Capital Raising – Investor Question and Answer Forum

On 19 September 2022 EOL announced the successful placement of shares to institutional investors with a Rights Issue to existing shareholders launching on or about 26 September 2022. In advance of the launch EOL would like to take the time to provide investors with a forum to ask company representatives relevant questions with the Board Chair Mr Andrew Bonwick and CEO Mr Shaun Ankers present.

The forum is expected to be interactive and is an opportunity to either send the company questions before the session or alternately participate in a web conference via Microsoft Teams. Questions should be sent to the Company Secretary guy.steel@energyone.com.

The company has already received a number of questions and we will summarise these questions and provide answers in the forum.

The forum will be held at:

11:00 (AEST) on Wednesday 21st September 2022

We will be using Microsoft Teams and investors can ask questions.

To attend via Microsoft Teams (can view video and presentation)

- (c) With Microsoft Teams, there are 3 ways to join the meeting:
