AFL expands to Bayside Brisbane

AF Legal Group Ltd (**ASX: AFL**) (**Company** or **AFL**), a tech enabled law firm with a difference, is pleased to announce that it will establish its 20th office in Australia, with a new office in Brisbane's Bayside.

The Bayside office will open on 9 January 2023 and service Brisbane's Eastern suburbs, representing a geographic target market of over 250,000 residents. The Bayside area includes the suburbs Wynnum, Manly, Manly West, Lota, Thorneside, Tingalpa and adjoins the Redlands City area which became its own municipality in 2008 including the suburbs of Capalaba, Wellington Point, Alexandra Hills, Cleveland, Mt Cotton, Sheldon, Victoria Point and the islands such as Stradbroke and Russell.

Commenting on the opening Grant Dearlove, Legal Practice Director said:

"The opening of our latest greenfields Brisbane Bayside office is the first office we have opened in the Brisbane suburbs since we took a position in the Brisbane CBD in June 2019. We have recruited a leading family lawyer who has practised family law exclusively in the Bayside region for over 7 years, and lived in the Bayside for over 20 years. The combination of legal and local expertise with our digital marketing positions us well for success in the local market."

"With our reach now expanding to 20 offices nationwide, we look forward to the continued growth of our geographic footprint into capital city suburban hubs to service more Australians in need of family law advice."

This announcement was approved for release to the ASX by AFL's Board of Directors.
