About NobleOak (ASX: NOL)

NobleOak is an independent, multi award-winning APRA-regulated Australian life insurance provider which has a 145-year history, dating back to one of the first benevolent societies in Australia, the United Ancient Order of Druids Friendly Society of NSW. NobleOak's core values: nobility, simplicity, adaptability and delivery, are grounded in the values of the Druids and are embedded deeply in its culture. Following its demutualisation in 2011, NobleOak repositioned its business model, launching direct-to-consumer life insurance products through its modern and intuitive digital platform. Since then, NobleOak has diversified its business by manufacturing white-labelled tailored products for strategic partners which are mostly offered to customers through advisers. NobleOak's strategy is underpinned by a commitment to offer customers high value, easy to understand and competitive life risk insurance products. NobleOak has achieved success by participating across the life insurance value chain, by manufacturing, underwriting and distributing its own life insurance products.
