### About Apiam Animal Health Limited

Apiam Animal Health is one of Australia's leading rural veterinary businesses made up of 74 business sites including 59 Veterinary Clinics and 296 highly experienced veterinarians as part of a team of 1014 dedicated professionals. The majority of Apiam's vet clinics, production animal, and allied businesses have been around a long time, many of them decades and are spread Australia wide reaching into the heart of dairy, beef, sheep and pig country and the regional towns that are at their centre.

Apiam Animal Health is committed to providing best in class care for its clients, the animals in their care and the communities where people live and work. The Company's purpose, to enrich the lives of animals, people and communities, is applied across all businesses from vet clinic to production animal consultancy, logistics and laboratory with vets and allied staff sharing expertise and specialist knowledge. Apiam is focused on meeting the needs of its clients and shaping the future of the industry to deliver best practice animal health and welfare at a local level and nationally.
