6 [Currency conversion] For the purposes of clauses 6, 8.3 and 8.4, when a conversion into the Base Currency is required, all prices, sums or values (including any Value, Offer Value and Bid Value) of Securities, Equivalent Securities, Collateral or Equivalent Collateral (including Cash Collateral) stated in currencies other than the Base Currency shall be converted into the Base Currency at the rate quoted by an Australian bank selected by the Lender (or, if an Event of Default has occurred in relation to the Lender, by the Borrower) at or about 11.00am (Sydney time) on the day of conversion as its spot rate for the sale by the bank of the Base Currency in exchange for the relevant other currency.
- 1.7 [Other agreements] Where at any time there is in existence any other agreement between the Parties the terms of which make provision for the lending of Securities (as defined in this Agreement) as well as other securities, the terms of this Agreement shall apply to the lending of such Securities to the exclusion of any other such agreement.
- 1.8 [Nominees] If payment is made or Securities, Equivalent Securities, Collateral or Equivalent Collateral is Transferred to a Party's nominee or otherwise in accordance with the directions of a Party (whether by the other Party or by a third party), it shall be deemed, for the purposes of this agreement, to have been paid or made or Transferred to the first mentioned Party.

2 Loans of Securities

- 2.1 [Borrowing Request and acceptance thereof] The Lender will lend Securities to the Borrower, and the Borrower will borrow Securities from the Lender, in accordance with the terms and conditions of this Agreement and with the Rules. The terms of each Loan should be agreed prior to the commencement of the relevant Loan, either orally or in writing (including any agreed form of electronic communication) and confirmed in such form and on such basis as is agreed between the Parties. Any confirmation produced by a Party shall not supersede or prevail over the prior oral, written or electronic communication (as the case may be).
- 2.2 [Changes to a Borrowing Request] The Borrower has the right to reduce the amount of Securities referred to in, or otherwise vary, a Borrowing Request provided that:
 - (a) the Borrower has notified the Lender of such reduction or variation no

- later than midday Australian Eastern standard or summer (as appropriate) time on the day which is two Business Days prior to the Settlement Date, unless otherwise agreed between the Parties, and
- (b) the Lender shall have accepted such reduction or variation (by whatever means).

3 Delivery of Securities

[Delivery of Securities] The Lender shall procure the delivery of Securities to the Borrower or deliver such Securities in accordance with the relevant agreement together with appropriate instruments of transfer (where necessary) duly stamped (where necessary) and such other instruments (if any) as may be requisite to vest title thereto in the Borrower. Such Securities shall be deemed to have been delivered by the Lender to the Borrower on delivery to the Borrower or as it shall direct of the relevant instruments of transfer and certificates or other documents of title (if any), or in the case of Securities title to which is registered in a computer based system which provides for the recording and transfer of title to the same by way of electronic entries (such as CHESS), on the transfer of title in accordance with the rules and procedures of such system as in force from time to time, or by such other means as may be agreed.

4 Title, Distributions and Voting

- 4.1 [Passing of title] The Parties shall execute and deliver all necessary documents and give all necessary instructions to procure that all right, title and interest in:
 - (a) any Securities borrowed pursuant to clause 2;
 - (b) any Equivalent Securities redelivered pursuant to clause 7;
 - (c) any Collateral delivered pursuant to clause 6;
 - (d) any Equivalent Collateral redelivered pursuant to clauses 6 or 7,

shall pass from one Party to the other, free from all liens, charges, equities and encumbrances, on delivery or redelivery of the same in accordance with this Agreement. In the case of Securities, Collateral, Equivalent Securities or Equivalent Collateral title to which is registered in a computer based system which provides for the recording and transfer of title to the same by way of electronic entries, delivery and transfer of title shall take place in accordance with the rules and procedures of such system as in force from time to time.

4.2 [Distributions]

(a) [Distributions] Unless otherwise agreed, where Income is paid by the issuer in relation to any Securities on or by reference to an Income Payment Date on which such Securities are the subject of a loan under this Agreement, the Borrower shall, on the date of the payment of such Income, or on such other date as the Parties may from time to time agree, (the "Relevant Payment Date") pay to the Lender a sum of

money (a "Substitute payment") equivalent to the amount that the Lender would have been entitled to receive (after any deduction, withholding or payment for or on account of any tax made by the relevant issuer (or on its behalf) in respect of such Income) had such Securities not been loaned to the Borrower and been held by the Lender on the Income Payment Date, irrespective of whether the Borrower received the same.

- (b) [Corporate actions] Subject to paragraph (c) (unless otherwise agreed), where, in respect of any borrowed Securities or any Collateral, any rights relating to conversion, subdivision, consolidation, preemption, rights arising under a takeover offer or other rights, including those requiring election by the holder for the time being of such Securities or Collateral, become exercisable prior to the redelivery of Equivalent Securities or Equivalent Collateral, then the Lender or Borrower, as the case may be, may, within a reasonable time before the latest time for the exercise of the right or option, give written notice to the other Party that, on redelivery of Equivalent Securities or Equivalent Collateral, as the case may be, it wishes to receive Equivalent Securities or Equivalent Collateral in such form as will arise if the right is exercised or, in the case of a right which may be exercised in more than one manner, is exercised as is specified in such written notice.
- (c) [1936 Tax Act sections 26BC(3)(c)(ii) and (v) requirements] Notwithstanding paragraph (b), where, in respect of any borrowed Securities or any Collateral, the relevant issuer company, trustee, government or government authority issues any right or option in respect of the borrowed Securities or Collateral, as the case may be, the Borrower or the Lender, respectively, must deliver or make available, as the case may be, to the other Party on the date of such issue or on such other date as the Parties may from time to time agree:
 - (i) the right, or option; or
 - (ii) an identical right or option; or
 - (iii) a payment equal to the value to the Lender or the Borrower, respectively, of the right or option;

together with any such endorsements or assignments as shall be customary and appropriate.

- (d) [Manner of payment] Any payment to be made by the Borrower under this clause shall be made in a manner to be agreed between the Parties.
- 4.3 [Voting] Unless paragraph 4 in Schedule 1 specifies that this clause 4.3 does not apply, each Party undertakes that, where it holds Securities of the same description as any Securities borrowed by it or transferred to it by way of

Collateral at a time when a right to vote arises in respect of such Securities, it will use its best endeavours to arrange for the voting rights attached to such Securities to be exercised in accordance with the instructions of the other Party provided always that each Party shall use its best endeavours to notify the other of its instructions in writing no later than seven Business Days prior to the date upon which such votes are exercisable, or as otherwise agreed between the Parties, and that the Party concerned shall not be obliged so to exercise the votes in respect of the number of Securities greater than the number so lent or transferred to it. For the avoidance of doubt, the Parties agree that, subject as hereinbefore provided, any voting rights attaching to the relevant Securities, Equivalent Securities, collateral and/or Equivalent Collateral shall be exercisable by the persons in whose name they are registered, or in the case of Securities, Equivalent Securities, collateral and/or Equivalent Collateral in bearer form by the persons by or on behalf of whom they are held, and not necessarily by the Borrower or the Lender (as the case may be).

