

## RETIREMENT OF NON-EXECUTIVE DIRECTOR

Cleanaway Waste Management Limited (ASX: CWY) announces that Non-Executive Director Mike Harding will retire from the Cleanaway Board on 20 October 2022.

Cleanaway Chairman Mark Chellew said, "Since joining the Board in March 2013, Mike has made a significant contribution to the growth and success of Cleanaway. Mike's depth of corporate experience and understanding of industrial companies through his executive roles and directorships has been an enormous asset to the Board. Mike retires from the Board at a time when the Company has set solid foundations and is well placed to continue its growth through execution of its *BluePrint 2030* Strategy. On behalf of the Board, I would like to thank Mike for his contribution and wise counsel and wish him all the best for the future."

Mike Harding's retirement from the Board continues the program of orderly board renewal that Cleanaway has been undertaking over recent years. His retirement follows the appointment of Michael Kelly and Ingrid Player during 2021 and Jackie McArthur earlier this month.

This announcement has been authorised for release by the Board of Cleanaway.
