About Skyfii

Skyfii helps organisations activate the power of their data through technology & human ingenuity, to find new ways to optimise the spaces where we live, work, shop, travel & play.

Skyfii's IO platform unifies your data points on one proprietary platform to give you the insights needed to solve the complex challenges of your present and future.

We ingest data from a diverse range of technologies including WiFi, Camera, People counting, LiDAR, CCTV and IoT devices. We combine these datasets with contextual data like weather, retail sales and sociodemographic to improve operational performance for retailers, airports, stadiums, smart cities and other public and commercial venues.

Skyfii further augments insights generated by the IO Platform with its Data & Marketing Services offering: A team of data science and digital marketing consultants who help our clients harness more value from their data.

This announcement has been approved by Skyfii Limited's Board.