5 Fees

- 5.1 [Fees] In respect of each loan of Securities:
 - (a) for which the Collateral is cash:
 - (i) the Lender must pay a fee to the Borrower in respect of the amount of that Collateral, calculated at the rate agreed between them; and
 - (ii) unless the Parties otherwise agree, the Borrower is not obliged to pay a fee to the Lender;
 - (b) for which there is no Cash Collateral, the Borrower must pay a fee to the Lender, calculated at the rate agreed between them.
- 5.2 [Where there are different types of Collateral] Where the Collateral comprises only partly cash, clause 5.1 is to be construed as if there were separate loans of Securities, one secured solely by Cash Collateral and the other secured solely by non-cash Collateral.
- [Calculation of fees] In respect of each loan of Securities, the payments referred to in clause 5.1 of this clause shall accrue daily in respect of the period commencing on and inclusive of the Settlement Date and terminating on and exclusive of the Business Day upon which Equivalent Securities are redelivered or Cash Collateral is repaid. Unless otherwise agreed, the sums so accruing in respect of each calendar month shall be paid in arrears by the Borrower to the Lender or to the Borrower by the Lender (as the case may be) not later than the Business Day which is one week after the last Business Day of the calendar month to which such payment relates or such other date as the Parties from time to time agree. Any payment made pursuant to clause 5.1 shall be in Australian currency, unless otherwise agreed, and shall be paid in such manner and at such place as shall be agreed between the Parties.

6 Collateral

6.1 [Borrower's obligation to provide Collateral] Unless otherwise agreed, subject to the other provisions of this clause 6, the Borrower undertakes to deliver to or deposit with the Lender (or in accordance with the Lender's instructions) Collateral of the kind specified in the relevant Borrowing Request or as otherwise agreed between the Parties (together with appropriate instruments of transfer duly stamped (where necessary) and such other instruments as may be requisite to vest title thereto in the Lender) simultaneously with delivery of the borrowed Securities by the Lender.

6.2 [Global margining]

- (a) [Adjustments to Collateral] unless otherwise agreed between the Parties, subject to paragraph (b), clause 6.4 and paragraph 1.5 in Schedule 1:
 - (i) The aggregate Value of the Collateral delivered to or deposited with the Lender or its nominated bank or depositary (excluding any Collateral repaid or redelivered under paragraph (ii) below (as the case may be)) in respect of all loans of Securities outstanding under this Agreement ("Posted Collateral") shall from day to day and at any time be at least the aggregate of the Required Collateral Values in respect of such loans.
 - (ii) If at any time the aggregate Value of the Posted Collateral in respect of all loans of Securities outstanding under this Agreement exceeds the aggregate of the Required Collateral Values in respect of such loans, the Lender shall (on demand) repay such Cash Collateral and/or redeliver to the Borrower such Equivalent Collateral as will eliminate the excess.
 - (iii) If at any time the aggregate Value of the Posted Collateral in respect of all loans of Securities outstanding under this Agreement falls below the aggregate of Required Collateral Values in respect of all such loans, the Borrower shall (on demand) provide such further Collateral to the Lender as will eliminate the deficiency.
- (b) [Netting of Collateral obligations where a Party is both Lender and Borrower] unless otherwise agreed between the Parties, subject to clause 6.4 And paragraph 1.5 in Schedule 1, where paragraph (a) applies, if a Party (the "first Party") would, but for this paragraph, be required under paragraph (a) to repay Cash Collateral, redeliver Equivalent Collateral or provide further Collateral in circumstances where the other Party (the "second Party") would, but for this paragraph, also be required to repay Cash Collateral, redeliver Equivalent Collateral or provide further Collateral under paragraph (a), then the Value of the Cash Collateral, Equivalent Collateral or further

Collateral deliverable by the first Party ("X") shall be set-off against the Value of the Cash Collateral, Equivalent Collateral or further Collateral deliverable by the second Party ("Y") and the only obligation of the Parties under paragraph (a) shall be, where X exceeds Y, an obligation of the first Party, or where Y exceed X, an obligation of the second Party, (on demand) to repay Cash Collateral, redeliver Equivalent Collateral or deliver further Collateral having a Value equal to the difference between X and Y.

- 6.3 [Required Collateral Value] For the purposes of clause 6.2(a), the Value of the Posted Collateral to be delivered or deposited in respect of any loan of Securities, while the loan of Securities continues, shall be equal to the aggregate of the Value of the borrowed Securities and the Margin applicable thereto (the "Required Collateral Value").
- 6.4 [Time for payment/repayment of Collateral] Except as provided in clause 6.1 or clause 6.6 or as otherwise agreed, where any Cash Collateral is to be repaid, Equivalent Collateral is to be redelivered or further Collateral is to be provided under this clause 6, it shall be paid or delivered as stated in paragraph 1.4 in Schedule 1.
- 6.5 [Substitution of Alternative Collateral] The Borrower may from time to time call for the repayment of Cash Collateral or the redelivery of Equivalent Collateral prior to the date on which the same would otherwise have been repayable or redeliverable, provided that, at the time of such repayment or redelivery, the Borrower shall have delivered or delivers Alternative Collateral acceptable to the Lender.
- 6.6 [Return of Collateral/Equivalent Collateral on redelivery of Equivalent Securities]
 - (a) Cash Collateral shall be repaid and Equivalent Collateral shall be redelivered at the same time as Equivalent Securities in respect of the Securities borrowed are redelivered.
 - (b) Where Collateral is provided through a book entry transfer system (such as Austraclear or RITS), the obligation of the Lender shall be to redeliver Equivalent Collateral through such book entry transfer system in accordance with this Agreement. If the loan of Securities in respect of which Collateral was provided has not been discharged when the Equivalent Collateral is redelivered, any payment obligation generated within the book entry transfer system on such redelivery shall, until the loan of Securities is discharged or further Collateral is provided, be deemed to constitute an obligation to pay Cash Collateral.
- 6.7 [Receipt by Lender of Income on Collateral] Where Collateral (other than Cash Collateral) is delivered in respect of which any Income may become payable and an Income Payment Date in respect of that Collateral occurs prior to the redelivery of Equivalent Collateral, then, unless such Income is paid directly to the Borrower, the Lender shall, on the date on which such Income

is paid or on such other date as the Parties may from time to time agree, pay to the Borrower a sum of money (a "Substitute payment") equivalent to the amount of such Income that (after any deduction, withholding or payment for or on account of any tax made by the relevant issuer (or on its behalf) in respect of such Income) the Lender either actually received, or would have been entitled to receive had such Collateral been held by the Lender on the Income Payment Date, irrespective of whether the Lender received the same. If the Lender is required by law, as modified by the practice of any relevant taxing authority, to make any deduction or withholding from any Substitute payment to be made under the preceding sentence, then the Lender must:

- (a) promptly pay to the relevant taxing authority the full amount of the deduction or withholding; and
- (b) forward to the Borrower on request a copy of any official receipt or other evidence showing that the full amount of any such deduction or withholding has been paid over to the relevant taxing authority.
- 6.8 [Borrower's rights re Collateral are not assignable] The Borrower may not assign, transfer or otherwise dispose of, or mortgage, charge or otherwise encumber, or otherwise deal with its rights in respect of any Collateral without the prior written consent of the Lender.
- 6.9 [Lender may set off obligation to repay or return Equivalent Collateral] If the Borrower fails to comply with its obligation to redeliver Equivalent Securities, the obligation of the Lender in respect of any Collateral may be the subject of a set-off in accordance with clause 8.
- 6.10 [Collateral provided to Lender's Nominee] Without limiting clause 1.8, where Collateral is provided to the Lender's nominee, any obligation under this Agreement to repay or redeliver or otherwise account for Equivalent Collateral shall be an obligation of the Lender, notwithstanding that any such repayment or redelivery may be effected in any particular case by the nominee.
- 6.11 [Letters of Credit] If the Collateral in respect of one or more loans of Securities is or includes a letter of credit, the Lender may only draw down under that letter of credit when an Event of Default occurs in relation to the Borrower and, upon the Lender drawing down, whether or not permitted under this clause 6.11, the Collateral (or that part of it represented by the letter of credit) becomes Cash Collateral.
- 6.12 [Non-Cash Collateral] If the Collateral in respect of one or more loans of Securities is or includes other Securities and either the Borrower is a taxpayer to whom the Tax Act applies in respect of the disposal of those other Securities or in any other case the Parties so agree:
 - (a) The Parties acknowledge that the provision of those other Securities is by way of a loan of Securities under this Agreement, to which section 26BC(3)(a) of the 1936 Tax Act may apply (subject to the reacquisition time being less than 12 months after the original disposal time).

