¹ "Corporate governance statement" is defined in Listing Rule 19.12 to mean the statement referred to in Listing Rule 4.10.3 which discloses the extent to which an entity has followed the recommendations set by the ASX Corporate Governance Council during a particular reporting period.

Listing Rule 4.10.3 requires an entity that is included in the official list as an ASX Listing to include in its annual report either a corporate governance statement that meets the requirements of that rule or the URL of the page on its website where such a statement is located. The corporate governance statement must disclose the extent to which the entity has followed the recommendations set by the ASX Corporate Governance Council during the reporting period. If the entity has not followed a recommendation for any part of the reporting period, its corporate governance statement must separately identify that recommendation and the period during which it was not followed and state its reasons for not following the recommendation and what (if any) alternative governance practices it adopted in lieu of the recommendation during that period.

Under Listing Rule 4.7.4, if an entity chooses to include its corporate governance statement on its website rather than in its annual report, it must lodge a copy of the corporate governance statement with ASX at the same time as it lodges its annual report with ASX. The corporate governance statement must be current as at the effective date specified in that statement for the purposes of Listing Rule 4.10.3.

Under Listing Rule 4.7.3, an entity must also lodge with ASX a completed Appendix 4G at the same time as it lodges its annual report with ASX. The Appendix 4G serves a dual purpose. It acts as a key designed to assist readers to locate the governance disclosures made by a listed entity under Listing Rule 4.10.3 and under the ASX Corporate Governance Council's recommendations. It also acts as a verification tool for listed entities to confirm that they have met the disclosure requirements of Listing Rule 4.10.3.

The Appendix 4G is not a substitute for, and is not to be confused with, the entity's corporate governance statement. They serve different purposes and an entity must produce each of them separately.

² Tick whichever option is correct and then complete the page number(s) of the annual report, or the URL of the web page, where your corporate governance statement can be found. You can, if you wish, delete the option which is not applicable.

³ Throughout this form, where you are given two or more options to select, you can, if you wish, delete any option which is not applicable and just retain the option that is applicable. If you select an option that includes "OR" at the end of the selection and you delete the other options, you can also, if you wish, delete the "OR" at the end of the selection.

The Board of Directors has put in place a framework of internal policies, procedures and guidelines for the governance of the Company, which has appropriate regard to the ASX Principles and Recommendations.

Whilst the Board has demonstrated, and continues to demonstrate, its commitment to best practice in corporate governance, it emphasises that good corporate governance is only one factor contributing to the success of the Company's operations.

The governance framework is reviewed annually by the Board with the object of achieving at all times the highest standards of corporate governance and ethical corporate behaviour.

Additional information about the Company's corporate governance practices is set out on the Company's website at www.ady.com.au.

The Board may, from time to time, delegate some of the responsibilities listed above to its senior management team.

Responsibility of the Managing Director:

Responsibility for management of the Company's business and affairs, within the scope of the governance framework established by the Board, is delegated to the Managing Director, and subject to the oversight and supervision of the Board. It is the responsibility of the Managing Director, acting within his delegated authority, to manage the Company and its business.

The responsibilities of the Managing Director include:

- developing and recommending to the Board strategies, business plans and annual budgets for the Company;
- implementing the strategies, business plans and budgets adopted by the Board;
- managing resources within budgets approved by the Board;
- ensuring compliance with applicable laws and regulations; and
- ensuring the Board is given sufficient information to enable it to perform its functions, set strategies and monitor performance.

Appointment, induction and training

In selecting new Directors, the Board must ensure that the candidate has the appropriate range of skills, experience and expertise that will best complement Board effectiveness.

The Company ensures that appropriate background checks are undertaken regarding the potential new Director's character, experience, education, criminal record and bankruptcy history before appointing or putting forward a Director to shareholders for election as a Director.

The Company also provides its shareholders with all material information in its possession that is relevant to their decision on whether or not to elect or re-elect a Director through the Notice of Meeting, Director Resumes and other information contained in the Annual Report and on the Company's website.

Upon appointment, each Director will receive a written agreement which sets out the terms of their appointment. New Directors will also attend an induction program where they are briefed on the Company's:

- operations and the industry sectors in which it operates;
- financial, strategic, operational and risk management position;
- governance matters, policies and procedures; and
- the Director and committee member's rights, duties and responsibilities.

Directors are also provided with regular professional development opportunities to develop and maintain the skills and knowledge needed to perform their role as Directors effectively.

Company Secretary

All Directors have access to the Company Secretary. The Company Secretary is accountable to the Board, through the Chair, on all corporate governance matters.

- ensuring that the business at Board and committee meetings is accurately captured in the minutes; and

Diversity Policy

The Company is committed to ensuring an inclusive workplace that encourages and embraces diversity, but the current Board has not established a Diversity Policy due to the limited size of the Board and operations.

