#### Voting Procedure

Under the Company's constitution (**Constitution**), each poll will be conducted as directed by the chair of the Meeting (the **Chair**).

Shareholders can vote in one of two ways:

- by attending the Meeting and voting; or
- by appointing a proxy to attend and vote on their behalf.

Shareholders are asked to arrive at the venue 15 minutes prior to the time designated for the Meeting, if possible, so that the Company may check their Shareholding against the Company's share register and note attendances.

#### Voting Restrictions

The voting prohibitions under the *Corporations Act 2001* (Cth) (**Corporations Act**) and voting exclusions under the ASX Listing Rules (**Listing Rules**) for each Item are set out in the Explanatory Notes to this Notice.

### PROXY FORMS

#### Proxy Form

Enclosed with this Notice is a personalised proxy form (**Proxy Form**). The Proxy Form allows Shareholders who are not attending the Meeting to appoint a proxy to vote on their behalf.

If you hold fully paid ordinary shares in the capital of the Company (**Shares**) in more than one capacity, please complete the Proxy Form that is relevant to each holding.

#### Appointing proxies

Shareholders, who are entitled to attend and vote at the Meeting, may appoint a proxy to act generally at the Meeting and to vote on their behalf.

A proxy need not be a Shareholder of the Company.

A Shareholder entitled to attend and vote can appoint up to two proxies, and should specify the proportion or number of votes each proxy is appointed and authorised to exercise. If no proportion or number is specified, each proxy may exercise half of the Shareholder's votes. If you wish to appoint two proxies please call +61 1300 554 474 and request an additional Proxy Form.

A corporate Shareholder or proxy must appoint a person as its corporate representative.

#### Undirected proxies

Any proxy given to:

- a member of the Company's key management personnel (those persons having authority and responsibility for planning, directing and controlling the activities of the Company and its consolidated group, directly or indirectly, including any director (whether executive or

otherwise) of the Company (**Directors**) or of an entity within the consolidated group) (**Key Management Personnel**), other than the Chair; or

- their closely related parties (including a spouse, child, dependent or other close family members, as well as any companies they control) (**Closely Related Parties**),

for Item 3 will not be counted unless Shareholders specify how the proxy is to vote.

Any undirected proxy given to the Chair for Item 3 by a Shareholder entitled to vote on Item 3 will be voted by the Chair in favour of the Item, in accordance with the express authorisation on the Proxy Form (even though Item 3 is connected directly or indirectly with the remuneration of members of Key Management Personnel). The Chair intends to vote all valid undirected proxies for all Items in favour of those Items.

#### Power of attorney and corporate representatives

If the Proxy Form is signed by an attorney, the power of attorney or a certified copy of it must be sent with the Proxy Form.

A body corporate member may elect to appoint a representative, rather than appoint a proxy. Where a body corporate appoints a representative, written proof of the representative's appointment must be to be lodged with, or presented to the Company before the Meeting.

A body corporate appointed as a proxy must also lodge a certificate of appointment of a corporate representative.

The appointment of a corporate representative must be received by the Company before the meeting or at the registration desk on the day of the Meeting. Certificates of appointment of corporate representatives are available at [https://www.linkmarketservices.com.au/corporate/forms/holding-management/App\\_Corp\\_Rep\\_140312.pdf](https://www.linkmarketservices.com.au/corporate/forms/holding-management/App_Corp_Rep_140312.pdf) or on request by calling +61 1300 554 474.

### By order of the Board of Directors

# Orbital Corporation Limited

## EXPLANATORY NOTES

### ITEM 1 CHAIRMAN'S ADDRESS AND THE CEO'S REPORT

The Chair will address the Meeting and the CEO will make a presentation on the performance of the Company during the financial year ended 30 June 2022, as well as other strategic and operational activities of the Company. The Chair will also allow time at the end of the Meeting to respond to questions by Shareholders at or before the Meeting.

### ITEM 2 DISCUSSION OF FINANCIAL STATEMENTS AND REPORTS

In accordance with the Corporations Act, Shareholders will have a reasonable opportunity to ask questions or make comments on the Company's Financial Report, Directors' Report and Auditor's Report for the year ended 30 June 2022.

The Company's auditor, PricewaterhouseCoopers will be present at the Meeting and Shareholders will have an opportunity to ask the auditor questions in relation to the conduct of the audit, the Auditor's Report, the Company's accounting policies and the independence of the auditor.

The auditor will also respond to any written questions provided these are submitted to the Company no later than five business days prior to the Meeting.