- (b) For the purposes of section 26BC(3)(d) of the 1936 Tax Act, the notifiable consideration in respect of the provision of those Securities by way of loan is specified as follows:
 - (i) There is no fee.
 - (ii) There is no adjustment for variations in the market value of the Collateral or Equivalent Collateral.
 - (iii) There is other consideration: see the obligations of the recipient of the Collateral under clauses 4.2(b), 4.2(c), 4.3 and 6.7.
- (c) For the avoidance of doubt, this clause 6.12 is directed solely at clarifying either or both of the following issues: that the provision of the other Securities as Collateral is eligible for the application of first section 26BC and secondly, where applicable, sections 216-10 and 216-30 of the 1997 Tax Act. Accordingly, clauses 2, 4.2(a), 5, 6.1 to 6.11, 7, 8, 9.1, 9.2 (unless otherwise agreed), 9.4 and 12 do not apply to any loan of Securities under paragraph (a). Instead, those Securities are simply to be regarded as Collateral for the purposes of those clauses.

7 Redelivery of Equivalent Securities

- 7.1 [Borrower's obligation to redeliver Equivalent Securities] The Borrower undertakes to redeliver Equivalent Securities in accordance with this Agreement and the terms of the relevant Borrowing Request.
- 7.2 [Lender may call for redelivery of Equivalent Securities] Subject to clause 8 and the terms of the relevant Borrowing Request, the Lender may call for the redelivery of all or any Equivalent Securities at any time by giving notice on any Business Day of not less than the Standard Settlement Time for such Equivalent Securities or the equivalent time on the exchange or in the clearing organisation through which the relevant borrowed Securities were originally delivered. The Borrower shall as hereinafter provided redeliver such Equivalent Securities not later than the expiry of such notice in accordance with the Lender's instructions.
- 7.3 [Lender may terminate loan if Borrower defaults] If the Borrower does not redeliver Equivalent Securities in accordance with such call, the Lender may elect to continue the loan of Securities; provided that, if the Lender does not elect to continue the loan, the Lender may by written notice to the Borrower elect to terminate the relevant loan. Upon the expiry of such notice the provisions of clauses 8.2 to 8.5 shall apply as if upon the expiry of such notice an Event of Default had occurred in relation to the Borrower (who shall thus be the Defaulting Party for the purposes of this Agreement) and as if the relevant loan were the only loan outstanding.
- 7.4 [Consequence of exercise of "buy-in" against Lender, as a result of Borrower default] In the event that, as a result of the failure of the Borrower

- to redeliver Equivalent Securities to the Lender in accordance with this Agreement, a "buy-in" is exercised against the Lender, then, provided that reasonable notice has been given to the Borrower of the likelihood of such a "buy-in", the Borrower shall account to the Lender for the total costs and expenses reasonably incurred by the Lender as a result of such "buy-in".
- 7.5 [Right of Borrower to terminate loan early] Subject to the terms of the relevant Borrowing Request, the Borrower shall be entitled at any time to terminate a particular loan of Securities and to redeliver all and any Equivalent Securities due and outstanding to the Lender in accordance with the Lender's instructions.

7A Suspended Securities

- 7A.1 This clause 7A applies if:
 - (a) dealings in any borrowed Securities or Collateral Securities are suspended from trading by the stock exchange on which the Securities were listed at the time of delivery under this Agreement, whether by reason of the adverse position of the issuer or otherwise; or
 - (b) for any other reason concerning the issuer of those Securities (such as the liquidation, provisional liquidation, administration or receivership of the issuer, or the Securities ceasing to be listed for trading on the stock exchange on which they were listed at the time of delivery under this Agreement), or concerning the exchange or clearing house through which they are traded, one Party is unable to transfer title to those Securities or Equivalent Securities to the Other Party.
- 7A.2 At any time while a situation described in clause 7A.1 prevails in relation to particular borrowed or Collateral Securities (the "Suspended Securities"), either the Lender or the Borrower may give notice (a "Suspension Notice") to the other, in which event clauses 7A.3 and 7A.4 shall apply.
- 7A.3 If a Suspension Notice is given, the Borrower and the Lender shall promptly enter into negotiations in good faith with a view to promptly agreeing the market value of the Suspended Securities for the purposes of this clause 7A. Neither the Borrower nor the Lender may unreasonably withhold or delay its agreement to a market value reasonably proposed by the other Party.
- 7A.4 Any market value agreed under clause 7A.3 applies to the Suspended Securities notwithstanding the definition of Value in clause 26.

8 Set-off etc.

8.1 [Requirement for simultaneous delivery] On the date and time that Equivalent Securities are required to be redelivered by the Borrower in accordance with the provisions of this Agreement the Lender shall simultaneously redeliver the Equivalent Collateral and repay any Cash Collateral held (in respect of the

Equivalent Securities to be redelivered) to the Borrower. Neither Party shall be obliged to make delivery (or make a payment as the case may be) to the other unless it is satisfied that the other Party will make such delivery (or make an appropriate payment as the case may be) to it simultaneously. If it is not so satisfied (whether because an Event of Default has occurred in respect of the other Party or otherwise), it shall notify the other Party and, unless that other Party has made arrangements which are sufficient to assure full delivery (or the appropriate payment as the case may be) to the notifying Party, the notifying Party shall (provided it is itself in a position, and willing, to perform its own obligations) be entitled to withhold delivery (or payment, as the case may be) to the other Party.

- 8.2 [Netting following occurrence of Event of Default] If an Event of Default occurs in relation to either Party, the Parties' delivery and payment obligations (and any other obligations they have under this Agreement) shall be accelerated so as to require performance thereof at the time such Event of Default occurs (the date of which shall be the "Performance Date" for the purposes of this clause), and in such event:
 - (a) the Relevant Value of the Securities to be delivered (or payment to be made, as the case may be) by each Party shall be established in accordance with clause 8.3; and
 - (b) on the basis of the Relevant Values so established, an account shall be taken (as at the Performance Date) of what is due from each Party to the other and (on the basis that each Party's claim against the other in respect of delivery of Equivalent Securities or Equivalent Collateral or any cash payment equals the Relevant Value thereof) the sums due from one Party shall be set-off against the sums due from the other and only the balance of the account shall be payable (by the Party having the claim valued at the lower amount pursuant to the foregoing) and such balance shall be payable on the Performance Date.
- 8.3 [Relevant Value] for the purposes of clause 8.2 the Relevant Value:
 - (a) of any cash payment obligation shall equal its par value (disregarding any amount taken into account under (b) or (c) below);
 - (b) of any Securities to be delivered by the Defaulting Party shall, subject to clause 8.4(b) and (c) below, equal the Offer Value thereof; and
 - (c) of any Securities to be delivered to the Defaulting Party shall, subject to clause 8.4(b) and (c) below, equal the Bid Value thereof.

