ASX Announcement

25 October 2022

QUEENSLAND CASINO OPERATIONS – DETERMINATIONS BY ATTORNEY GENERAL

Further to the announcement of 6 October 2022, The Star Entertainment Group Limited (ASX code: SGR) (**The Star**) notes that it and each of:

- The Star Entertainment Qld Ltd (the licensee of Treasury Brisbane);
- The Star Entertainment Qld Custodian Pty Ltd (the licensee of The Star Gold Coast);
- The Star Entertainment Brisbane Operations Pty Ltd (the entity to be the operator of The Star Brisbane);
- The Star Entertainment DBC Holdings Pty Ltd (the holder of The Star's 50% interest in the Destination Brisbane Consortium); and
- Destination Brisbane Consortium Integrated Resort Operations Pty Ltd as trustee for the Destination Brisbane Consortium Integrated Resort Operating Trust (the licensee of The Star Brisbane),

has today received correspondence from the Queensland Attorney-General, The Honourable Shannon Fentiman MP, notifying that the Attorney-General has formally determined that each entity is not suitable to be associated or connected with the management and operations of a hotel-casino complex or casino, by reason of it not being a person of good repute.

The determinations in respect of The Star and the Treasury Brisbane and Gold Coast casino licence holders follow the findings of the independent external review into the operations of The Star's casinos in Queensland undertaken by The Honourable Robert Gotterson AO, the findings of the report of Mr Adam Bell SC in New South Wales and the separate investigation undertaken by the Queensland Office of Liquor and Gaming Regulation. The basis for the determinations in respect of the other entities is their association and connection with The Star.

The correspondence notes that no part of the decision involves an assessment of what disciplinary or other action may be taken, and that in any disciplinary action process, the relevant entity will be afforded an opportunity to show cause, or make submissions as a party having an interest in the relevant licence, as the case may be.