The respective proportions of men and women on the Board, in senior executive positions and across the Company are as below:

	Men	Women
Board	33%	67%
Senior executive*	-%	100%

* Managing Director

Performance Review of Directors

As part of the annual review of the performance of the Board, the appropriate size, composition and terms and conditions of appointment to and retirement from the Board are considered. The level of remuneration for non-executive directors is considered with regard to practices of other public companies and the aggregate amount of fees approved by shareholders. The Board also reviews the appropriate criteria for Board membership collectively.

A formal Board review was not undertaken in the current year as the Board as the Directors have agreed to defer payment of their fees to manage working capital pressures.

Performance review of Executives

A performance evaluation of the Managing Director is conducted annually. The Managing Director is requested to provide feedback on how they feel they have performed over the 12 month period (360 degree feedback).

A formal Management review was not undertaken in the current year as the Board as the Directors have agreed to defer payment of their fees to manage working capital pressures.

Council Principle 2: Structure the board to add value

The Company considers that each Director possesses skills and experience suitable for building the Company. The skills, experience and expertise relevant to the position of each Director (who is in office at the date of the Annual Report and their term of office) are detailed in the Directors' Report. To add value to the Company, the Board is structured to discharge adequately its responsibilities and duties in respect of the size and scale of operations.

Nomination

Due to the relatively small size of the Company and the nature of the Company's core business, the Board has not created a Nominations Committee as these matters are considered by the Board.

The Board addresses succession issues and ensures the Board has the appropriate balance of skills, knowledge, experience, independence and diversity to enable it to discharge its duties and responsibilities effectively through regular review and assessment.

Board Skills and Experience

The length of service of each Director is set out in the Directors' Report of the Annual Report. The skills and experience of the directors are set out in the matrix below.

Experience	Industry
<ul style="list-style-type: none">• Mining investment• Mine engineering, development and management• Capital raising management• Corporate Finance	<ul style="list-style-type: none">• Mining & Geology• Investment Banking• Legal• Finance and Accounting

Independent Directors

Currently, the Board has a majority of Directors which are considered to be independent. The Company believes it has the right mix of skills, independence and experience on the Board at this time, given the Company's current business objectives and stage of growth.

At all times during the year, the Company has maintained a separation between the Chair and Managing Director roles.

The following table provides information in relation to the independence of Directors as at year end:

Name	Position	Independent	Factors affecting independence	Length of Service
Bin Li	Non-Executive Chairman	Yes	Nominated by majority shareholder and elected as Non-Executive Director at General Meeting of Members on 21 September 2014.	7 years
Qing Zhong	Managing Director	No	Employed in an executive capacity as Managing Director.	7 years, 10 months
Jian Barclay	Executive Director	Yes	There are no known factors affecting independence.	2 years, 4 months

Bin Li and Jian Barclay both hold shares in the company, but their interests are considered to be immaterial by the Board and will not interfere with the director's independence.

Induction and Training

When appointed to the Board, a new director will receive an induction appropriate to their experience.

Directors are encouraged to seek professional development to develop and maintain the skills and knowledge needed to perform their role as directors effectively.

Council Principle 3: Instil a culture of acting lawfully, ethically and responsibly

Core Values

Due to the size of the Board and the Company not having permanent employees, the Board has not set expressly articulated its values. However, the Board is committed to a cultivating a corporate culture whereby all directors and employees behave acting lawfully, ethically and responsibly.

Code of Conduct

The Board has adopted a Corporate Code of Conduct to establish and encourage observance of standards of ethical and responsible decision making and behaviour that is necessary to maintain confidence in the Company's integrity. This enables Directors to recognise legal, social and other obligations and guide compliance to the Company's shareholders and stakeholders.

All staff and employees are required to report any breach of the Code to the Board.

Directors are required to disclose to the Board actual or potential conflicts of interest that may or might reasonably be thought to exist in so far as it affects the activities of the Company. The Company's anti-corruption policy is included as part of its Code of Conduct.

Council Principle 4: Safeguard integrity in corporate reporting

Board Committees

The Board has not established an Audit Committee due to the limited size of the Board and the limited current activities of the Company.

Instead the function will be undertaken by the full Board in accordance with policies and procedures outlined in the Audit Committee Charter:

External Auditor

RSM Australia Partners are the appointed external auditors of the Company and were appointed at the Company's 2015 Annual General Meeting. The performance of the external auditor is reviewed periodically and, if necessary, applications for tender of external audit services will be requested as deemed appropriate.

It is the practice of the Company to require the external auditor to attend the Annual General Meeting and be available to answer shareholders questions about the conduct of the annual audit and content of the auditor's report.

