Securityholders may lodge their proxy appointment:

## CORPORATE REPRESENTATIVES

A corporate Securityholder may elect to appoint a representative to vote on its behalf rather than a proxy, in accordance with the Corporations Act. Where a corporate Securityholder appoints a representative, ML or MPT (as relevant) requires written proof of the representative's appointment to be provided to Mirvac before the AGM commences.

# Entitlement to vote

## WHO CAN VOTE?

In accordance with the Corporations Regulations 2001 (Cth), the Directors of Mirvac have determined that the stapled securities on issue as at 7.00pm (AEDT) on Wednesday, 16 November 2022 will be taken, for the purposes of the AGM, to be held by the persons who held them at that time. This means that any Securityholder registered at 7.00pm (AEDT) on Wednesday, 16 November 2022 is entitled to attend and vote at the AGM.

## HOW IS THE VOTE CARRIED OUT?

Voting on all the resolutions will be conducted by way of a poll.

## HOW MANY VOTES DOES EACH SECURITYHOLDER HAVE?

Voting on the resolutions will be decided on a poll. On a poll each Securityholder has:

- in the case of a resolution of ML, one vote for each share held in ML; and
- in the case of a resolution of MPT, one vote for each whole \$1.00 of unit value held in MPT.

A Securityholder does not have to exercise all of their votes on their stapled securities in the same way and not all votes need to be cast.

A proxy may decide whether or not to vote on any item of business or other motion at the AGM, except where the proxy is required by law or the Constitutions of ML or MPT to vote or abstain from voting in their capacity as proxy. If the proxy's appointment directs the proxy how to vote on an item of business, the proxy may vote on that item only in accordance with the direction. If the proxy's appointment does not direct the proxy how to vote on an item of business or any other motion at the AGM, the proxy may vote as he or she thinks fit on that item or motion, subject to any applicable voting restrictions. If an appointment of a proxy specifies the way the proxy is to vote on a particular resolution at the AGM and the appointed proxy does not attend the AGM or does not vote on a poll on the resolution in accordance with the direction, then the Chair will be taken to have been appointed as the proxy of the relevant Securityholder in respect of the AGM or the poll on that resolution, as applicable.

A Securityholder who is entitled to cast two or more votes may appoint two proxies and may specify the proportion or number of votes each proxy is appointed to exercise. If the appointment does not specify the proportion or number of the Securityholder's voting rights, each proxy may exercise half of the Securityholder's votes. Fractions will be disregarded.

## VOTING INTENTIONS OF THE CHAIR

If a Securityholder directs the Chair how to vote on an item of business, the Chair must vote in accordance with the direction. For proxies without voting instructions that are exercisable by the Chair, the Chair intends to vote in favour of that item on a poll.

If a Securityholder appoints the Chair as their proxy but does not direct the Chair on how to vote, then by submitting the Voting Form they are expressly authorising the Chair to vote in favour of each item of business, even when an item of business is directly or indirectly connected to the remuneration of a member of the key management personnel of Mirvac.

## ORDINARY RESOLUTIONS

All resolutions in this Notice are ordinary resolutions. An ordinary resolution is passed if more than 50% of the votes cast by or on behalf of Securityholders entitled to vote on the resolution are in favour of the resolution.

# Explanatory Notes

## ITEM 1 – ANNUAL REPORTS

In accordance with the Corporations Act, ML's Financial Report, Directors' Report and Auditor's Report ("Reports") for the financial year ended 30 June 2022 will be presented to the Annual General Meeting of ML.

No resolution is required for this item, but following consideration of the Reports, the Chair will give Securityholders as a whole at the AGM a reasonable opportunity to ask questions and make comments on the Reports and on the business, operations and management of ML and MPT.

Securityholders as a whole will also be given a reasonable opportunity at the AGM to ask a representative of the Auditor questions relevant to the:

Item 2.3 seeks approval for the election of Damien Frawley who, as a Director appointed since the last AGM ceases to hold office in accordance with article 10.8 of ML's Constitution, and being eligible, intends to offer himself for election as a Director of ML. # Explanatory Notes continued

## ITEM 3 – REMUNERATION REPORT

Mirvac's Remuneration Report (which forms part of the Directors' Report) is set out from page 51 of the Mirvac 2022 Annual Report, which is available on Mirvac's website at [mirvac.com/investor-centre/annual-report](https://mirvac.com/investor-centre/annual-report).