There is no requirement for Shareholders to approve the Company's Financial Report, Directors' Report and Auditor's Report.

A copy of the Company's 2022 Annual Report, which includes the Company's Financial Report, Directors' Report and Auditor's Report is available on the Company's website: <https://orbitaluav.com/>.

### ITEM 3 REMUNERATION REPORT

#### Background

The Remuneration Report for the financial year ended 30 June 2022 is included in the Company's 2022 Annual Report and sets out the Company's remuneration arrangements for Directors and executive staff.

The Chair will allow a reasonable opportunity for Shareholders to ask questions about or make comments on the Remuneration Report at the Meeting. Shareholders will then be asked to vote on the Remuneration Report.

The vote is advisory only and does not bind the Company or its Directors. The Company's board (**Board**) will consider the outcome of the vote and comments made by Shareholders on the Remuneration Report at the meeting when reviewing the Company's remuneration policies.

#### No spill resolution

If at least 25% of votes that are cast are voted against the adoption of the Company's Remuneration Report at two consecutive annual general meetings, Shareholders must vote on whether the Board (other than the Managing Director) should go up for re-election.

At the Company's 2021 annual general meeting, less than 25% of the votes cast on the resolution to adopt the 2021 Remuneration Report were voted against the resolution. Accordingly no spill resolution will be held at this Meeting.

#### Board recommendation

The Board abstains, in the interests of good corporate governance, from making a recommendation in relation to the adoption of the Remuneration Report.

The Chair intends to vote undirected proxies in favour of Item 3 in accordance with the express authorisation on the Proxy Form.

### Voting prohibition statement

In accordance with the Corporations Act, the Company will disregard any votes cast on Item 3:

- by or on behalf of a member of Key Management Personnel (details of whose remuneration are including in the Remuneration Report), or their Closely Related Parties, regardless of the capacity in which the votes are cast; or
- by a person who is a member of the Key Management Personnel at the date of the Meeting, or their Closely Related Parties, as a proxy.

However, votes will not be disregarded if they are cast as a proxy for a person entitled to vote on Item 3:

- in accordance with a direction as to how to vote on the proxy; or
- by the Chair pursuant to an express authorisation to exercise the proxy even though this Item 3 is connected directly or indirectly with the remuneration of the Key Management Personnel.

## EXPLANATORY NOTES

### Board recommendation

The Board (other than Mr Gallagher who has an interest in Item 4) believe that the re-election of Mr Gallagher is in the best interests of the Company, as his skills and experience align with the Company's strategic direction, and unanimously recommend that Shareholders vote in favour of the re-election of Mr Gallagher.

The Chair intends to vote undirected proxies in favour of Item 4.

## ITEM 5 ADDITIONAL CAPACITY TO ISSUE EQUITY SECURITIES

### General

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

Listing Rule 7.1A enables eligible entities to issue Equity Securities up to 10% of its issued share capital through placements over a 12-month period after the annual general meeting (**10% Placement Facility**). The 10% Placement Facility is in addition to the Company's 15% placement capacity under Listing Rule 7.1.

An eligible entity for the purposes of Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300 million or less. The Company is an eligible entity.

The Company is seeking Shareholder approval by way of a special resolution to have the ability to issue Equity Securities under the 10% Placement Facility. The number of Equity Securities to be issued under the 10% Placement Facility will be determined in accordance with the formula prescribed in Listing Rule 7.1A.

If Item 5 is passed, the effect will be that the Company will be able to issue Equity Securities under the 10% Placement Facility in addition to the Company's 15% placement capacity under Listing Rule 7.1.

If Item 5 is not passed, the effect will be that the Company will not be able to issue any Equity Securities under the 10% Placement Facility and will have to rely upon its 15% placement capacity under Listing Rule 7.1 for the issue of Equity Securities.

Item 5 is a special resolution and therefore requires approval of 75% of the votes cast by Shareholders present and eligible to vote (in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative).

The Chair intends to exercise all available proxies in favour of Item 5.

### Listing Rule 7.1A

#### (a) Shareholder approval

The ability to issue Equity Securities under the 10% Placement Facility is subject to Shareholder approval by way of a special resolution at an annual general meeting.

#### (b) Equity Securities

Any Equity Securities issued under the 10% Placement Facility must be in the same class as an existing quoted class of Equity Securities of the company.

The Company, as at the date of the Notice, has on issue one quoted class of Equity Securities, being Shares.