An analysis of fees paid to the external auditors, including a breakdown of any fees for any non-audit services, is provided in Note 20 to the financial statements. The Directors are satisfied that the provision of non-audit services during the year by RSM Australia Partners is compatible with the general standard of independence as imposed by the Corporations Act. The external auditors provide an annual declaration of their independence to the Company.

Verify the integrity of any periodic corporate report it releases to the market that is not audited or reviewed by an external auditor

In the limited event where the unaudited financial information is released to the market, such information is prepared by independent qualified accountants.

Council Principle 5: Make timely and balanced disclosure

Continuous Disclosure

All Directors have been made aware of the continuous disclosure requirements of the ASX Listing Rules and have been provided with a copy of the relevant rules and guidance notes. Continuous disclosure is included on the agenda for all formal meetings of the directors. Directors are made aware of the constraints applicable to private briefings and broker and analyst presentations.

The Directors have allocated responsibility to each director and the company secretary to alert the Board to any operational or regulatory matters respectively which they consider may require disclosure to the market under the continuous disclosure requirements of the ASX Listing Rules. The Directors then consider and approve the form of any such announcement.

All Company announcements require the approval of the board with provision for available directors to approve urgent announcements. The company secretary is responsible for communication with ASX.

All new and substantive investor or analyst presentations will be released to the ASX.

The Annual Report contains a review of operations.

Council Principle 6: Respect the rights of shareholders

Communication Policy

The Company has guidelines to promote effective communication with shareholders and encourage effective participation through a policy of open, balanced disclosure of all material information with respect to the Company's affairs to shareholders, regulatory authorities and stakeholders.

Information will be communicated to shareholders as follows:

The Annual Report is made available on the Company's website and is provided in hard copy format to shareholder who requests it.
- The Half-Year Report contains summarised financial information and a review of the operations of the consolidated entity during the year. The Board encourages full participation of shareholders at the Annual General Meeting to ensure a high level of accountability and identification with the consolidated entity's strategy and goals. Important issues are presented to the shareholders as resolutions. The Company also ensures that the audit partner attends the Annual General Meeting.

The Company endeavours to ensure that all substantive resolutions at a meeting of security holders are decided by a poll rather than by a show of hands.

The Company maintains a website at: www.ady.com.au

On its website, the Company makes the following information available on a regular and up-to-date basis:

The website also provides information about the last three years press releases / announcements including three years of financial data.

Council Principle 7: Recognise and manage risk

Oversight and Management of Material Business Risks

The Company is aware of the risks involved in an exploration and mining company and the specific uncertainties for the Company continue to be regularly monitored and reviewed by the Board. All proposals reviewed by the Board include a conscious consideration of the issues and risks of the proposal.

It has not established a separate committee to deal with these matters as the directors consider the size of the Company and its operations does not warrant a separate committee at this time.

The potential exposures associated with operating the Company are managed by the Managing Director, the Company Secretary and consultants who have significant broad-ranging industry experience, who work together as a team and regularly share information on current activities. During the year, the Managing Director has disclosed to the Board the effectiveness of the Company's management of the material business risks.

Additionally, it is the responsibility of the Board to assess the adequacy of the Company's internal control systems and that its financial affairs comply with applicable laws, regulations and professional practice. The Managing Director and the Company Secretary declare in writing to the Board that the financial reporting, risk management and associated compliance controls have been assessed and found to be operating efficiently and effectively.

The Managing Director and the Company Secretary make this representation prior to the Directors' approval of the release of the annual and six monthly accounts. This representation is made after enquiry of, and representation by, appropriate levels of management.

This assessment was completed as part of the 30 June 2022 Annual Report and 31 December 2021 Half Year Report.

Internal Audit

The Company does not have an internal audit function, and due to its size and current activities the Board does not believe one is warranted at this time. The Board evaluates and monitors internal control processes to continually improving the effectiveness of its risk management.

Material exposure to economic, environmental and social sustainability risks

This information is disclosed in Note 17 – Financial Risk Management in the Annual Report.

Council Principle 8: Remunerate fairly and responsibly

Remuneration Committee

Due to the relatively small size of the Company and its operations, the Board does not consider it appropriate, at this time, to form a separate committee to deal with executive remuneration. The Board as a whole establishes and reviews annually the remuneration of the executive directors, senior executives and employees.

The Board's policy is to remunerate Executive and Non-Executive Directors based on external data including information published by various recruiting firms, the time commitment of Directors, the size and scale of the Company's operations, the quantum of the tasks in the initial phases of development of the Company, market capitalisation and various other factors.

The Company distinguishes the structure of Non-Executive Directors' remuneration from that of Executive Directors.

There are no elements of remuneration related to performance paid to Non-Executive Directors and there are currently no schemes for retirement benefits for Non-Executive Directors. Non-Executive Director's fees are determined within an aggregate pool limit, which is periodically recommended for approval by shareholders.

The Company does not have an equity-based remuneration scheme.