The Remuneration Report includes information relating to:

- remuneration governance;
- remuneration strategy and structure;
- Non-Executive Directors' remuneration;
- relationship between remuneration and Mirvac performance; and
- specified details of the remuneration of the Non-Executive Directors, CEO & Managing Director and other KMPs of Mirvac for the year ended 30 June 2022.

Securityholders will be asked to vote at the Annual General Meeting on a resolution to adopt the Remuneration Report. The vote is advisory only and will not bind the Directors or ML. However, Directors will take into account the outcome of the vote when considering relevant remuneration matters in the future. Securityholders as a whole will be given a reasonable opportunity to ask questions and make comments on the Remuneration Report.

### RECOMMENDATION

The Directors unanimously recommend that Securityholders vote in favour of this resolution.

The Chair of the AGM intends to vote all available proxies in favour of this item.

## ITEM 4 – NON-EXECUTIVE DIRECTORS' FEE POOL INCREASE

ASX Listing Rule 10.17, provides that that a listed entity must not increase the total aggregate amount of directors' fees payable to all of its Non-Executive Directors without securityholder approval. Article 10.9 of Mirvac's Limited's constitution also provides that the amount of remuneration of the Directors is a yearly sum not exceeding the sum from time to time determined by ML in general meeting.

Securityholders are being asked to approve an increase in the maximum annual aggregate amount of remuneration that may be paid to Mirvac's Non-Executive Directors (Fee Pool) from \$2.25 million to \$2.75 million, being an increase of \$500,000.

The current Fee Pool limit of \$2.25 million was approved by Mirvac's Securityholders at the 2014 Annual General and General Meetings. The Fee Pool includes all Board and Board Committee fees paid to Non-Executive Directors, including fees paid for any directorships of any Mirvac subsidiary entities, as well as superannuation contributions made on behalf of Non-Executive Directors.

Details of the fees paid to Non-Executive Directors, including Board Committee fees, are set out in the Remuneration Report of Mirvac's 2022 Annual Report. The Board is comprised of eight Non-Executive Directors. The Board and Committee fees paid to Mirvac's Non-Executive Directors for the years ended 30 June 2021 and 30 June 2022 totalled \$1,718,984 million and \$1,906,417 million, respectively. The rationale for the proposed increase in the Fee Pool is primarily to support the expansion of Mirvac's funds management business by enabling one or more Non-Executive Directors to be appointed as Mirvac nominee Directors to trustee or other subsidiary boards.

In addition, the Board believes that the proposed increase to the Fee Pool limit is a prudent step that would continue to support its ability to:

- maintain appropriate headroom capacity to allow it to undertake orderly succession of Non-Executive Director retirements and appointments, including during transitional periods where there might be an overlap between Director terms. During FY22, as part of the Board's proactive succession and transitioning planning, Damien Frawley was appointed as a Non-Executive Director in December 2021, which increased the number of Non-Executive Directors on the Board from seven to eight;
- continue to provide the Board with strategic flexibility to make additional Board appointments, if and when required; and
- establish special Committees of the Board from time to time to deal with significant transactions and due diligence activities which involves the performance of additional services or duties for which Non-Executive Directors are entitled to be paid.

This Fee Pool is a maximum limit only. While ML is seeking to increase the Fee Pool limit, if the increase in the Fee Pool is approved by Securityholders, the Board does not currently intend to increase the base Non-Executive Directors' fee or the Board Committee fees. If this Item 4 is approved by Securityholders the Fee Pool will increase to \$2.75 million. If this item 4 is not approved, the Fee Pool will remain at \$2.25 million and the Board will not have the flexibility described above and any future Non-Executive Directors appointments and fees will need to be assessed within the current Fee Pool.

The proposed increase in the Fee Pool does not impact on the remuneration arrangements of the CEO & Managing Director. As an Executive Director, the CEO & Managing Director does not receive separate Director's fees in addition to the remuneration package received in their executive capacity.

No Mirvac securities have been issued to Mirvac's Non-Executive Directors under ASX Listing Rules 10.11 or 10.14 at any time in the last three years.