8.4 [Bid Value/Offer Value]

(a) For the purposes of clause 8.3, but subject to (b) and (c) below, the Bid Value and Offer Value of any Securities shall be calculated as at the Close of Business in the most appropriate market for Securities of the relevant description (as determined by the Non-Defaulting Party) on the first Business Day following the Performance Date, or, if the

- relevant Event of Default occurs outside the normal business hours of such market, on the second Business Day following the Performance Date (the "Default Valuation Time").
- (b) Where the Non-Defaulting Party has, following the occurrence of an Event of Default but prior to the Default Valuation Time, purchased Securities forming part of the same issue and being of an identical type and description to those to be delivered by the Defaulting Party and in substantially the same amount as those Securities or sold Securities forming part of the same issue and being of an identical type and description to those to be delivered by the Non-Defaulting Party to the Defaulting Party and in substantially the same amount as those Securities, the cost of such purchase or the proceeds of such sale, as the case may be, (taking into account all reasonable costs, fees and expenses that would be incurred in connection therewith) shall be treated as the Offer Value or Bid Value, as the case may be, of the relevant Securities for the purposes of this clause 8.
- (c) Where the amount of any Securities sold or purchased as mentioned in (b) above is not in substantially the same amount as those Securities to be valued for the purposes of clause 8.3, the Offer Value or the Bid Value (as the case may be) of those Securities shall be ascertained by:
 - (i) dividing the net proceeds of sale or cost of purchase by the amount of the Securities sold or purchased so as to obtain a net unit price; and
 - (ii) multiplying that net unit price by the amount of the Securities to be valued.
- 8.5 [Interpretation: "Securities"] Any reference in this clause 8 to Securities shall include any asset other than cash provided by way of Collateral, and, for the avoidance of doubt, shall include Equivalent Securities and Equivalent Collateral.
- 8.6 [Interpretation: "Event of Default"] If the Borrower or the Lender for any reason fails to comply with its respective obligations under clause 6.6 in respect of the redelivery of Equivalent Collateral or the repayment of Cash Collateral, such failure shall be an Event of Default for the purposes of this clause 8, and the person failing to comply shall thus be the Defaulting Party.
- 8.7 [Waiver of right to require simultaneous delivery] Subject to and without prejudice to its rights under clause 8.1, either Party may from time to time in accordance with market practice and in recognition of the practical difficulties in arranging simultaneous delivery of Securities, Collateral and cash transfers waive its right under this Agreement in respect of simultaneous delivery and/or payment; provided that no such waiver in respect of one transaction shall bind it in respect of any other transaction.

9 Stamp duty, taxes etc and loss of tax benefits

- 9.1 [Stamp duty etc] The Borrower hereby undertakes promptly to pay and account for any transfer or similar duties or taxes, and any loan security or other stamp duties, (if any) chargeable in connection with any transaction effected pursuant to or contemplated by this Agreement, and shall indemnify and keep indemnified the Lender against any liability arising in respect thereof as a result of the Borrower's failure to do so.
- 9.2 [Borrower to give Transfer of Distribution Statement to Lender re Franked Distributions] If:
 - (a) an Income Payment Date occurs during an Income Determination Period in relation to a particular loan of Securities;
 - (b) had the Lender been the holder of those Securities on the relevant Income Payment Date, it would have received a Franked Distribution in respect of those Securities;
 - (c) the Agreement or the relevant Confirmation states that the Lender is an Australian Taxpayer;
 - (d) the failure of the Lender to receive a Franked Distribution is not due to any unreasonable act or omission by or on behalf of the Lender; and
 - (e) neither paragraph 7 in Schedule 1 nor the relevant Confirmation states that the Lender is not entitled to compensation for the loss of Imputation Benefits;

then:

the Borrower must either:

- (i) if section 216-10 of the 1997 Tax Act applies, as soon as practicable, and in any event within 10 Business Days after the relevant Income Payment Date, give to the Lender a Transfer of Distribution Statement in respect of those Securities (which the Borrower is to be taken as having warranted is correct in all material respects and is effective for the purposes of section 216-30 of the 1997 Tax Act); or
- (ii) otherwise, on the 10th Business Day after the relevant Income Payment Date pay to the Lender an amount equal to the Franking Credit allocated (or, under section 202-65 of the 1997 Tax Act, taken to have been allocated) to the Franked Distribution and specified in the Distribution Statement for that Franked Distribution.
- 9.3 [Deleted.]
- 9.4 ["Notifiable consideration" for the purposes of s 26BC(3)(d) of the 1936 Tax Act] For the purposes of section 26BC(3)(d) of the 1936 Tax Act, the notifiable consideration in respect of any loan of Securities is dissected as follows:

- (a) a fee see clause 5.1 (as applicable); and
- (b) other consideration see clauses 4.2, 6 and 9 and the definition of "Equivalent Securities" in clause 26.

9.5 [GST]

- (a) All payments (including the provision of any non-monetary consideration) to be made by either Party under or in connection with this Agreement have been calculated without regard to GST.
- (b) If all or part of any such payment is the consideration for a Taxable Supply, then, when the payer makes the payment, the payer must, after receipt of a

Tax Invoice, pay to the supplier additional consideration equal to the GST Amount. Such additional amount is to be paid on the earlier of:

- (i) the date of the first payment for the Taxable Supply; and
- (ii) the date five Business Days after the date on which the Tax Invoice for the Taxable Supply is received by the payer.
- (c) Where under or in connection with this Agreement a Party is required to reimburse or indemnify for an amount, that Party will pay the relevant amount:
 - including any sum in respect of GST which has been paid by the payee upon any supply made to the payee in connection with the circumstances giving rise to the operation of the indemnity or right of reimbursement;
 - (ii) less any GST Input Tax Credit that that Party determines (acting reasonably) that the payee is entitled to claim in respect of the circumstances giving rise to the operation of the indemnity or right of reimbursement.
- (d) If a person is a member of a GST Group, references to GST for which the person is liable and to Input Tax Credits to which the person is entitled include GST for which the Representative Member of the GST Group is liable and Input Tax Credits to which the Representative Member is entitled.
- (e) In this clause:

GST means the goods and services tax as imposed by the GST Law together with any related interest, penalties, fines or other charges.

GST Amount means in relation to a Taxable Supply the amount of GST for which the supplier is liable in respect of the Taxable Supply.

GST Group has the meaning given to this term by the GST Law.

