CAQ Holdings Limited September 2022 Quarter Activities Report

Operations Review

The property leasing business remained steady in September 2022 Quarter. Leasing revenue totalled RMB3.30 million during the September 2022 Quarter, slightly down from RMB3.40 in the June 2022 Quarter, representing a decrease of approximately 3% due to certain one-off reduction in rent of selected tenants during the lock down period of the Hainan Island.

The tenancy agreement to undertake the entire area of the Exhibition Centre was entered into on 25 April 2022 and after that system integration with the custom was being tested and which was finally completed in early August. However, an outbreak of COVID-19 in Hainan Island resulted in a lock down of the whole island. Decoration of the shops was prohibited during the lock down period. This resulted in the grand opening of the Exhibition Centre being deferred pending local government release of the lock down measures. Consequently, there has been a temporary deferral in the commencement of leasing receipts from the Exhibition Centre and associated facilities.

The existing vacancy (including areas subject to negotiation) rate being:

Warehouse (41,750m ²)	12%	(18% in June 2022)
Factories (17,784m ²)	28%	(58% in June 2022)
Exhibition Centre*	0%	(2% in June 2022)
Administrative Building	47%	(47% in June 2022)

The entire factory A was leased out in July with deposit of RMB0.42 million received. The tenant's decoration was also affected by the lock down and the opening date is now expected to be the end of December. Work is continuing on securing new tenants for all unleased areas with a number of contracts under negotiation.

During the September 2022 Quarter CAQ's receipts from customers was \$651k (RMB3.03 million) which was slightly up on the June 2022 quarter \$631k (RMB2.98 million).

The inventories of Kingmall continue to be sold online. Kingmall is searching new suppliers of goods and negotiation was in progress.

Financial

At the end of the Quarter the Group had cash at bank of \$1.705m.

Payments to director related parties and their associates during the quarter totalled \$36k.

Ends

This announcement has been authorised for release to ASX by Michael Siu, Director on behalf of the Board of Directors.

(By the board)

Notes

1. This quarterly cash flow report and the accompanying activity report provide a basis for informing the market about the entity's activities for the past quarter, how they have been financed and the effect this has had on its cash position. An entity that wishes to disclose additional information over and above the minimum required under the Listing Rules is encouraged to do so.
2. If this quarterly cash flow report has been prepared in accordance with Australian Accounting Standards, the definitions in, and provisions of, *AASB 107: Statement of Cash Flows* apply to this report. If this quarterly cash flow report has been prepared in accordance with other accounting standards agreed by ASX pursuant to Listing Rule 19.11A, the corresponding equivalent standard applies to this report.
3. Dividends received may be classified either as cash flows from operating activities or cash flows from investing activities, depending on the accounting policy of the entity.
4. If this report has been authorised for release to the market by your board of directors, you can insert here: "By the board". If it has been authorised for release to the market by a committee of your board of directors, you can insert here: "By the [name of board committee – eg Audit and Risk Committee]". If it has been authorised for release to the market by a disclosure committee, you can insert here: "By the Disclosure Committee".
5. If this report has been authorised for release to the market by your board of directors and you wish to hold yourself out as complying with recommendation 4.2 of the ASX Corporate Governance Council's *Corporate Governance Principles and Recommendations*, the board should have received a declaration from its CEO and CFO that, in their opinion, the financial records of the entity have been properly maintained, that this report complies with the appropriate accounting standards and gives a true and fair view of the cash flows of the entity, and that their opinion has been formed on the basis of a sound system of risk management and internal control which is operating effectively.