### RECOMMENDATION

As the Non-Executive Directors have an interest in the outcome of this item, the Board does not believe it is appropriate to make a recommendation to Securityholders as to how to vote on this resolution.

The Chair of the AGM intends to vote all available proxies in favour of this item.

## HOW TO COMPLETE THIS VOTING FORM

### YOUR NAME AND ADDRESS

This is your name and address as it appears on Mirvac Group's Security register. If this information is incorrect, please make handwritten corrections on this form. Securityholders sponsored by a broker should advise their broker of any changes. **Please note: you cannot change ownership of your Securities using this form.**

### VOTING UNDER BOX A – VOTING DIRECTLY

If you ticked the box under Box A you are indicating that you wish to vote directly. You may vote by marking one of the boxes opposite each resolution. If you do not mark any of the boxes opposite a resolution, your vote will be invalid for that resolution.

Custodians and nominees may, with the Security registry's consent, identify on this form the total number of votes in each of the categories "For" and "Against" and their votes will be valid.

If you have lodged a direct vote, and then you attend the Meetings, your attendance will cancel your direct vote.

The Chair's decision as to whether a direct vote is valid is conclusive.

### VOTING UNDER BOX B – APPOINTMENT OF PROXY

If you wish to appoint the Chair as your proxy, mark the box in Box B. If you wish to appoint someone other than the Chair as your proxy, please write the name and email address of that individual or body corporate in the box provided at Box B. A proxy need not be a Securityholder of the Company.

If you complete both Box A and Box B, or neither of Box A or Box B, this form will be deemed to be an appointment of proxy to the Chair.

### DEFAULT TO CHAIR

Any directed proxies that are not voted on a poll at the Meetings will default to the Chair, who is required to vote those proxies as directed. Any undirected proxies that default to the Chair of the Meetings will be voted according to the instructions set out in this Voting Form, including where the Resolutions are connected directly or indirectly with the remuneration of KMP.

### VOTES ON ITEMS OF BUSINESS – PROXY APPOINTMENT

You may direct your proxy how to vote by marking one of the boxes opposite each resolution. All your Securities will be voted in accordance with such a direction unless you indicate only a portion of voting rights are to be voted on any item by inserting the proportion or number of Securities you wish to vote in the appropriate box or boxes. If you do not mark any of the boxes on a given resolution then, subject to any voting restrictions that apply to the proxy, your proxy may vote as he or she chooses.

If the Chair is your proxy (either by appointment or default), and you do not complete any of the boxes by marking "For", "Against" or "Abstain" opposite a resolution on this form, the Chair intends to exercise your vote in favour of each resolution. If you wish to appoint the Chair as your proxy with a direction to vote against, or to abstain from voting on a resolution, you should specify this by marking the "Against" or "Abstain" boxes opposite the resolution on this form.

If you mark more than one box on a resolution your vote on that resolution will be invalid.

### APPOINTMENT OF A SECOND PROXY

If you are entitled to cast two or more votes, you may appoint up to two persons as proxies to attend the Meetings and vote on a poll. If you wish to appoint a second proxy, an additional voting form may be obtained by telephoning Mirvac Group's Security registry or you may copy this form and return them both together.

To appoint a second proxy you must:

- (a) on each of the first voting form and the second voting form state the proportion of your voting rights or number of Securities applicable to that form. If the appointments do not specify the proportion or number of votes that each proxy may exercise, each proxy may exercise half your votes. Fractions of votes will be disregarded; and
- (b) return both voting forms together.

### SIGNING INSTRUCTIONS

You must sign this form as follows in the spaces provided:

**Individual:** where the holding is in one name, the Securityholder must sign.

**Joint Holding:** where the holding is in more than one name, any one joint Securityholder may sign.

**Power of Attorney:** to sign under Power of Attorney, you must lodge the Power of Attorney with the Security registry. If you have not previously lodged this document for notation, please attach a certified photocopy of the Power of Attorney to this form and return both documents by mail or by hand. By signing this form you declare that you have not received any notice of revocation of your appointment as attorney.

**Companies:** where the company has a Sole Director who is also the Sole Company Secretary, this form must be signed by that person. If the company (pursuant to section 204A of the *Corporations Act 2001*) does not have a Company Secretary, a Sole Director can also sign alone.