 - (a) it specifies that loan as an Agency Transaction at or before the time when it enters into it;
 - (b) it enters into that loan on behalf of a single Principal whose identity is disclosed to the Borrower (whether by name or by reference to a code or identifier which the Parties have agreed will be used to refer to a specified Principal) at the time when it enters into the loan or as otherwise agreed between the Parties;

 - (a) of any event which constitutes an Act of Insolvency with respect to the relevant Principal; or
 - (b) of any breach of any of the warranties given in clause 14.5 below or of any event or circumstance which has the result that any such warranty would be untrue if repeated by reference to the current facts, it will

- (b) All the provisions of the Agreement shall apply separately as between the Borrower and each Principal for whom the Agent has entered into an Agency Transaction or Agency Transactions as if each such Principal were a party to a separate agreement with the Borrower in all respects identical with this Agreement other than this paragraph and as if the Principal were Lender in respect of that agreement; provided that:
 - (i) if there occurs in relation to the Agent an Event of Default or an event which would constitute an Event of Default if the Borrower served written notice under any paragraph of clause 12, the Borrower shall be entitled by giving written notice to the Principal (which notice shall be validly given to the Lender in accordance with clause 20) to declare that, by reason of that event, an Event of Default is to be treated as occurring in relation to the Principal. If the Borrower gives such a notice, then an Event of Default shall be treated as occurring in relation to the Principal at the time when the notice is deemed to be given; and

- 14.5 [Warranty by Lender] The Lender warrants to the Borrower that it will, on every occasion on which it enters or purports to enter into a transaction as an Agency Transaction, have been duly authorised to enter into that loan and perform the

obligations arising thereunder on behalf of the person whom it specifies as the Principal in respect of that transaction and to perform on behalf of that person all the obligations of that person under the agreement referred to in clause 14.4(b).

In this Master Confirmation and each Transaction Supplement, defined words and expressions shall have the same meaning as in the Agreement unless otherwise defined in this Master Confirmation, in which case for the avoidance of doubt, terms used in this Master Confirmation shall take precedence over terms used in the Agreement.

Notwithstanding anything contained in paragraph 3 of the Agreement, this Master Confirmation, as supplemented by each relevant Transaction Supplement, shall record the terms of each relevant Loan confirmed hereunder and shall supersede and prevail over any previous agreement or understanding with respect to each such Loan, whether oral, electronic or otherwise in writing.

Lender agrees that, if Borrower determines in its sole discretion that (a) the Hedging Party (as defined in the Derivative Confirmation) would incur a rate to borrow DEG Shares (as defined below) in respect of the Derivative Transaction that is equal to or greater than the Maximum Stock Loan Rate (as defined in the Derivative Confirmation) or (b) there isn't sufficient liquidity for DEG Shares for the Hedging Party to acquire, establish, re-establish, substitute, maintain, unwind or dispose of any transaction(s) or asset(s) it deems necessary to hedge the equity price risk of entering into and performing its obligations with respect to the Derivative Transaction, then upon a request to do so by Borrower at a time while the Derivative Transaction is outstanding, the Lender shall enter into one or more Loans with Borrower in respect of the ordinary shares of De Grey Mining Limited ("DEG") (Bloomberg Code: DEG AU; ISIN: AU000000DEG6) ("DEG Shares"). Each such Loan shall be entered into automatically on the day of such request by the delivery of a Transaction Supplement from Borrower to Lender with no further action being required by either Party. Lender agrees that it

shall take all steps required by Borrower in order to effect the delivery to Borrower of the relevant number of DEG Shares specified in such Transaction Supplement.

Lender agrees that if it has failed to deliver Loaned Securities when required under the terms of a Loan, it shall pay within one Business Day of a demand from Borrower and hold harmless Borrower with respect to all reasonable losses, costs and expenses incurred in connection with the failure to deliver.

The Parties agree that:

- (a) the aggregate number of Loaned Securities under the outstanding Loans from time to time shall not exceed the Maximum Number of Securities. For this purpose, the "Maximum Number of Securities" means, at any time, a number of Securities that is the lesser of (i) equal to the Total Number of Shares (as defined in the Derivative Confirmation) and (ii) (x) the number of shares that would result in Credit Suisse and its Affiliates having a relevant interest in DEG Shares of more than 7% minus (y) one; and
- (b) the Borrower shall have no right to (i) request to borrow or (ii) borrow any Share to the extent that the existence of such right in respect of that Share would be inconsistent with paragraph (a) above.

 - (i) subject to paragraph (b)(i) below, exercise all its rights and entitlements arising directly or indirectly at any time from or in relation to the Marketable Securities in a manner which does not prejudice the interests of the Secured Party under the Secured Documents:
 - (ii) pay all calls and premiums and all other amounts payable in respect of the Marketable Securities as they become due and payable;
 - (iii) comply with the constituent documents of the entity which issues the Marketable Securities, and not do anything which could entitle any person to a lien over, or which could result in the forfeiture of, the Marketable Securities; and
 - (iv) provide the Secured Party with Control over the Marketable Securities in the manner reasonably requested by the Secured Party, including by:
 - (A) providing all Title Documents in respect of any certificated Marketable Securities:
 - (B) providing a transfer of any certificated Marketable Securities, executed by the Grantor in blank and otherwise in a form satisfactory to the Secured Party;
 - (C) entering into any tripartite agreement requested by the Secured Party with the Grantor's sponsor or Custodian or Intermediary; and
 - (D) lodge a Notice of Security executed by the Grantor in respect of any Shares with the Issuer.
- (b) After the Security has become enforceable, the Grantor:

- (i) must exercise all its rights and entitlements arising directly or indirectly at any time from or in relation to the Marketable Securities in accordance with the instructions of the Secured Party;
- (ii) must, if requested by the Secured Party:
 - (A) procure that all income and returns of capital in respect of the Marketable Securities are paid to or at the direction of the Secured Party;
 - (B) pay all cash Distributions in relation to the Secured Shares to the Secured Party or as it may direct; and
 - (C) exercise its voting rights in respect of the Secured Shares as directed by the Secured Party; and
- (iii) irrevocably and unconditionally authorises the Secured Party to procure itself or its nominee to be registered as the holder of the Marketable Securities and to:
 - (A) date and complete any transfers referred to in paragraph (a)(iv)(B) above and lodge those transfers for stamping (if required) and registration accompanied by any applicable Title Documents; and
 - (B) do all other things necessary to have the Marketable Securities registered in the name of the Secured Party or its nominee (including sending any necessary electronic communications) and, where the Marketable Securities are Intermediated Securities, to have the Securities Account maintained in the name of the Secured Party or its nominee.

5.10 **Performance under the Secured Documents**

The Grantor must fully and punctually perform its obligations under each Secured Document.

6. **FURTHER ASSURANCES**

6.1 **Further assurances**

- Whenever the Secured Party, or any Receiver or Attorney requests the Grantor to do (a) anything which is necessary:
 - (i) to ensure this deed or the Security is fully effective, enforceable and perfected with the contemplated priority;
 - (ii) for more satisfactorily assuring or securing to the Secured Party the Secured Property in a manner consistent with this deed; or
 - (iii) for aiding the exercise of any Power in this deed,

the Grantor shall do it promptly at its own cost. This may include obtaining consents, signing documents, getting documents completed and signed and supplying information, delivering documents and evidence of title and executed blank transfers, or otherwise giving Possession or Control with respect to any Secured Property.

(b) If at any time the Grantor fails to duly perform any of its obligations under this deed, any of the Secured Party, its delegates and its sub-delegates may do anything necessary or expedient to make good or to attempt to make good that failure to its satisfaction.

7. **ENFORCEMENT**

7.1 When the Security Becomes Enforceable

Any time upon the occurrence of:

- (a) an Event of Default; or
- a written request from the Grantor to the Secured Party that it exercise any of its powers (b) under this deed,

the Security created by or pursuant to this deed is immediately enforceable, without notice to the Grantor or prior authorisation from any court.