#### (c) Formula for calculating 10% Placement Facility

Listing Rule 7.1A.2 provides that eligible entities that have obtained Shareholder approval at an annual general meeting may issue or agree to issue, during the 12 month period after the

date of the annual general meeting, a number of Equity Securities calculated in accordance with the following formula:

### (A x D) – E

**A** is the number of fully paid ordinary securities on issue 12 months before the date of issue or agreement:

(i) plus the number of fully paid ordinary securities issued in the 12 months under an exception in Listing Rule 7.2 (other than exception 9, 16 or 17),

(ii) plus the number of fully paid ordinary securities issued in the 12 months on the conversion of convertible securities within rule 7.2 (exception 9) where:

(A) the convertible securities were issued or agreed to be issued before the commencement of the 12 months; or

(B) the issue of, or agreement to issue, the convertible securities was approved, or taken under the Listing Rules to have been approved, under Listing Rule 7.1 or Listing Rule 7.4,

(iii) plus the number of fully paid ordinary securities issued in the 12 months under an agreement to issue securities within Listing Rule 7.2 (exception 16) where:

(A) the agreement was entered into before the commencement of the relevant period; or

(B) the agreement or issue was approved or taken under the Listing Rules to have been approved under Listing Rule 7.1 or Listing Rule 7.4,

(iv) plus the number of any other fully paid ordinary securities issued in the 12 months with approval under Listing Rule 7.1 or Listing Rule 7.4 (noting that this may include fully paid ordinary securities issued in the 12 months under an agreement to issue securities within Listing Rule 7.2 (exception 17) where the issue is subsequently approved under Listing Rule 7.1),

(v) plus the number of partly paid ordinary securities that became fully paid in the 12 months,

(vi) less the number of fully paid ordinary securities cancelled in the 12 months.

Note that A has the same meaning in Listing Rule 7.1 when calculating an entity's 15% placement capacity.

**D** is 10%.

# Orbital Corporation Limited

## EXPLANATORY NOTES

**E** is the number of Equity Securities issued or agreed to be issued under Listing Rule 7.1A.2 in the 12 months where the issue or agreement to issue has not been subsequently approved by Shareholders under Listing Rule 7.4.

**(d) Listing Rule 7.1 and Listing Rule 7.1A**

The ability of an entity to issue Equity Securities under Listing Rule 7.1A is in addition to the entity's 15% placement capacity under Listing Rule 7.1.

The number of Equity Securities that the Company will have capacity to issue under Listing Rule 7.1A (if Item 5 is approved) will be calculated at the date of issue of the Equity Securities in accordance with the formula prescribed in Listing Rule 7.1A.2 (refer to section (c) above).

**(e) Minimum Issue Price**

The issue price of Equity Securities to be issued under Listing Rule 7.1A must be not less than 75% of the VWAP of Equity Securities in the same class calculated over the 15 trading days on which trades in that class were recorded immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed by the Company and the recipient of the Equity Securities; or
- (ii) if the Equity Securities are not issued within 10 trading days of the date in paragraph (i) above, the date on which the Equity Securities are issued.

**(f) 10% Placement Period**

(i) Shareholder approval of the 10% Placement Facility under Listing Rule 7.1A is valid from the date of the annual general meeting at which the approval is obtained and expires on the first to occur of the following:

- (A) The date that is 12 months after the date of the annual general meeting at which the approval is obtained.
- (B) The time and date of the entity's next annual general meeting.
- (C) The time and date of Shareholder approval of a transaction under Listing Rule 11.1.2 (a significant change to the nature or scale of activities) or Listing Rule 11.2 (disposal of main undertaking),

(the 10% Placement Period).

### Effect of Item 5

The effect of Item 5 will be to allow the Directors to issue the Equity Securities under Listing Rule 7.1A during the 10% Placement Period without using the Company's 15% placement capacity under Listing Rule 7.1.

### Specific Information required by Listing Rule 7.3A

**Shareholder Approval Expiry** The Company will only issue the Listing Rule 7.1A Shares during the 10% Placement Period. The approval under Item 5 will cease to be valid in the event that Shareholders approve a transaction under Listing Rule 11.1.2 (a significant change to the nature or scale of activities) or Listing Rule 11.2 (disposal of main undertaking).

**Minimum issue price** The Equity Securities will be issued at an issue price of not less than 75% of the VWAP for the same class of the Company's Equity Securities over the 15 trading days on which trades in that class were recorded immediately before:

- the date on which the price at which the Equity Securities are to be issued is agreed; or
- if the Equity Securities are not issued within 10 trading days of the date in the paragraph immediately above, the date on which the Equity Securities are issued.

