Correction of Daily Buyback Notification in respect of Wednesday 18 January 2023

The Appendix 3E daily buyback notice in respect of Wednesday 18 January 2023 erroneously reported that 749 stapled securities were bought back at a price of \$1.45 per stapled security. No stapled securities were bought back on 18 January 2023. The error resulted from mis-reporting by the trading broker.

Yours sincerely,

Peter Hulbert
Company Secretary