7.2 Discretion

After the Security has become enforceable, the Secured Party may in its absolute discretion enforce all or any part of this deed in any manner it sees fit.

7.3 **Secured Party may exercise Powers**

- (a) Whether or not a Receiver is appointed under this deed, the Secured Party may, after the Security has become enforceable, exercise any Power of the Receiver in addition to any Power of the Secured Party. It may do so without giving notice to any person except as required by law or by the express terms of a Secured Document.
- (b) The exercise of any Power by the Secured Party, Receiver or Attorney does not cause or deem the Secured Party, Receiver or Attorney to be a mortgagee in possession.

7.4 Set-off

After the Security has become enforceable, the Secured Party may apply any credit balance in the Account towards satisfaction of any of the Secured Money.

7.5 **Exclusion of PPSA provisions**

- To the extent the law permits: (a)
 - (i) for the purposes of sections 115(1) and 115(7) of the PPSA:
 - the Secured Party need not comply with section 95, 118, 121(4), 125, (A) 130, 132(3)(d) or 132(4); and
 - (B) sections 142 and 143 are excluded;
 - (ii) for the purposes of section 115(7) of the PPSA, the Secured Party need not comply with sections 132 and 137(3);
 - (iii) if the PPSA is amended after the date of this deed to permit the Grantor and the Secured Party or any Receiver to agree to not comply with or to exclude other provisions of the PPSA, the Secured Party or any Receiver may notify

the Grantor that any of these provisions is excluded, or that the Secured Party or any Receiver need not comply with any of those provisions, as notified to the Grantor by the Secured Party or any Receiver; and

- (iv) the Grantor agrees not to exercise its rights to make any request of the Secured Party under section 275 of the PPSA, to authorise the disclosure of any information under that section or to waive any duty of confidence that would otherwise permit non-disclosure under that section.
- (b) If the Secured Party exercises a Power in connection with this deed, that exercise is taken not to be an exercise of a Power under the PPSA unless the Secured Party states otherwise at the time of exercise. However, this Clause does not apply to a right, power or remedy which can only be exercised under the PPSA.
- (c) No Party will disclose any information of the kind referred to in section 275(1) of the PPSA pursuant to a request under that section.

7.6 No notice required unless mandatory

- (a) To the extent the law permits, the Grantor waives:
 - (i) its rights to receive any notice that is required by:
 - (A) any provision of the PPSA (including a notice of verification statement); or
 - (B) any other law before the Secured Party or a Receiver exercises a Power; and
 - (ii) any time period that must otherwise lapse under any law before the Secured Party or a Receiver exercises a Power.
- (b) If the law which requires a period of notice or a lapse of time cannot be excluded, but the law provides that the period of notice or lapse of time may be agreed, that period or lapse is one day or the minimum period the law allows to be agreed (whichever is the longer).
- (c) However, nothing in this Clause prohibits the Secured Party or any Receiver from giving a notice under the PPSA or any other law.

8. RECEIVER

8.1 Appointment

- (a) The Secured Party may appoint any one or more persons to be a Receiver of all or any part of the Secured Property if:
 - (i) the Security has become enforceable; or
 - (ii) the Grantor so requests the Secured Party in writing at any time.
- (b) Any appointment under paragraph (a) above may be by deed, under seal or in writing under hand.

8.2 Removal

The Secured Party may, on written notice, remove any Receiver appointed by it and may, whenever it thinks fit, appoint a new Receiver in the place of any Receiver whose appointment may for any reason have terminated.

8.3 Remuneration

The Secured Party may fix the remuneration of any Receiver and direct payment of that remuneration and any costs, charges and expenses of the Receiver out of the proceeds of any realisation of the Secured Property.

8.4 Agent of the Grantor

- (a) A Receiver will be deemed to be the agent of the Grantor for all purposes and to the extent permitted under law. The Grantor is responsible for the contracts, remuneration, engagements, acts, omissions, defaults and losses of a Receiver and for liabilities properly incurred by a Receiver.
- (b) The Secured Property will not incur any liability (either to the Grantor or to any other person) by reason of the appointment of a Receiver or the exercise of any Power by a Receiver.
- (c) A Receiver may still be appointed even if it is in circumstances where there has been an order made or resolution passed for the winding-up of the Grantor, and a Receiver appointed in such circumstances may not, or may not in some respects, act as the agent of the Grantor.

9. POWERS OF RECEIVER

9.1 General

(a) A Receiver has all of the rights, powers and discretions set out below in this Clause 9.1 in addition to those conferred on it by any applicable law and, except to the extent specifically excluded by this deed, a Receiver may do anything in respect of the Secured Property that an absolute beneficial legal owner of the property is permitted to do under law.

(b) A Receiver may:

- enter into and execute documents or agreements on its own behalf or on behalf
 of the Grantor in relation to the Secured Property, which includes use of the
 Grantor's common seal and signing, accepting and endorsing cheques,
 promissory notes and bills of exchange;
- (ii) appoint and discharge managers, officers, agents, accountants, employees, contractors, workmen, auctioneers and others for the purposes of this deed and discharge any person appointed by the Grantor;
- (iii) raise and borrow money either unsecured or on the security of any Secured Property either in priority to the Security or otherwise;
- (iv) sell, exchange, convert into money and realise any Secured Property by public auction, tender or private contract. The consideration for any such transaction

may consist of cash, debentures or other obligations, shares, stock or other valuable consideration, and any such consideration may be payable in a lump sum or by instalments spread over a period or by deferred payment of consideration, in whole or in part, with or without interest or security over any period;

- (v) surrender or transfer Secured Property to any person or exchange it for other property with any person;
- (vi) acquire in the name, or on behalf, of the Grantor any interest in any assets, which on acquisition forms part of the Secured Property;
- (vii) obtain the benefit of, perform or enforce, or exercise or refrain from exercising, the Grantor's rights and powers under, or vary, rescind or terminate, any documents or agreements or rights which form part of the Secured Property and any documents or agreements entered into in exercise of any Power;
- (viii) settle, adjust, refer to arbitration, compromise and arrange any claim, action, proceeding, account, dispute, question or demand with or by any person who is or claims to be a creditor of the Grantor or relating in any way to any Secured Property;
- (ix) bring, prosecute, conduct, enforce, defend and abandon any action, suit or proceedings and to submit to arbitration, mediation or conciliation, in the name of the Grantor or otherwise and on any terms, any proceeding, claim, question, or dispute in relation to any Secured Property;
- (x) give a valid receipt for any moneys and execute any assurance or thing which may be proper or desirable for realising any Secured Property;
- (xi) delegate its powers in accordance with this deed;
- (xii) do anything to manage or obtain income or revenue from any of the Secured Property, including operating any bank account which forms part of the Secured Property or opening and operating a new bank account;
- (xiii) grant or take put or call options in relation to the Secured Property;
- (xiv) initiate proceedings to make debtors bankrupt, wind up companies and do anything in relation to any actual or contemplated liquidation, including the attendance and voting at creditors' meetings and appointing proxies for those meetings; and
- (xv) pay any outgoings or indebtedness of the Grantor or any other person in relation to the Secured Property.

(c) A Receiver may:

 do all other acts and things which it may consider desirable or necessary for realising any Secured Property or incidental or conducive to any of the rights, powers or discretions conferred on it under or by virtue of this deed or law;

- (ii) exercise, in relation to any Secured Property, all the powers, authorities and things which it would be capable of exercising as if it were the absolute beneficial owner of that Secured Property; and
- (iii) use the name of the Grantor for any of the above purposes.