**Indicative use of funds** The Company may seek to issue the Equity Securities for cash consideration, which is proposed to be utilised for the acquisition of new businesses or investments, operating expenditures and/or general working capital.

**Risk of Dilution** If Item 5 is approved by Shareholders and the Company issues Equity Securities under the 10% Placement Facility, the existing Shareholders' voting power in the Company will be diluted as shown in the table in **Schedule 1**.

There is a risk of economic and voting dilution to the Shareholders, including that:

- the market price for the Company's Equity Securities in that class may be significantly lower on the date of the issue of the Equity Securities than on the date of the Meeting; and
- the Equity Securities may be issued at a price that is at a discount to the market price for the Company's Equity Securities on the issue date.

The table in **Schedule 1** shows the dilution of existing Shareholders on the basis of the current market price of Shares and the current number of Shares for variable 'A' calculated in accordance with the formula in Listing Rule 7.1A.2 as at the date of this Notice.

The table also shows:

- two examples where variable 'A' has increased, by 50% and 100%. Variable 'A' is based on the number of ordinary securities the Company has on issue. The number of ordinary securities on issue may increase as a result of issues of ordinary securities that do not require Shareholder approval (for example, a pro rata entitlements issue or scrip issued under a takeover offer) or future specific placements under Listing Rule 7.1 that are approved at a future Shareholders' meeting; and
- two examples of where the issue price of ordinary securities has decreased by 50% and increased by 100% as against the current market price.

**Listing Rules Disclosures** The Company will comply with its disclosure obligations under Listing Rules 7.1A.4, 2.7 and 3.10.3 in relation to any issue of securities under the 10% Placement Facility.

**Allocation policy** The Company's allocation policy is dependent on the prevailing market conditions at the time of any proposed issue pursuant to the 10% Placement Facility. The identity of allottees will be determined on a case-by-case basis having regard to factors which may include:

- the methods of raising funds that are available to the Company, including but not limited to, rights issues or other issues in which existing security holders can participate;
- the effect of the issue of the Equity Securities on the control of the Company;
- the financial situation and solvency of the Company; and

# Orbital Corporation Limited

## EXPLANATORY NOTES

- advice from corporate, financial and broking advisers (if applicable).

As at the date of this Notice, the allottees have not been determined. They may, however, include existing substantial Shareholders and/or new Shareholders who are not a related party or an associate of a related party of the Company and are likely to be sophisticated and professional investors.

**Utilisation in the preceding 12 months** In the 12 months preceding the date of the Meeting, the Company has not issued, nor agreed to issue, any Equity Securities pursuant to Listing Rule 7.1A.2.

**Voting exclusion statement** A voting exclusion statement is included below. However as at the date of this Notice, the Company has not invited any existing Shareholder to participate in any proposed issue of Equity Securities under ASX Listing Rule 7.1A. Therefore, no existing Shareholders are anticipated to be excluded from voting on this Item.

### Previous approval

At the Company's 2021 annual general meeting, Shareholders approved the Company's capacity to issue equity securities equivalent to an additional 10% of the Company's ordinary securities. The approval given at the 2021 annual general meeting will expire on 16 November 2022.

### Board Recommendation

The Board unanimously recommends Shareholders vote in favour of granting the Company the 10% Placement Facility.

The Chair intends to vote undirected proxies in favour of Item 5.

### Voting exclusion statement

The Company will disregard any votes cast in favour of Item 5 by or on behalf of a person who is expected to participate in, or who will obtain a material benefit as a result of, the proposed issue (except a benefit solely by reason of being a holder of ordinary securities in the Company) or an associate of that person (or those persons).

However, this does not apply to a vote cast in favour of this Item 5 by:

- a person as proxy or attorney for a person who is entitled to vote on this Item 5, in accordance with directions given to the proxy or attorney to vote on this Item 5 in that way; or
- the Chair as proxy or attorney for a person who is entitled to vote on this Item 5, in accordance with a direction given to the Chair to vote on Item 5 as the Chair decides; or
- a Shareholder acting solely in a nominee, trustee, custodial or other fiduciary capacity on behalf of a beneficiary provided the following conditions are met:
  - the beneficiary provides written confirmation to the Shareholder that the beneficiary is not excluded from voting, and is not an associate of a person excluded from voting, on this Item 5; and
  - the Shareholder votes on this Item 5 in accordance with the directions given by the beneficiary to the Shareholder to vote in that way.

As at the date of this Notice, the Company has not identified any particular persons or class of persons who would be excluded from voting on Item 5.

