### MONADELPHOUS CONTRACTS UPDATE

Engineering company Monadelphous Group Limited (ASX: MND) (“Monadelphous” or “the Company”) today announced it has secured new contracts and contract extensions totalling approximately \$160 million.

The Company has secured a contract to provide operations, maintenance and industrial services to support Petrofac in the decommissioning of the Northern Endeavour Floating Production, Storage and Offtake (FPSO) facility, which is located approximately 550 kilometres northwest of Darwin in the Timor Sea. This is Monadelphous’ first offshore decommissioning contract, with work expected to be completed in the second half of 2023.

Monadelphous has also been appointed to a panel providing non-process infrastructure services across Fortescue Metals Group’s Pilbara operations in Western Australia for a three-year period (with a one-year extension option).

In New South Wales, the Company has secured a master agreement with Yancoal Australia for the provision of major overhaul and heavy shutdown services at the Mount Thorley Warkworth Mine.

Finally, Monadelphous has been awarded a three-year extension to continue providing general, electrical and mechanical maintenance, shutdown support and tank refurbishment services at Boddington Gold Mine in Western Australia and Tanami Gold Mine in the Northern Territory.
