### RESPONSE TO MEDIA SPECULATION

Eclix Group (ASX:ECX, “**Group**”) notes the article published in The Australian ‘Dataroom’ on 7 November 2022. The Group dismisses the article’s speculation in relation to buyout talks and other matters as factually incorrect.

As previously advised to the ASX, the Group re-commenced its buy-back program on 9 November 2022. The Listing Rules do not permit share purchases under a buy-back program when the prevailing market price is more than 5% above the five day volume-weighted average price. In compliance with the Listing Rules, no shares were purchased under the Group’s buy-back program on 9 November 2022. The Group’s buy-back program will continue today.