## SCHEDULE 1 – Listing Rule 7.1A Dilution Table

- (a) The below table shows the dilution of existing Shareholders on the basis of the current market price of Shares and the current number of Shares for variable 'A' calculated in accordance with the formula in Listing Rule 7.1A.2 as at the date of the Notice.
- (b) The table also shows:
- two examples where variable 'A' has increased, by 50% and 100%. Variable 'A' is based on the number of ordinary securities the Company has on issue. The number of ordinary securities on issue may increase as a result of issues of ordinary securities that do not require Shareholder approval (for example, a pro rata entitlements issue or scrip issued under a takeover offer) or future specific placements under Listing Rule 7.1 that are approved at a future Shareholders' meeting; and
  - two examples of where the issue price of ordinary securities has decreased by 50% and increased by 100% as against the current market price.

Variable 'A' in Listing Rule 7.1A.2		Dilution		
		\$0.11 50% decrease in Issue Price	\$0.22 Issue Price	\$0.44 100% Increase in Issue Price
Current Variable A (91,890,782 Shares)	10% Voting Dilution	9,189,078 Shares	9,189,078 Shares	9,189,078 Shares
	Funds Raised	\$1,010,799	\$2,021,597	\$4,043,194
50% increase in current Variable A (137,836,173 Shares)	10% Voting Dilution	13,783,617 Shares	13,783,617 Shares	13,783,617 Shares
	Funds Raised	\$1,516,198	\$3,032,396	\$6,064,791
100% increase in current Variable A (183,781,564 Shares)	10% Voting Dilution	18,378,156 Shares	18,378,156 Shares	18,378,156 Shares
	Funds Raised	\$2,021,597	\$4,043,194	\$8,086,389

The table has been prepared on the following assumptions:

- The Company issues the maximum number of Equity Securities available under the 10% Placement Facility.
- No Performance Rights or other convertible securities are exercised or converted into Shares before the date of the issue of the Equity Securities.
- The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
- The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Facility, based on that Shareholder's holding at the date of the Meeting.
- The table shows only the effect of issues of Equity Securities under Listing Rule 7.1A, not under the 15% placement capacity under Listing Rule 7.1.
- The issue of Equity Securities under the 10% Placement Facility consists only of Shares. If the issue of Equity Securities includes listed Options (for example), it is assumed that those listed Options are exercised into Shares for the purpose of calculating the voting dilution effect on existing Shareholders.
- The issue price is \$0.22, being the closing price of the Shares on ASX on 6 October 2022. The Company will only issue the Equity Securities during the 10% Placement Period.

### YOUR NAME AND ADDRESS

Shareholders sponsored by a broker should advise their broker of any changes. **Please note: you cannot change ownership of your shares using this form.**

### APPOINTMENT OF PROXY

If you wish to appoint the Chairman of the Meeting as your proxy, mark the box in Step 1. If you wish to appoint someone other than the Chairman of the Meeting as your proxy, please write the name of that individual or body corporate in Step 1. A proxy need not be a shareholder of the Company.

### DEFAULT TO CHAIRMAN OF THE MEETING

Any directed proxies that are not voted on a poll at the Meeting will default to the Chairman of the Meeting, who is required to vote those proxies as directed. Any undirected proxies that default to the Chairman of the Meeting will be voted according to the instructions set out in this Proxy Form, including where the Items are connected directly or indirectly with the remuneration of KMP.

### VOTES ON ITEMS OF BUSINESS – PROXY APPOINTMENT

You may direct your proxy how to vote by placing a mark in one of the boxes opposite each item of business. All your shares will be voted in accordance with such a direction unless you indicate only a portion of voting rights are to be voted on any item by inserting the percentage or number of shares you wish to vote in the appropriate box or boxes. If you do not mark any of the boxes on the items of business, your proxy may vote as he or she chooses. If you mark more than one box on an item your vote on that item will be invalid.

### APPOINTMENT OF A SECOND PROXY

You are entitled to appoint up to two persons as proxies to attend the Meeting and vote on a poll. If you wish to appoint a second proxy, an additional Proxy Form may be obtained by telephoning the Company's share registry or you may copy this form and return them both together.

To appoint a second proxy you must:

- on each of the first Proxy Form and the second Proxy Form state the percentage of your voting rights or number of shares applicable to that form. If the appointments do not specify the percentage or number of votes that each proxy may exercise, each proxy may exercise half your votes. Fractions of votes will be disregarded; and
- return both forms together.