9.2 Termination of receivership and possession

At any time, the Secured Party may terminate the appointment of a Receiver. The Secured Party may, at any time, give up or re-take possession of any of the Secured Property.

10. APPLICATION OF PROCEEDS

10.1 Order

- (a) Any time after the Security is enforceable, all money received by the Secured Party, Receiver, Attorney, or any other person acting on their behalf under this deed or any Collateral Security, may be appropriated and applied towards any amount which is due for payment by the Grantor in relation to the Transaction Documents and, in any order that the Secured Party, Receiver, Attorney or that other person determines in its absolute discretion, to the extent not prohibited by law.
- (b) If no determination is made under paragraph (a) above, the money must be applied in the following manner and order:
 - (i) first, to any Receiver for its costs and expenses, liabilities and remuneration in connection with exercising, enforcing or preserving rights (or considering doing so) in connection with the Secured Documents;
 - (ii) second, in payment to the Secured Party of the balance of the Secured Money then owing or contingently owing, whether or not due and payable;
 - (iii) third, to each holder of a Security Interest of which the Secured Party has actual knowledge and which is due and payable in accordance with its terms, in order of priority; and
 - (iv) fourth, any surplus (which will not bear interest) to or at the direction of the Grantor.

10.2 Money actually received

In applying any money towards satisfaction of the Secured Money, the Grantor will be credited only with as much of the money which is available for that purpose and which is actually received by the Secured Party, Receiver or Attorney and which is not required to be disgorged.

10.3 Contingent amounts due

- (a) If at the time of a distribution of any money under Clause 10.1, any part of the Secured Money is contingently owing to the Secured Party, the Secured Party, Receiver or Attorney may retain an amount equal to the amount contingently owing.
- (b) If an amount is retained under paragraph (a) above, it must be placed on deposit until the amount contingently owing becomes actually due and payable, at which time:

- (i) the amount which has become actually due to the Secured Party must be paid to the Secured Party; and
- (ii) the balance of the amount retained, together with any interest on the amount contingently owing, must be applied in accordance with Clause 10.1.

10.4 Subsequent Security Interests

- (a) If any subsequent Security Interest or other interest affects any Secured Property, the Secured Party may open a new account with the Grantor.
- (b) If the Secured Party does not open a new account, it will nevertheless be treated as if it had done so at the time when it received or was deemed to have received notice of the relevant Security Interest.
- (c) From the date on which that new account is opened or regarded as opened:
 - (i) all payments made by the Grantor to the Secured Party; and
 - (ii) all financial accommodation and advances by the Secured Party to the Grantor, are or are regarded as credited and debited to the new account.
- (d) Payments by the Grantor under paragraph (c) above must be applied:
 - (i) to reduce any debit balance in the new account; and
 - (ii) if there is no debit balance in the new account, to reduce the Secured Money which has not been debited or regarded as debited to the new account.

10.5 Certification of indebtedness

A certificate signed by or on behalf of the Secured Party which sets out:

- (a) the amount of the Secured Money due and payable; or
- (b) the amount of the Secured Money, whether currently due and payable or not,

is sufficient evidence of that amount unless the contrary is proved.

11. **DELEGATION**

- (a) The Secured Party or any Receiver may delegate by power of attorney or in any other manner to any person any Power exercisable by it under this deed.
- (b) A delegation under paragraph (a) above may be made upon any terms which the Secured Party or any Receiver determines.
- (c) Neither the Secured Party nor any Receiver will be in any way liable or responsible to the Grantor for any liability which arises because of any act, default, omission or misconduct on the part of any delegate or sub-delegate.

12. POWER OF ATTORNEY

- (a) The Grantor irrevocably and severally appoints the Secured Party, any Receiver and any of their respective delegates and sub-delegates to be its Attorney to:
 - (i) do anything which the Grantor is required to do but has failed to do under this deed and each other Secured Document;
 - (ii) do anything necessary to sell or otherwise dispose of any Secured Property in accordance with this deed;
 - (iii) do anything necessary to give effect to any Power; and
 - (iv) exercise any power, right or discretion of the Grantor under any Secured Document or any agreement which forms part of the Secured Property.
- (b) The Grantor ratifies and confirms whatever any Attorney does or purports to do following its appointment under this Clause 12.
- (c) The appointment under this Clause 12 takes effect immediately but is only enforceable after the Security has become enforceable.

13. PROTECTION OF THIRD PARTIES

- (a) No person dealing with the Secured Party, or any Receiver or Attorney is obliged to enquire:
 - (i) whether an Event of Default has occurred or is continuing;
 - (ii) whether the Security is enforceable;
 - (iii) whether the Receiver or Attorney is properly appointed;
 - (iv) whether any Power is exercisable or is being properly exercised; or
 - (v) how any money paid to the Secured Party, or any Receiver or Attorney is to be applied.
- (b) No person dealing with the Secured Party, Receiver or Attorney is affected by any actual or constructive notice that the exercise of any Power was unnecessary or improper.

14. PROTECTION OF SECURED PARTY, RECEIVERS AND ATTORNEYS

Each of the Secured Party, any Receiver and any Attorney is not liable for any loss or damage, including consequential loss or damage, arising directly or indirectly from:

- (a) any omission or delay in the exercise or non-exercise of any Power; or
- (b) the neglect, default or dishonesty of any manager, officer, employee, agent, accountant, auctioneer or solicitor of the Grantor, the Secured Party or any Receiver or Attorney,

except to the extent the loss or damage arises from the wilful default, fraud or gross negligence on its part.

15. EXPENSES AND INDEMNITY

The Grantor must:

- (a) immediately on demand pay all costs and expenses (including legal fees) incurred in connection with this deed by any Receiver, Attorney, manager, agent or other person appointed by the Secured Party under this deed, including any arising from any actual or alleged breach by any person of any law or regulation; and
- (b) keep each Receiver, Attorney, manager, agent or other person appointed by the Secured Party under this deed indemnified against any failure or delay in paying those costs or expenses.

16. SAVING PROVISIONS

16.1 Remedies cumulative

The Powers provided to the Secured Party and any Receiver or Attorney are in addition to, and do not exclude or limit, any right, power or remedy provided by law.

16.2 Other Collateral Security

No Power and nothing in this deed merges into, or in any other way prejudicially affects or is prejudicially affected by any other Collateral Security or any judgment, right or remedy against any person, which the Secured Party or any person claiming through the Secured Party may have at any time.

16.3 Continuing Security

The Security remains a continuing security regardless of any intermediate payment or discharge of the Secured Money in whole or in part, or any other thing until the Secured Party provides a notice of final release to the Grantor in respect of the Security.

16.4 Conflicts of interest

To the extent permitted by law, any Power may be exercised by the Secured Party or a Receiver, even if such exercise gives rise to a conflict of interest or duty.

16.5 Payment avoidance

- (a) If a payment by the Grantor (or any other person on account of an amount owing by the Grantor) to the Secured Party is avoided for any reason, including any legal limitation, and whether or not:
 - (i) any transaction relating to the Secured Money was wholly or partially illegal or void; or
 - (ii) anything was, or ought to have been, within the knowledge of the Secured Party,

then the Grantor separately indemnifies the Secured Party against that avoided payment.

(b) The liability of the Grantor and the rights of the Secured Party under this deed will be the same as if the avoided payment had not been made and is reinstated as if the relevant payment had not occurred.

