

## LAUNCH OF CAPITAL NOTES 3 OFFER

**Monday, 24 October 2022, Brisbane:** Bank of Queensland Limited (**BOQ**) today announced its intention to raise \$300 million through the offer of Capital Notes 3 with the ability to raise more or less (**Offer**).

Capital Notes 3 are fully paid, unsecured, non-cumulative, perpetual, subordinated, convertible notes issued by BOQ at an issue price of \$100 each. Distributions are discretionary, non-cumulative, floating rate and are scheduled to be payable quarterly in arrears, subject to the issue terms (including that no Payment Condition exists), and are expected to be fully franked.<sup>1</sup>

The Australian Prudential Regulation Authority (**APRA**) has confirmed that Capital Notes 3 would be recognised as Additional Tier 1 Capital of BOQ for the purpose of APRA's prudential standards.

The proceeds of the Offer will be used for BOQ's general corporate and funding purposes. BOQ currently has an option to redeem the BOQ 2017 Wholesale Capital Notes on 28 November 2022 and will consider redeeming the BOQ 2017 Wholesale Capital Notes on that date, subject to various factors (including satisfactory completion of the Offer, market conditions and any required regulatory approvals). Capital Notes 3 are expected to be quoted on the Australian Securities Exchange (**ASX**) and trade under the ASX code "BOQPG".

The Offer is made under a prospectus which was lodged with the Australian Securities and Investments Commission (**ASIC**) and ASX today (**Prospectus**).

The Prospectus will also be made available to Australian investors at [www.boq.com.au/capitalnotes3](http://www.boq.com.au/capitalnotes3). A replacement Prospectus, containing the Margin, will be made available when the Offer opens, expected to be on 1 November 2022.

<sup>1</sup> Holders should be aware that the ability of a Holder to use franking credits will depend on their particular circumstances and the tax rules that apply at the time, and that the potential value of franking credits does not accrue at the same time as the cash Distribution is received. If any Distribution Payment is not fully franked, the Distribution will be increased to adjust for any unfranked component of the Distribution, based upon the applicable Franking Rate.

Capital Notes 3 are complex and not suitable for all investors and contain features which may make the Capital Notes 3 Terms difficult to understand. BOQ strongly recommends that you seek professional advice from your qualified professional adviser before deciding whether to invest in Capital Notes 3. Capital Notes 3 are not guaranteed by, nor are they deposit liabilities of, BOQ.

### **Restrictions on the distribution of Capital Notes 3**

The Design and Distribution Obligations Regime (**DDO Regime**), which became effective in October 2021, applies to the Offer. Therefore, BOQ is required to prepare a Target Market Determination which describes, among other things, the class of Retail Investors that comprises the target market for Capital Notes 3 and conditions relating to how Capital Notes 3 are to be distributed under the Offer to help ensure that investors who acquire Capital Notes 3 under the Offer are within that target market. The Target Market Determination is available at [www.boq.com.au/capitalnotes3](http://www.boq.com.au/capitalnotes3).

**In response to the introduction of the DDO Regime, BOQ has made the decision not to include a specific offer for BOQ securityholders (unlike previous retail hybrid security offers by BOQ).**

Instead, all Applications must be submitted through a Syndicate Broker and you should contact your Syndicate Broker for instructions on how to apply.

UBS AG, Australia Branch has been appointed as Arranger and a Joint Lead Manager to the Offer. ANZ Securities Limited, Morgans Financial Limited, National Australia Bank Limited, Ord Minnett Limited and Westpac Institutional Bank (a division of Westpac Banking Corporation) have also been appointed as Joint Lead Managers to the Offer (collectively the "**JLMs**"). LGT Crestone Wealth Management Limited and JBWere Limited have been appointed as Co-Managers for the Offer (together with the JLMs, the "**Syndicate Brokers**").

## **Definitions**

Unless otherwise defined, capitalised words used in this announcement have the meaning given to them in the Prospectus.

## **Further Information**

Capital Notes 3 are complex and involve more risks than a simple debt or ordinary equity security. The Capital Notes 3 are not traditional fixed income securities. They can be Converted to Ordinary Shares (including at times when the risk of Ordinary Shares losing some or all of their value is relatively high) or Written Off, and payment of distributions is not guaranteed. Consequently, Capital Notes 3 have a higher risk than traditional fixed income securities. You should consider the Prospectus carefully to determine if an investment in Capital Notes 3 is right for you, if so what proportion of your investment portfolio should be made up of Capital Notes 3, and whether you are comfortable that the return on Capital Notes 3 is sufficient to compensate you for the risk of investing in Capital Notes 3.

## **Disclaimer**

This announcement does not constitute an offer of any securities (including Capital Notes 3) for sale or issue. No action has been taken to register or qualify Capital Notes 3 or the Offer or to otherwise permit a public offering of Capital Notes 3 outside Australia. In particular, this announcement does not constitute an offer of securities for sale in the United States. Neither the Capital Notes 3 nor the Ordinary Shares have been or will be registered under the United States Securities Act of 1933 or the securities laws of any state of the United States, and they may not be offered or sold in the United States or to, or for the account or benefit of, a US Person.
