STATEMENT TO AUSTRALIAN SECURITIES EXCHANGE – February 8, 2023

CHANGE IN SUBSTANTIAL HOLDING NOTICES LODGED

Flight Centre Travel Group Limited (**FLT**) chief executive officer Graham Turner and his family company Gainsdale Pty Ltd (**Gainsdale**) have today lodged a Change in Substantial Shareholding Notice.

While Gainsdale has not sold FLT shares, its relevant interest in FLT's voting shares has decreased as a result of:

- Issues of shares pursuant to FLT employee share plans;
- The recent institutional placement announced to the market on 31 January 2023, which saw FLT issue capital to partially fund the acquisition of United Kingdom-based luxury travel specialist Luxury Travel Holdings Limited (Scott Dunn); and
- Trades by James Management Services Pty Ltd and Gehar Pty Ltd, entities associated with Mr Turner's fellow FLT founders Bill James and Geoff Harris respectively, on the basis that each founder has a relevant interest in each other's shares because of certain pre-emptive rights it holds over the other founders' shares.

Together Gainsdale, Gehar Pty Ltd and James Management Services Pty Ltd have relevant interests in voting shares representing 20.16% of FLT as of the date of this announcement.