16.6 Suspense accounts

- (a) The Secured Party may apply amounts received under this deed and any other amounts received from the Grantor or any other person in connection with the Secured Money to the credit of a suspense account.
- (b) Amounts may be retained in the suspense account for as long as the Secured Party determines. The Secured Party is not obliged to apply those amounts towards satisfaction of the Secured Money.

16.7 No preconditions to enforceability

- (a) The Secured Party is not required to marshal, enforce or have recourse to any Collateral Security, any other right or remedy or any other property before enforcing the Security.
- (b) The Security is enforceable and may be enforced whether or not the Secured Party has given notice to or made demand on any person other than the Grantor. It is enforceable whether or not the Secured Money is due and payable and whether or not any event listed in Clause 18.10 has occurred.

16.8 No competition

Until the Secured Money has been fully paid, the Grantor will not, for any reason:

- (a) be subrogated to any rights, security or moneys held, received or receivable by the Secured Party (or any trustee or agent on its behalf);
- (b) be entitled to any right of contribution or indemnity in respect of any payment made or moneys received on account of the Grantor's liability under this Clause 16.8; or
- (c) raise any defence or counterclaim in reduction of its obligation under the Secured Documents.

The Grantor must hold in trust for and immediately pay or transfer to the Secured Party any payment or distribution or benefit of security received by it contrary to this Clause 16.8.

18. GENERAL

18.1 Assignment

- (a) The Grantor may not assign any of its rights or transfer any of its rights or obligations under this deed other than under the terms of the Transaction Documents unless the Grantor first obtains the written consent of the Secured Party.
- (b) The Secured Party may assign any of its rights and transfer any of its obligations under this deed without the consent of the Grantor provided the assignment is accordance with the terms of the Transaction Documents. The Secured Party shall be entitled to disclose such information concerning the Grantor and this deed as the Secured Party considers appropriate to any actual or proposed direct or indirect successor or to any person to whom information may be required to be disclosed by any applicable law.

18.2 Binding on each signatory

This deed binds and is enforceable against the Grantor, despite:

- any other person not executing this deed or its execution being defective in any way;
 or
- (b) any obligation or liability of any other Party under this deed not being binding or enforceable against that Party for any reason.

18.3 Consents

- (a) Except as otherwise expressly provided in this deed, the Secured Party may give or withhold its consent to any matter referred to in this deed in its absolute discretion. A Party that gives its consent to any matter referred to in this deed is not taken to have made any warranty or representation as to any matter or circumstance connected with the subject matter of that consent.
- (b) Any consent given by the Secured Party in connection with this deed may be conditional. The Grantor must comply with any conditions imposed by the Secured Party in respect of such consent.

18.4 Counterparts

 - (ii) it will be bound by the terms of this deed if it is executed by the other party to it using electronic signature; and
 - (iii) if it executes this deed using electronic signature, it intends to be legally bound by its terms, and the other party to this deed can rely on its execution, with the same effect as if the deed had been signed in wet ink.
- (b) In this Clause 18.5, electronic signature includes 'electronic communication' (as defined in the Corporations Act) and any other method of electronic signature permitted by applicable law (including insertion of the signer's name or digitised signature by electronic means including by use of a digital signing platform or signing on an electronic device).

18.6 Exercise and waiver of rights

The rights of the Secured Party under this deed:

- (a) may be exercised as often as necessary;
- (b) are cumulative and not exclusive of its rights under the general law; and
- (c) may be waived only in writing and specifically,

and delay in exercising or non-exercise of any right is not a waiver of that right.

18.7 Indemnities

- (a) Each indemnity in this deed is a continuing obligation, separate and independent from the other obligations of the parties and survives termination, completion, expiration or release of this deed.
- (b) It is not necessary for the Secured Party to incur any expense or to make any payment before enforcing a right of indemnity conferred by this deed.

18.8 Moratorium legislation

To the fullest extent permitted by law, all laws which at any time operate directly or indirectly to lessen, stay, reduce or otherwise affect in favour of the Grantor any obligation under this deed, or to delay or otherwise prevent or prejudicially affect the exercise by the Secured Party of any Power, are expressly waived.

18.9 Prohibition and enforceability

If a term of this deed is illegal, invalid or unenforceable in any respect under any jurisdiction, that will not affect:

- (a) the legality, validity or enforceability in that jurisdiction of any other term of this deed; or
- (b) the legality, validity or enforceability in other jurisdictions of that or any other term of this deed.

18.10 Waiver of defences

The provisions of this deed and the obligations of the Parties are not affected by any act, omission, matter or thing which, but for this Clause 18.10, might have that effect, including:

- (e) any incapacity or lack of power, authority or legal personality of or dissolution or change in the members or status of any person;
- (f) any variation, novation, amendment or replacement (however fundamental and whether or not such variation, novation, amendment or replacement imposes any additional liability or disadvantages any person) of any Secured Document or any other document or security (in each case other than this deed);

- (k) the release or substitution of any property the subject of any Collateral Security;
- (1) the failure to obtain any Security Interest or the loss or impairment of any Security Interest by operation of law or otherwise, whether or not the same is in breach of an express or implied condition to obtain or preserve that Security Interest or is in breach of any equitable duty which might otherwise have been imposed on the Secured Party;
- the transfer, assignment or novation by the Secured Party or any other person of all or (m) any of its rights or obligations under any Secured Document;
- any failure by the Secured Party to disclose to any person any material or unusual fact, (n) circumstance, event or thing known to, or which ought to have been known by, the Secured Party relating to or affecting any person at any time before or during the currency of any Secured Document, whether prejudicial or not to the rights and liabilities of any person and whether or not the Secured Party was under an obligation or duty to disclose that fact, circumstance, event or thing to any person; and
- (o) any person, whether named as a party or not, not executing any Secured Document or the execution of any Secured Document by any person being invalid, forged or irregular in any way.

18.11 Waiver of immunity

The Grantor irrevocably and unconditionally:

- (a) agrees not to claim any immunity from proceedings brought by the Secured Party against it in relation to this deed and to ensure that no such claim is made on its behalf;
- (b) consents generally to the giving of any relief or the issue of any process in connection with those proceedings; and
- waives all rights of immunity in respect of it or its assets. (c)

19. RELEASE

- Except as otherwise specified in a Secured Document, the Security may only be (a) discharged by an express release signed by the Secured Party.
- (b) At the end of the Security Period, the Secured Party must, at the request and cost of the Grantor, take whatever action is necessary to release the Secured Property from the

Security (including but not limited to transferring the Secured Shares back to the Grantor).

20. GOVERNING LAW AND JURISDICTION

20.1 Governing law

- (a) This deed is governed by the law applying in New South Wales.
- (b) The law of the Commonwealth of Australia as it applies in the jurisdiction specified in paragraph (a) above governs each security interest (as defined in the PPSA) arising under this deed to the extent it is able to do so under section 237 of the PPSA.

20.2 Jurisdiction

- (a) The Grantor irrevocably submits to the non-exclusive jurisdiction of the courts of New South Wales and the courts competent to determine appeals from those courts with respect to any proceedings that may at any time be brought in relation to this deed.
- (b) The Grantor irrevocably waives any objection it may now or in the future have to the venue of any proceedings and any claim it may now or in the future have that any proceedings have been brought in an inconvenient forum, where that venue falls within paragraph (a) above.
