

ASX Announcement 30th January 2023

NBIO will not progress and additional acquisition updates

Sydney, 30 January 2023 – Atturra Limited (ASX: ATA) (**Atturra**), a leading advisory and technology services business in designing, implementing, and maintaining IT solutions, advises that the NBIO for proposed '**Acquisition 03**' referred to on page 27 of the Capital Raise Presentation released to the market on 28 November 2022 will not progress. Atturra has engaged with the vendors of '**Acquisition 03**' and both parties have been unable to agree on several key conditions. On that basis, Atturra does not intend to progress the NBIO.

This is unrelated to the proposed acquisition of Hammond Street Developments Pty Ltd announced on 25 January 2023, which is '**Acquisition 02**' referred to on page 26 of the Capital Raise Presentation. '**Acquisition 02**' is on track to complete on 28 February 2023.

For '**Acquisition 01**' referred to on page 25 of the Capital Raise Presentation, due diligence is progressing and Atturra will provide further updates to the market as appropriate.
